Titans battle physical Jeffs

The Thayer Central Titans hosted Red Cloud Dec. 8 and won, 45-23.

"We got out to a decent start in the first quarter and built a nice lead," Coach Dan Kayser said. "Both teams packed it in for the second and third quarters."

That made it tough to get good shots, but the Titan offense picked up the flow in the fourth quarter.

"We were able to open the game a little," Kayser said.

The Fairbury game, however, was rough, pitting the Titans against a physical Fairbury.

Kayser said the Titans will be cleaning up a few things on both ends of the floor.

"Even though the outcome didn't go our way, I think we are headed in the right direction," he said. "Our kids battled hard."

The final score in the Fairbury game was 46-33.

Points made by the Titans in the Red Cloud game were Keith Hergott, 12; Max Madson, 11; Andrew Heinrichs, 6; Gabe Haase, 5; Zach Koss, 5; Aubrey Fangmeier, 4; and

Keith Hergott led the Titan boys on the boards with 12 points against Red Cloud Dec. 8.

Seth Mumford, 2. Additional stats for the games will be in next week's coverage.

Deshler tops out in rebounds

The Deshler Lady Dragons went 47-26 against Southern and were 48 to Meridian's 58 for last week's play. Coach Andy Brenn said both the varsity and junior varsity did a nice job with a two-game sweep of the Southern Lady Raiders.

"Both teams did a great job of adapting to how physical Southern plays," Brenn said. "By handling their aggressiveness, it allowed us to control our tempo and be able to run our offenses how we wanted to."

The girls won the rebounding battle with a total of 31.

Brenn said they will work on their free throw shots.

"We really struggled in that area against Southern," he said.

Overall, it was a good win for the Dragons against a Class C2 school. The girls will play conference opponent Franklin Dec. 15.

Results are as follows:

Girls wrangle post players

Sydney Havel handled the ball to score 12 points on the Red Cloud game and eight on the Fairbury game.

The Lady Titans came away from the week 0-2, but celebrated shutting down Red Cloud's post players.

"They both stand over six feet tall. We did a great job of limiting them to a total of six points," Coach Andy Long said.

The Lady Warriors, however, connected on 10, 3-point shots to win the game.

The final score was 41-32, Red Cloud.

Sydney Havel downed 12 points and Jena Cottam, eight with both leading the Titans offensively.

Chloe Souerdyke grabbed a good share of the rebounds with 10.

"We did a great job of taking care of the ball, committing only 14 turnovers,"

Long said.

Scoring positions for the Titans were good. Long said they are looking to convert those chances at the basket to opportunities.

In the Fairbury Jeffs contest, Cottam led the team with 12 points as the girls did well in the first half, finding themselves down by only four points.

The Titans struggled in the second half, allowing Fairbury to pull away for a 15-point win. The score was 56-41.

"For the second night in a row, we were outmatched by size. I felt our girls competed very hard," Long said.

The Titans went 8-10 on free throws.

Long said the team is making strides against tough competition.

Results are as follows:

Red Cloud

Havel, 12; Jena Cottam, 8; Katelyn Richardson, 4; Stephanie Meyer, 3; Grace Souerdyke, 2; Bailey Kiburz, 2; and Chloe Souerdyke, 1.

Eagles at 4-0 on hardwood

The Bruning-Davenport/Shickley girls won two games on the road last week - against Dorchester, the Eagles topped out 62-23 and in a contest with Lawrence-Nelson, BDS went 47-38. Top shots were Jady Kleinschmidt with 11 points in the Dorchester game and Macy Kamler with 10, and Carley Elznic's 14 points, along with Lexi Kadel and Megan Grote at 10 each in the contest with the Lady Raiders.

The girls were on fire from the beginning of the Dorchester game, Coach Shana Gerberding said. They built a 12-1 lead during the first quarter and by the end, they were at 19 points to Dorchester's six.

"I thought the girls came out and put a lot of pressure on Dorchester right from the tip-off," she said. "Our defense shut down their offense."

By half time, the girls had built a 44-15 lead and cruised the second half for their third victory of the season.

On defense, Kleinschmidt had six steals. The girls

pulled down a total of 43 rebounds, 18 of which were offensive. Elznic grabbed 14 and added eight points. Regan Alfs contributed six points.

Gerberding was also happy with the six turnovers, compared to Dorchester's 21.

"Shooting 74 percent from the charity stripe was another highlight of the game," she said.

Quarter scores were 19-6; 25-9; 14-4; and 4-4 with BDS leading the entire contest.

In Nelson, the Lady Eagles struggled to find rhythm and were on the low end of the halftime score, 21-14.

"The Raiders were ready to take it to us and they did just that," Gerberding said. "Defensively, I don't think we moved well and let L-N get to the basket, and hit some outside shots."

Meanwhile, the Eagle shots weren't falling, but that changed in the second half as the Eagles outscored the Raiders, 33-17.

Gerberding said it didn't feel like they had control of the game until late in the

fourth quarter. The girls were unable to build a lead because the Raiders answered every shot. Finally, the Lady Eagles wore their opponents down.

"Our girls kept battling and putting pressure on them," Gerberding said.

But it was good for the Eagles to play a close game because they each found a way to contribute toward the win, she added.

Elznic snatched 13 rebounds and Kamler, 11 with six of them offensive rebounds. Alfs had six points to her credit.

Their working areas will be on turnovers and free throw shooting. There were 20 turnovers to L-N's 25. On free throws, the Eagles went 6-20 from the line.

Gerberding said the free throw shooting must improve from 30 percent.

"The competition will get tougher as the season goes on," she said.

The Lady Eagle record is now 4-0. They were in Sutton Dec. 12 and will play Cross County Dec. 15 before the break.

Eagles play with discipline

The Bruning-Davenport/Shickley Eagle boys were 2-2 on the week, defeating Dorchester, 58-20 and Lawrence-Nelson, 55-23. The boys had an early 16-3 advantage on Dorchester, then led 29-5 at the half.

"After the first week, we knew we needed to clean up a lot of things we want to get done as a team," Coach Greg Schroeder said. "I thought our guys really bought into that and played with tremendous discipline in a game where they easily could have lost focus as it wore on."

He said the Eagle defense was "king," but 13 players made it to the boards with Caden Norder leading the balanced attack at 13 points.

John Christensen shot for 10 points; Garrett Schardt and Grote, five each; Karson Dickson and Anderson, four; Jacob Swartzendruber, Schroeder, Holden Stengel and Isaac Kamler, three; and Anthony Beavers, Kellen Reinsch, Josiah Kamler and Weber, two each.

Against Lawrence-Nelson, the Eagles took charge of the lane early, starting with a 15-9 lead after the first quarter with Stengel going 4-4 from the charity stripe. They stretched the lead into the half, 27-14, and took full control of the third quarter.

"We were able to get some mismatches in the post tonight and fortunately, were able to take advantage of

many of those opportunities," Schroeder said. "Our posts overall did a good job of going to the basket strong and finished a lot of scoring opportunities."

Defensively, the Eagles are showing signs of improvement in communication and off ball movement.

"It has been paying off," Schroeder said. "We hope to continue that moving forward."

Nine players scored. Beavers led with 13, then came Norder and Stengel with 12 points each. Anderson and Dickson scored four a piece; Schardt and Logan Schroeder, three points each; and Reinsch and E. Schroeder, two each.

NEBRASKA DEPARTMENT OF TRANSPORTATION HIGHWAY PROJECT INFORMATION NDOT PROJECT: STP-53-1(103) ALEXANDRIA SOUTH BRIDGES; C.N. 42474 STP-53-1(104) ALEXANDRIA SOUTH; C.N. 42533

The Nebraska Department of Transportation (NDOT) is currently soliciting public input on proposed improvements of Nebraska Highway 53 (N-53) in Thayer County.

Identified as Alexandria South Bridges and Alexandria South, the proposed projects would reconstruct and resurface approximately 7.08 miles of Nebraska Highway 53 (N-53). Alexandria South Bridges would include work at several locations between mile marker (MM) 0.29 and MM 6.54. Alexandria South would start at the junction of U.S. Highway 136 (US-136) and N-53, at about MM 0.00, and extend north to the north corporate limits of Alexandria, at about MM 7.08. Construction may begin and/or end approximately 200 feet ahead of or beyond the actual project limits to accommodate transitioning the pavement.

The purpose of these proposed projects is to preserve the transportation asset, improve the reliability of the transportation system and perpetuate the mobility of the traveling public. The need for these proposed projects is based on the need to meet the current Minimum Design Standards (MDS) for bridges, as adopted by the Nebraska Board of Public Roads Classifications and Standards, and the current condition of the roadway and bridges.

The planned construction for the two projects would consist of replacement of two bridge structures (Structure Number S053 00412 [Little Blue River Bridge] and S053 00610 [Big Sandy Creek Bridge]) on offset alignments, the replacement of two timber culvert/structures with concrete box culverts (MM 2.81 & MM 3.74), the extension of a box culvert (S053 00649 [tributary to Big Sandy Creek]), the addition of wings and apron to a box

culvert (S053 00610), and the replacement of five pipe culverts (MM 0.36, MM 3.00, MM 3.10, MM 3.71, and MM 6.25), with the replacement at MM 3.00 receiving two culverts. New pavement would be constructed at the bridge and culvert replacement locations. Additional improvements would include milling and resurfacing the existing roadway with asphalt, shoulder work, guardrail work, curb and gutter work, clearing and grubbing, installation of Americans with Disabilities Act (ADA) curb ramps, and utility work.

These projects would require the acquisition of additional property rights which could include new right-of-way (ROW), permanent easements (PE), and/or temporary easements (TE). Access to adjacent properties would be maintained during construction but may be limited at times due to phasing requirements. Potential wetland impacts are anticipated and would be mitigated, as necessary. Meridian Wildlife Management Area and Alexandria Wildlife Management Area are located near the project area; no impacts are anticipated to these properties. The Little Blue River Bridge being removed and replaced is considered a historic structure.

Construction for Alexandria South Bridges could begin as early as fall of 2018 and be complete by the winter of 2019. Alexandria South could begin as early as fall of 2019 and be complete by the winter of 2020. The proposed projects would be constructed under traffic with lane closures controlled with approved temporary traffic control; however, replacement of the two timber culvert/structures would require a temporary closure of portions of N-53; a designated detour would be provided utilizing US-136, U.S. Highway 81 (US-81) and Nebraska Highway 4 (N-4). The proposed detour would be in place for approximately three months. The Little Blue River Bridge and Big Sandy Creek Bridge would be constructed under traffic utilizing traffic signals and keeping one lane open; no closure at either of these locations would be necessary.

The public is being encouraged to make suggestions or express concerns regarding these proposed projects. Materials can be provided in alternative languages or formats. Comments will be collected through January 12, 2018. Written comments or requests should be submitted to: Sarah Soula, Public Involvement Manager, Nebraska Department of Transportation, P.O. Box 94759, Lincoln, NE 68509-4759; sarah.soula@nebraska.gov; voice telephone (402) 479-4871; fax (402) 479-3989.

Information regarding the proposed project will be made available on the NDOT website at <http://dot.nebraska.gov/projects/future-projects/> by clicking on the "Alexandria South Bridges and Alexandria South" link. For those without internet access, information may be obtained through the contact above or at NDOT Headquarters, 1500 Hwy 2, Lincoln, NE. For further information, contact Wes Wahlgren, NDOT District 4 Engineer, 308-385-6265, wes.wahlgren@nebraska.gov.

The NDOT held a public meeting for the proposed projects on October 30, 2012, at the Alexandria Community Center in Alexandria. Information that was presented in late 2012 has been reevaluated and updated, as necessary. One major concern heard was in regard to the full closure of the Little Blue River Bridge and Big Sandy Creek Bridge during construction. The project design has been updated to no longer require a full closure, but would now utilize traffic signals and keeping one lane open at these two locations. The proposed projects are currently in the environmental stage; additional information and comments received from the public during this time would be considered as these projects advance through the environmental process.

Putting on the ritz...

Marilyn Cook was putting on the ritz at the Belvidere Woman's Club Christmas party. As she strutted her "Stuff," she also sang the words of the famous tune in her silver fox fur coat and "foxy" red hat. Other members of the Belvidere Woman's Club joined Marilyn in puttin on their ritz in their furs at their annual Christmas party.

A heartwarming story...

A heart warming story from the weekend!

Wilma Culp Bonilla, sister of Belvidereite Carol Aude, has especially been burdened with trouble as her daughter, Kelly Knigge Richard, had just returned from Mexico, where she had surgery, when Wilma got word that her grandson, Cody Richard, had a stroke while driving his truck through Sargent, Nebraska.

Alex Richard

Cody had his nine-year-old son, Alex, with him. Cody stopped to check a tire on his truck. When he got back in his truck, he could not speak and he had no use of his right side. Alex noticed and called 911. Then he called his mother. His mother told him to take a picture of a sign and then send it to her. From this little guy sending a picture, his mother was able to decipher the location. She was then able to call 911 and tell them the location at 12:30 in the morning. Today his father is in an Omaha hospital which was the same as Cody's mother.

Kelly had to go because of some trouble due to her

surgery. All of this happening while Wilma, the grandmother was home sick in Tobias. They operated on Cody's brain and he is listed as stable. The word from the family is that Alex is their hero.

Take a moment and show your children what to do in case of an emergency. Make sure your children know how to take a picture and send it. Alex's actions saved Cody's life.

Life can change in a blink of an eye, but being prepared in an emergency situation can save your loved ones life!

were developed in the thirties and they meant to dress very fashionable. This was the first musical in that time period to have songs sung by an interracial ensemble. For some it meant a show of one's wealth and to live with elegance and luxury.

Prizes were awarded to different members as to the beauty, etc., of their fur coat. The members had a decorated love rock exchange with each member painting something for Christmas. Peppermint ice cream and cookies were served to close the party.

The club decided to give money to their annual charity groups. The club will not meet again until next February. Carol Aude and Bonnie Priefert will be the first 2018 hostesses.

Bruning-Davenport ignites thinking

Bruning-Davenport USD drew students into learning with "Ignite Your Passion" Day. Above, Davenport Middle School students Frank Jackson and Colten Houser try their hand at creating circuits while instructor Elaine Warner assists. Below, middle school math teacher, Beth Ardissono, helps Hallie Hoins and Addison Brase with an activity involving weaving tongue depressors together and then releasing them to create a shower of jumping sticks. Other activities included coding for flying drones, responsible trapping and working with traps and the effects of Coca-Cola on the body. A lava lamp effect was created with the soda, cooking oil and a reactive agent.

Belvidere

The middle of December and the last week of Nebraska volleyball has arrived. For all you volleyball lovers it is a sad time to see it come to an end. But oh, the good times we have had. Back in September, at the beginning of the season, the Huskers had lost four starters from last year. The team had two new assistant coaches and half of the players on the roster were freshmen or red shirt freshman.

As we know now, this team had just the right mix to get them back to the Final Four. They adopted the slogan, "With each other, for each other!" Coach Cook said, "This is what makes them so powerful!" Powerful enough to get them to play in the Final Four later this week. Twice before he has led them to the Final Four in consecutive seasons, but never a third.

They conquered a great Kentucky team last Saturday night and now on Thursday they have to play the No. 1 team, Penn State, at 6:00 p.m. They must win the right to play for the National Championship on Saturday night in Kansas City. Just can't imagine how nervous the girls must be. I just get nervous putting words down describing it. Does anyone in the Salt Away Investment Club want to bet about it? You can even watch it on the big screen that night!

The 2017 football season is officially over and exciting announcements have been made. Boys from BDS and Deshler were mentioned in the All State line up with some being named as captains. The Kent Williamson's granddaughter was selected as a captain on the All State Cross Country. Abby attends Lincoln East. Might make mention of Sandy and Rich Hoins' grandson was listed as captain of the Class A All State football team. His mother, Heidi Case, attended Hebron High.

Ruth Hobbs had the misfortune to fall and break her pelvis. She is Thayer County Hospital.

In Kearney last week, Gina Hudson was awarded Nebraska

Cattlewoman of Nebraska. At the same banquet, TaraLee Hudson received a custom made gold belt buckle for Senior Beef ambassador.

Thankful for the UCC little church on the corner as they donated over 100 pounds of groceries and also cash to Blue Valley action group. They gave a donation to the Bruning-Davenport and Thayer Central schools for the back-pack program. Fruit baskets are also delivered to the shut-ins.

As the news happened this week, it seemed that John Cook's girl's slogan, can pertain to all of us in all walks of life. With each other, for each other!

Belvidere Woman's Club

The coming of Christmas was celebrated in style by the Belvidere Woman's Club. The club held its annual party last Tuesday evening in their city attire! Perhaps it looked like downtown New York when you saw the women entering in their fur coats, but it really was downtown Belvidere and it was "Puttin on the Ritz" at Toad's.

Before the meal was served, roll call was held with each diner telling a Christmas joke which was tucked in their fancy folded red cloth napkins. Beautiful colored tinsel trees and huge diamond rings were the focus of the fancy tables. Sparkling glass angels given by the hostesses adorned each place along with red nut cups.

The highlight of the evening was the members modeling their fur coats and also telling the history of them. Marilyn Cook stole the show with the modeling of her silver fox fur and "twenties" red hat. As she modeled she sang the words of "Puttin on the Ritz". It was explained to the young junior members that these words
