Pioneer Farm Families

Four families named Pioneers in farming at 2017 fair

This year, the Knights of Aksarben Foundation announced four families, Schmidt-Werner; Effenbeck; Heidemann; and Krenke as

this year's Pioneer Farm Families, who have consecutively held ownership of land in the same family for 100 years or more.

The Foundation teams up with the Nebraska Farm Bureau and the Nebraska Association of Fair Managers in the process of recognizing

the families.

This year's families join more than 9,000 families from all 93 counties in Nebraska who have been honored.

Recipients are presented with a plaque and gatepost marker during county fairs where the land is owned.

This year's awards were

presented by Thayer County Fair Board representatives, Kurtis Elting and Hope Dankenbring.

Janet Malpert, Marty Pohlmann, Darrell Malpert, Wayne Pohlmann and Ragan Pohlmann represent the Schmidt-Werner Pioneer Farm Family.

The Schmidt-Werner story:

H.W.G. (Godfrey) Schmidt was born in Hiede, Diepholz County, Hanover, Germany Aug. 31, 1853. He was 17-years-old when he traveled to the United States with a group of 35 immigrants from his community. He was also traveling with his future bride.

It took several weeks to make the trip on the sail ship, Samaria and Schmidt worked for 10 years before his marriage in Iowa. His future wife, Sophia Plumber worked at a mental health facility in Independence, Iowa.

In 1879, Schmidt purchased land from the railroad and moved there after he married Plumber in 1881. The land is four miles south of Deshler.

His first name changed to Gottfried and later, he spelled

it Gottfried. He and Plumber had four children, George, Minnie, Herman and Rosa.

His oldest daughter, Wilhemina (Minnie) married Richard Werner in 1906. Schmidt then purchased 160 acres in the section north of the "home place," for \$57.60 per acre on the NW 1/4 section 36 south of Deshler.

In 1921, the land was deeded to Minnie Werner.

They raised wheat, oats, alfalfa and corn. They had draft horses, milking cows, chickens and hogs.

Their first home was a part of a school in Deshler that was moved to the farm. In 1920, they built a new house that is lived in today.

After Richard Werner died in 1942, Minnie Werner moved to Deshler and her son, Albert, farmed the land.

Albert and Esther Werner raised their children there as

the land was deeded to Albert Werner in 1957.

In the 1950's, milo was added and in 1955, the irrigation well was installed. Two years later, Albert Werner had the low spots of irrigated ground leveled.

Later, he had sheep, starting with orphans from his father-in-law's herd.

Albert Werner died in 1985 and Esther Werner became the owner of the land. During this time, they stopped growing wheat and added soybeans, along with increasing the corn acreage.

Esther died in 2012 and the land was deeded to her children: Janet Werner Malpert and Ronald R. Werner, who continue to farm the land today.

In each transaction, the land was deeded and there are no available prices.

Ken and Julie Effenbeck, Crayton Mosier, Brigett Effenbeck and Alfred Effenbeck represent the Effenbeck Pioneer Farm Family.

The Effenbeck story:

The NE 1/4 of Section 18 in Township 2 N, Range 3 W in Thayer County was originally transferred to Herman Zutter and Herman Dunker Feb. 24, 1913 for \$11,000.

On April 19, 1915, Herman Zutter sold his interest for \$6,000 to Herman Dunker, who then exclusively owned the quarter.

Herman Dunker and his wife Sophia had nine children, including Ruth Dunker, who would later marry William Effenbeck.

Herman died in 1948. His son Erwin Dunker purchased the quarter from his siblings in November of 1949 for \$12,500.

Erwin Dunker then farmed the quarter raising primarily milo. In the last 1980's, his

great-grandnephew Ken Effenbeck started farming the ground. Ken and Julie Effenbeck purchased the farm in 2005. Today, soybeans and corn are raised on the irrigated quarter. The couple has one child, Brigett Effenbeck.

The Effenbecks are proud to continue the farming tradition started by great-grandpa Herman Dunker.

Meritorious Service

This year at the Thayer County Fair, the 4-H Council recognized an individual that makes a difference in

the lives of many youth in Thayer County, Dick Walsh. He is a big supporter of the 4-H program.

From trophies to livestock support and supplying cups for the 4-H breakfast, he's always willing to give a hand where needed.

The Thayer County 4-H Council would like to thank Dick Walsh, who was awarded the 2017 Meritorious Service Award.

Wayne and Brad Krenke represent the Krenke Pioneer Farm Family.

The Heidemann story:

The Midland Pacific Railway Company was given the original patent of ownership to the land Oct. 10, 1868.

The United States Department of Interior turned this ownership over to the newly formed state of Nebraska.

The state elected many areas various railroad companies could sell properties to land speculators and use these monies to build new railroads. It wasn't until 1902 the ownership of the farm became a quarter section.

It started out as a full section during the 1870's and then a half section in the 1880's and 1890's. John Marsh and his wife Lena bought the NE 1/4 of section 15 from the Daniel Allbright estate and sold it to Gene's grandfather for \$16,500 Feb. 26, 1917.

Fred W. Heidemann initially bought the NE 1/4 of Section 15 Highland Precinct as an investment, but hard times and the Great Depression forced him to keep it and it was sold to his youngest son Rev. Leonard W. Heidemann for \$17,000 when he died in 1949.

Gene Heidemann represents the Heidemann Pioneer Farm Family.

Leonard's eldest son Gene started farming the land in 1961 as Paul Long had rented it from 1927 on.

Irrigation was started in 1955 and water has been good and plentiful to make the farm continue to be productive.

There has never been a

permanent set of buildings of this farm, just an occasional corncrib or granary. Today, an irrigation pivot with a corner system is what you see.

Rev. Heidemann died March 18, 1996. His oldest son Gene and his wife Kathy bought the farm in August of 1996.

Farm Products Superintendent at this year's fair, Mark Hintz, said, "The agricultural products display of the Thayer Co. Fair showcased a nice display of herbs, sheaf exhibits and garden produce in spite of the lack of rain, heat and an earlier fair than previous years.

"We would like to continue to encourage anybody in the county to bring products, even if it is only a couple entries. A lot of people come to the fair to help with something, so why not bring along some produce they are proud of growing, and would like to share with everyone who attends the fair, especially for the people who may have relatives living within the county, and may not get to experience farm products up close and personal.

"I think we need to be judicious advocates for agriculture, and continue to be educators to our urban counterparts. We need to let them know that we are great stewards of the land and we use good farming practices to assure our world of having an inexpensive, safe, wholesome product for the world to consume.

"We all live in the greatest country in the world and get to share our products with the hungry.

"Let's all share that with everyone at our local county and state fairs. Thank you to all who were exhibitors, especially McKylie Smith, the junior outstanding exhibitor and Mark Hintz, the senior outstanding exhibitor."
