Christmas program...

The annual Christmas Program was held this past Sunday evening in the Chester United Methodist Church. The program (directed by Dawn Wit and Coleen Cherney) told the story of the first Christmas through stories and songs. It was narrated by the two 'stars' Cambria Dake (old star) and Colter Sinn, who played the new star which appeared in the sky when Jesus was born. A duet version of "Twinkle, Twinkle Little Star" was performed by Cambria Dake and Dakota Cherney. After the story was told, the ensemble filled the stage to sing a few songs, which ended with "We Wish You a Merry Christmas." Closing out the show was a solo performance by Kasey Kalivoda.
