

Tidbits

Correction

In the June 8 issue, the Hebron Journal-Register inadvertently listed Ruth Wagner as the owner of a dilapidated property at 740 Lincoln Ave.

According to the Thayer County Assessor's website, Dwight Colard and Amanda Harrington are listed as the owners.

The newspaper apologizes for any confusion this caused.

Visitor's committee to meet

The Thayer County Visitor's Committee will meet June 16 at 2 p.m. in the courthouse meeting room.

The public is invited.

Deshler to hold library dedication

The new Jennifer Reinke Public Library will be dedicated June 17 at 3 p.m.

The library will also hold open houses from 9 a.m. to 5 p.m., on June 18 and on June 19, from 1 to 5 p.m.

The event was made possible by a \$750,000 challenge grant from Reinke, the 1967 National Spelling Champion. Her gift through the Nebraska Community Foundation, a Nebraska Economic Development grant and generous gifts from the Deshler community made it possible to build the library.

The new library features a children's reading area, genealogy area, casual reading corner and community meeting room.

The dedication will coincide with Deshler Days annual celebration. Residents and visitors will enjoy the high school alumni banquet, children's fishing contest, chicken barbecue, cardboard boat competition, a 5K/10K race, model train open house, petting zoo, chess tournament and a Father's Day dinner.

Fire department street dance July 3

Hebron Volunteer Fire Department will hold its annual street dance with the Caleb Bradley Band July 3 from 8 p.m. to 12 a.m.

The street dance and beer garden kicks off Hebron's Fourth of July activities.

Proceeds are used to purchase new equipment for the department, and this year, air packs are needed.

Algae alert issued for Swan Lake

The state has issued a health alert for toxic blue-green algae at Swan Creek Lake, also known as Willard Meyer Recreational Area in Saline County.

An alert continues to be in effect at Pawnee Lake in Lancaster County.

Samples taken earlier this week at Swan Creek Lake were above the state's health alert threshold of 20 parts per billion of total microcystin, a toxin released by certain strains of blue-green algae.

Although readings at Pawnee Lake were low this week, the alert continues to be in effect, because lakes that are on health alert must have two consecutive weeks of readings below the threshold before the alert is discontinued.

Recreational boating and fishing are permitted, but the public is advised to avoid activities that could involve accidental ingestion of water and to avoid full immersion in water.

People can still use the public areas for camping, picnics and other outdoor activities.

Survivors commemorate another year

By Nancy McGill
Hebron Journal-Register
hebronjnews@windstream.net

More than \$30,000 was raised at this year's Thayer County Relay For Life Golf tournament and cancer survivor's celebration event at the Hebron Country Club June 10.

In her 10th year of helping to organize the annual gathering for survivors, caregivers, family and friends, Virginia Brase looks back even further as a survivor of the dreaded disease that kills over 1,500 people per day.

Fourteen years ago, Brase attended her first Relay ceremony.

"I just believe in Relay For Life and finding a cure," Brase said. "Cancer has affected my family many times. I've lost many friends to cancer."

Brase soldiered on and four years later, discovered she had her own battle to fight against ovarian cancer.

She is a 10-year survivor.

"Each year is a miracle and a gift from God. I just feel very blessed to still be fighting because so many people aren't," Brase said.

At the country club following the national anthem sung by Maggie Harris, Brase stood with the Relay For Life Event Leadership and proudly announced the names, including her co-chair, Sheena Moeller:

Andi Domeier, Molly Trausch, Kris Miesner, Naomi Grupe, Becky Cahill, Connie Eitzmann and Jamie Koch.

The event also had DJ Dustin Dana providing music, Pastor Mark Baldwin for the opening prayer and Dave Rinehart as the emcee. All volunteered.

JR Photo/Nancy McGill

Thayer County's 14th Relay For Life and Golf Tournament were held at Hebron Country Club June 10. The Survivor and Caregivers' Lap was led by Lyle Johnson, Sandy Mertens, Jennifer Reinke, Cassie Wilbek and Linda Johnson.

Among the survivors, purple was the dominate color in honor of the theme this year, "Paint Your World Purple."

Eight teams were recognized - The Believers from Bruning; Double D's, Deshler; Hope Rockers, Deshler; God Squad, Bryon; Happy Feet, Davenport; TCHS Warriors, Hebron; Cancer Kickers, Davenport; and Cargill, Hebron. The Hope Rockers won the frozen T-shirt contest.

Prior to the opening ceremonies, Thayer County Health Services donated hamburger and hot dog meals.

The Hebron Rotary Club grilled about 250 hamburgers and 100 hot dogs and then served the meal.

It was the first year Relay For Life took to putting its way to a cure on the golf course. Brase thanked everyone for playing.

"We had a good response," she said.

The championship flight went to Nate Casey, Thad Mumm, Andrew Wiedel and Brain Wiedel.

Bob and Beth Zeleny and Curt and Kelly Mumm picked up the first flight and Jay Moeller, Tegan Moeller, Eric

Moeller and Jeff Utecht were in the second flight.

As an additional fundraiser, Relay For Life moved a pink potty to "Flush Out Cancer" around Hebron, as residents paid to have the potty removed from their yards.

Over a three-day period, the potty was moved through 12 yards, earning \$400.

Brase said the proceeds from this year's event will contribute to education, prevention and ground-breaking cancer research in the quest to find a cure.

Officials look to flood study

Finding the cause and reducing the severity of flooding in Deshler is at the top of the list for local officials.

Thayer County Emergency Manager Bill McPherson said the Deshler City Council and Thayer County are working together to resolve the flooding that has rushed through Deshler and caused nursing home and assisted living residents to seek shelter at Deshler High School for two years in a row.

McPherson said JEO Consulting will assist in writing a grant for a study that will cost government entities \$49,650.

The grant would kick in Federal Emergency Management Agency Flood Mitigation Assistance in the amount of \$25,000, with \$12,150 coming from hazard mitigation funds and \$12,500 from the Deshler.

The City of Deshler will contribute \$8,333 and to make up the difference, \$4,167 will come from the county and Little Blue Natural Resource District.

Chester Fire raises new barn

In early July, the Chester Volunteer Fire Department will take over its new 40 by 40-square foot ambulance barn to continue serving its three rural districts in Nebraska and Kansas.

Secretary-Treasurer Ray Wit said newer fire trucks are larger than their predecessors and more space was needed.

"The fire hall is full," he said.

First Street bridge work underway

Construction workers prepare to sink casing into a drilled shaft at the First Street bridge last week to eventually pour concrete. The 220-foot bridge, which was raised about three feet, should be finished in November.

Davenport foundation eager to start phase two of improvements

By Nancy McGill
Hebron Journal-Register
hebronjnews@windstream.net

After more than a year of working on a \$50,000 grant from the United States Department of Agriculture, President Jerry Brase of the Davenport Community Foundation sees the fruit.

The grant was awarded in May and will go toward the foundation's second phase of raising a new medical clinic in a 30 by 48-square foot Morton building.

"Our foundation is extremely appreciative of being awarded this \$50,000 grant for the clinic and are excited to begin construction on this project," Brase said in a USDA news release. "The present building has been a vital part of Davenport for 40 years."

Rural Development Community Program Specialist for USDA, Janice Stopak, said it is rewarding to help rural communities with healthcare needs.

"Funds will assist in the construction of a new clinic in downtown Davenport that will be leased to Thayer County Hospital," Stopak said.

Brase said the community has also been generous in supporting the new facility.

"We received lots of personal donations and the USDA grant. It will help put us where we can go ahead and get started," foundation board member, Loma Grone, said.

The foundation itself has kicked in \$152,200, a \$25,000 donation came from Cornerstone Bank, along with the donations from the community.

"That's a lot of money for this small community," Grone said.

A ground-breaking has been planned for the new clinic June 20 at 9 a.m. in Davenport.

Brase said the clinic will feature four exam rooms, an office and reception area, and a U-shaped drive for access to the front enclosure.

Parking will be off street and on the north side of the building.

The present clinic building, which is right next door, will be gutted and converted into a wellness center, the foundation's third phase. The first was the playground, dedicated in June of 2015.

Brase said the Village of Davenport contributed to the playground project.

The wellness center became a reality as the foundation held a town meeting in March of 2014. Upgrades were needed on the present clinic.

"We determined that this (the center) is what the community wanted," Grone said.

The grant was funded through the USDA Rural Development Community Facility Direct Loan and Grant Program. Funding was also utilized from the USDA Rural Development Economic Impact Initiative Grant program.

The programs can be found at usda.gov.

The USDA stated under President Barack Obama's leadership, investments have been made in rural America's housing, community facilities, businesses and infrastructure, which has empowered rural areas to strengthen the economies of small towns and rural communities, and the economy at large.

The investments in rural areas support the rural way of life that stands as the backbone of American values, stated the USDA.

120 Years Ago

These are the longest days of the year.

Nebraska prairies are beautiful with their undulating seas of green.

Miss Inez Hay has bought the millinery business of Mrs. M. Correll.

The name of Willard W. Morgan, of Belvidere, appears among the list of soldiers awarded pensions the past week.

We hear that fried chickens are about ripe.

Among the list of Nebraska patents we notice the name of Daniel Harmon, of Davenport, on a road grader and ditcher.

The city scales have been moved to the west side of the opera house and H. B. David will hereafter see that the scales of justice are evenly balanced.

A more worthy pension could not have been awarded than the one allowed Lewis Keiser, of Hubbell, which was passed by congress the 10th. Mr. Keiser, who was a faithful old soldier during the rebellion, has been entirely helpless for years, and much in need of this tardy recognition of justice.

Miss Ethel Berkey, one of Thayer County's children and for the past five years a successful teacher in the public school, departed Thursday for her new home in Los Angeles, Calif., where her parents, Mr. and Mrs. B. F. Berkey, and family now reside. Mrs. Geo. Wolff and family departed Wednesday for their new home in Pittsburgh, Pa., where they will join Mr. Wolff, who has been employed there for two years past, thinking an eastern climate better adapted to his condition of health.

Carleton: Leslie Smith and Elmer Thompson were of the same mind last Sunday, June 7, and at the same time and place were married respectively to Grace and Edith Bradley, daughters of W. F. Bradley, at the home of the brides.

Chester: Grace M. Garvin and M. L. Lasby were united in marriage by Dr. F. S. Stein, of Lincoln, on June 13...Mr. Cleaveland and his sister, Mrs. Mary Thompson, started Wednesday morning for an extended visit to a brother residing in Bozeman, Mont. This will be their first meeting in over 30 years...J. M. Howard and Arthur Lasby came in Friday from Colo. The former has been working the past six months in Cripple Creek and Colorado Springs. Mr. Lasby has been living near Falcon, Colo., for the last three years, but intends remaining in this vicinity, where he is one of the heirs to an estate soon to be divided.

1906

110 Years Ago

The Board of Equalization has been wrestling with kicking taxpayers this past week.

Carroll Knodel went to Kansas City Wednesday to compete for the high-jump championship in the track meet between the Nebraska State University and the Kansas City Athletic Club.

Married on June 12 by Judge J. B. Skinner, Mr. Nelson Gas-

kell to Mrs. Alice Adams, both of Hubbell.

The following dispatch, under date of June 10, from Table Rock, will be of local interest: "The four-year-old child of Mr. and Mrs. E. E. Groves, who live near the depot, died yesterday of malignant diptheria, and was buried at 4:30 this afternoon. The house has been quarantined since Sunday last, at which time the disease developed. Mr. Groves is an assistant at the depot and the family moved here recently from the vicinity of Hebron."

F. Hutchinson and wife, after a two-year absence trying to find a soft spot anywhere on the Pacific coast, decided there was no place like home, and in accordance with our "I told you so" have returned to Nebraska, which Mr. Hutchinson says looks might good to him.

The Whitney Biascope Co. that comes to the opera house, Friday, June 15, will have in addition to their large collections of films, several scenes of the San Francisco earthquake and fire.

Davenport: An electric light plant for Davenport seems to be an assured thing. Mr. Herndon informs us that over 400 lights have been subscribed for, which is a sufficient guarantee, and work will probably commence in about two weeks.

Belvidere: Bertha Morgan has returned home from Murray, Idaho, where she filled the position as principal of their high school the past winter.

The mistake of an undertaker at Red Lodge, Mont., in mixing the shipping tags on the coffins of the deceased miners who had died the death of heroes in trying to rescue their comrades, caused an unfortunate mix-up in sending the corpses to the wrong destinations. Joe Bracy resided in this county, northwest of Belvidere, about five years ago, but moved with his family to Red Lodge, Mont., where he had employment as a miner. During the recent mine disaster, Mr. Bracy with other went to the relief of their dead comrades, and was himself overcome with the fire damp. The funeral was to have been held at Belvidere on the arrival of the train Tuesday, but on opening the coffin the corpse was discovered to be that of another man, although it was labeled Joe Bracy. Friends immediately telegraphed to the Union Depot at St. Joe and intercepted the other corpse, supposed to have been Roy Carey of Bloomfield, Iowa, who was being accompanied home for burial by John Andrews. Mr. Andrews at once came to Belvidere on the Grand Island with Mr. Bracy's funeral was held at the Christian Church at Belvidere, Wednesday morning. Mrs. Bracy, who was formerly Miss Arnold, will remain with her two children in Belvidere. Another baby who died about a month ago, was also brought back here for burial.

Good catch...
Luke Kroll and Gavin Kroll floated down the Little Blue River Saturday morning on a fishing trip with their dad Dan and grandpa Bill. Luke (l) caught a 20 pounder and a seven pounder. Gavin (r) caught the eleven pounder all of the fish were yellow catfish.

Belvidere

By LaDonna Avers

Once again the nation has been hit with tragedy. The city of Orlando is usually associated with Disney World and happiness. This time it is about 50 helpless people killed and 53 injured by an American born and educated man who decided to make bad times for many people. Even though Midwesterners are removed, it still strikes the heart of every American.

The Whistle Stop Train Committee met this past week. Now that the bathrooms are completed, the group discussed future projects. Those on the agenda are the laying of brick on the dock in front of the depot, finishing of two rooms, and installing sidewalks leading to various areas.

The committee set the mornings of June 29 and June 30, from 9:30 a.m. to 11:30 a.m., each morning to uncover the wainscoting. It was decided to ask for volunteer help to do this. If you are interested in helping please contact Lance Johnson or Henry Laber. Carol Aude volunteered to maintain the bathrooms. Annette Laber served cookies for lunch.

A tour bus rolled into town to view the Union Pacific depot, which is the last one in the county. They were also touring various depots in the eastern half of Nebraska.

Logan McGinness is now living at Blue Valley Lutheran Home as he is recovering from a stroke. He would appreciate visitors from the area.

Russ and Bonnie Priefert traveled to Lincoln on Sunday. While there they attended

church with their granddaughter, Rubie, and dad, Pete Demma. After treating them to lunch, they visited Russ' sister LaDonna Avers at Gateway Vista. Leah Priefert and Chelsea Dunsmoor also visited her. She will be moving to the Grammercy in a couple of weeks.

Issac Else, son of Tim and Karen Else, got to witness Karen's father, Bud, receive a Quilt of Valor in Norfolk on Saturday. A week earlier he was present for his grandfather Loren receiving his Quilt of Valor in Belvidere. A very nice experience for this young man.

Plans are progressing for the project of retaining the bar-restaurant in Belvidere. If you would like to help monetarily with this venture, please contact Tim Else, Ron Williams, Linda Hudson or Scott Elting. No donation is too large or too small. As Steve Delay of the Thayer County Visitors Committee said, "we need every eating place that we have in Thayer County!"

Opportunity abounds in Belvidere as it is the home of the Thayer County Museum and Whistle Stop Train Watching area. The past few weeks have brought an influx of visitors to the watching area representing many states including, Colorado, New Mexico, Louisiana, California, etc.

Frank and Mary Bruning spent time Sunday, relaxing at their cabin down by Reynolds.

Dianne Waldmeier returned home after a four day trip with her sister to visit relatives at Bloomington, Illinois.

Henry and Annette Laber enjoyed their daughter, Kim Dicamillo, visiting them for the past two weeks. She returned home to Delta, Colo., on Saturday. She traveled by train through the mountains to her home. It was very slow travel as there was a heat warning on the mode of travel. She left from Grand Island.

Harris named to President's honor roll

Cole Harris of Belvidere was named to the Cloud County Community College Spring 2016 President's Honor Roll.

To be named to the honor roll, students must be enrolled in a minimum of 12 hours of college coursework and earned a semester grade point average of 3.9-4.0.

Men's Health Month

June is National Men's Health Month. This is a time to raise awareness about preventable health problems facing men. Health professionals know that early detection and treatment is critical when dealing with any preventable health issue. The challenge with most men is getting them to see a doctor at all, let alone on a regular basis.

Overall, men tend to be less healthy and die younger than women. The "Wear BLUE" campaign was created by Men's Health Network to raise awareness and to encourage men to take better care of themselves. Whether it is your friend, brother, dad, boyfriend, spouse, or boss; show them you care about them and their health by wearing blue on June 17.

All ten of the leading causes of death as defined by the Centers for Disease Control and Prevention (CDC) affect men at a higher rate than they affect women. The National Center for Health Statistics (NCHS) reviewed the leading causes of death among men and found the majority of causes had links to preventable, lifestyle-related behaviors such as poor nutrition and smoking.

According to the CDC, women are 100 percent more likely to schedule an appointment for their annual examinations and preventive services than men. Men need to be encouraged to have the preventive test necessary to help find diseases early; when they're easiest to treat. Men should talk to their healthcare provider about which preventive medical tests they should have.

The following are a few steps men can do to help prevent disease and stay healthy:

- Body Mass Index - or BMI, is a measure of your body fat based on your height and weight. Your doctor can help you determine your BMI or there are many charts available.

- Cholesterol - Men over 35 (or earlier if at risk or with a BMI of 30 or over), should have their cholesterol checked regularly. High cholesterol is a key risk factor for heart

disease.

- Blood Pressure - Men should have their blood pressure checked every two years. High blood pressure increases the chance of getting heart or kidney disease and for having a stroke.

- Cardiovascular Disease - At age 45 and through age 79, men should talk with their doctor about if an aspirin a day could help lower their risk for heart attack.

- Colorectal Cancer - Beginning at age 50 (earlier with family history) and through 75, men should get tested for colorectal cancer. Talk to your doctor to decide which test is best.

- Other Cancers - Men should discuss with their healthcare provider about if they should be tested for prostate, lung, oral, skin, or other cancers.

- Depression - Men, who have feelings of hopelessness or little or no interest in doing things they enjoy, should talk to their doctor. Depression is a treatable illness.

- Diabetes - Men with a blood pressure higher than 135/80, should ask their doctor to test them for diabetes. Diabetes, or high blood sugar, can cause problems with your heart, eyes, feet, kidneys, nerves, and other body parts.

- Tobacco Use - Men who smoke or use tobacco, should talk to their doctor about quitting. There are also test smokers can have done to help diagnose lung cancer.

Recognizing and preventing men's health problems is not just a man's issue. It also affects the women in their lives. It's a known fact that women have a strong influence on their family's health and lifestyle choices. To schedule an appointment to discuss what preventive tests are right for yourself or the man in your life, call your healthcare provider.

Your Guide To A Perfect Wedding
BRIDAL BOUTIQUE
Wedding Good Luck Charms

Couples' wedding days are special moments, ones they hope pave the way to a life filled with happiness and good fortune. That's why the bride and groom surround themselves with close friends and family who want to celebrate and support their new life joined together.

Perhaps due to superstition or tradition, many couples employ some wedding day strategies to increase their good luck. The following are some of the symbols that couples may want to keep an eye out for on the day they walk down the aisle.

- It's good luck for the bride to see a dove on the way to the wedding because doves symbolize peace and prosperity. Because doves mate for life, this symbol is doubly beneficial on a couple's wedding day, as it can be a harbinger of a long, happy marriage and home.
- Some brides believe sugar cubes tucked into their wedding gloves leads to a sweet union.
- Hindu tradition states that rain on a wedding day is good luck. Rain is believed to be a symbol of fortune and abundance, especially after times of drought. What's more, rain can foretell a strong marriage. That's because a wet knot is more difficult to untie.
- Ancient Romans were so concerned with ensuring good luck that they actually studied pig entrails to determine the luckiest time to marry. If they consulted

with the English, they might determine that a wedding shouldn't take place on a Saturday, which is unlucky. English tradition states Wednesday is the best day to get married.

- In Holland, well-wishers would plant pine trees outside of newlyweds' homes as a symbol of fertility and luck.
- Grooms may want to give a coin to the first person they see on the way to their weddings. This is another symbol of good luck.
- Some couples plan to marry during a full moon, because that can symbolize good luck and good fortune.
- On a couple's wedding day, tears from a bride or a child during the ceremony is considered lucky. English folklore suggests that brides who discover spiders in their gowns are in for some good luck.
- The Chinese believe that lighting fireworks at their wedding ceremonies chases away evil spirits. A red umbrella also might be held over a Chinese bride to keep bad spirits at bay.
- Many grooms do not see their brides in their wedding gowns before their wedding ceremonies, feeling it is bad luck if they do. Many brides also do not wear their complete wedding outfits prior to their big day.

Thank You!
The Veterans of Foreign Wars Post 5328 would like to express their gratitude to the citizens of Thayer County and the surrounding area, especially the students and staff of Thayer Central, for their support of the Nebraska Vietnam Combat Veterans Flight to Washington D.C.

We were grateful for a heartfelt welcome home on our return to Omaha.

Its been an honor and a privilege to serve our country to protect the freedoms we all enjoy.

Special Occasions

Happy 50th Anniversary!

Max and Ramona Mumford are celebrating their Golden Wedding Anniversary. The couple were married on June 18, 1966 at the Christian Church of Christ in Chester, Nebraska. Three years ago, Max retired from a 45 year career in the concrete business. The couple have four children and eight grandchildren Travis & Tracy (Reese & Rylee), Tracy & Teresa (Trevor & Morgan), Troy & Angie (Mason & Luke), and Terra (Tory & Trenton). Max and Ramona will celebrate with a family dinner at Cascio's Steakhouse in Omaha. A family vacation is planned for a later date.

The Hebron Journal-Register invites you to share your special occasion announcements with our readers. Contact us at hebronjr@windstream.net or 402-768-6602 for more information. There is a fee associated with published announcements.

Cards of Thanks

Card of Thanks

Thank you to all family and friends for all the prayers, cards, calls and food. Thank you.

KATHY MAMMEN

Oak

By Phyllis Schmitt

Phyllis Schmitt attended Molley Drohman's ball games last Monday evening in Red Cloud and Wednesday evening in Deshler.

Donna Gillan quilted last Monday, then accompanied Cheryl Jensen to Omaha and stayed overnight. They met Gus Glaser for lunch at the Farmhouse Restaurant on Tuesday. Wednesday, Donna accompanied Jim and Terri Oltmans to Crete for Izzy's ball game. Thursday, she joined others for coffee at the Senior Center.

Last Wednesday, several from the area attended Georgia Biltoft's auction.

Phyllis Schmitt attended the brunch at the Midwest Bank on Friday morning. Lola Biltoft was an afternoon visitor. On Saturday, Phyllis accompanied Lola to Hastings, and Saturday evening, Phyllis and Carol Meyer enjoyed supper out at the Fairfield Opera House.

Donna Gillan was a Superior visitor on Saturday. On Sunday, she and other ladies had lunch at Cap's Cafe.

Thursday evening, Gerry Eckles joined others in playing games at the Nelson Public Library. Sunday, being Father Zitek's birthday, Phil and Gerry Eckles attended the potluck dinner at Sacred Heart Catholic Church.

Gaylen and Jackie Cox enjoyed a BBQ at Harlan County Lake with Jeff and Carisa Cox and family Saturday evening.

BVCA partnership building campaign nears 75 percent

The effort to privately fund the rebuilding of BVCA's York Family and Community Service Center, which was destroyed by fire in 2015, is nearing the final stages. More than 75 percent of the \$880,000 project has already been obtained from private donors, foundations, church groups and area businesses with the last 25 percent amount still being sought.

The Peter Kiewit Foundation grant, one of several contributing thus far, was a challenge grant to reach the full goal by a September 30 deadline. BVCA is making a last ditch effort to reach that goal by the end of the summer. All friends of the organization are encouraged to pitch-in where they can.

The center, once rebuilt, will offer the food pantry, all BVCA services from homeless assistance, housing loan assistance, home rehabilitation, food for the elderly, weatherization of homes, down payment assistance, Individual Development Accounts, scholarship applications, Zero to Five Head Start referrals, referrals to the Women, Infant and Children Health Services (WIC), minority health services, volunteer services and Foster Grandparent enrollments, youth services and opportunities, and of course the thrift store to name a few of the

many programs to be offered from the new center.

The Donor Honor Roll will be placed near the entrance to the new center when completed. It will offer several categories for various donors (\$1,000 to \$5,000; \$5,000 to \$10,000; \$10,000 to \$25,000; those of \$25,000 or more; and Sustaining Builders for those donating over \$10,000 each year).

"York has already been very generous," said Richard Nation, the Chief Executive at BVCA, who went on to say, "and we still have other foundations to contact, but we are also hoping the whole community gets involved to help us reach that goal. So far it has been all done privately with no government assistance, which we would like to show can be done without taxpayer assistance."

Lisa Epp the local Family and Community Service Partner, who manages the York site, also commented that "support has come from other areas as well as York," noting that some bargain hunters also shopped at the former York thrift store site.

Contributions can be sent to BVCA, PO Box 273, Fairbury, Nebraska 68352 or to BVCA 3401 North Lincoln Avenue, York, Nebraska 68467. Please indicate for building fund.

ABOUT LETTERS TO THE EDITOR

The Hebron Journal-Register welcomes and encourages letters from our readers. Guidelines include:

- Letters must be signed by the author and include a phone number for contact if there is a problem or to verify the author. If more than one name appears, all signatures and telephone numbers must be included.
- Hand delivered letters with spoken instructions from the letter writer will also be accepted provided the deliverer is the letter writer.
- Letters must be pertinent to our readers, come from our readership area, and deal with something of interest to our readers.
- Letters are not a substitute for advertising and those that appear to be advertising will not be published.
- We reserve the right to choose which letters to publish and to edit for legal or length reasons.

Obituaries

Dorthea Reinke

Dorthea Minna Duensing Reinke, the daughter of William and Ida (Hobelman) Duensing, was born on December 22, 1925, near Deshler. She passed away on June 9, 2016, in Lincoln, at the age of 90.

She was baptized on January 10, 1926, by Rev. L.C. Lentz at St. John Lutheran Church, south of Deshler. She attended Bible school at St. John Lutheran and grade school at District #91. Upon completion of her instruction in the Christian Faith, she was confirmed on May 5, 1940, at St. John Lutheran Church by Rev. L.C. Lentz and was received into communicant membership.

She grew up on the family farm south of Deshler, where she lived until the sudden death of her father in 1947. The family then moved to Hebron. On July 25, 1948, she was united in marriage to Martin Reinke in Grace Lutheran Church in Hebron. The Lord blessed this union with children, James, Yvonne, and Daryl. They lived on a farm northwest of Byron until 1952, and then moved to their farm west of Hebron and lived there for 28 years. They moved to Hebron in 1980 and lived there until moving to Lincoln for their last years.

Dorthea was a faithful, loving wife and mother. She was a member of the Lutheran Church her entire life. She taught Sunday school and was a member of the Lutheran Women's Missionary League. She loved nature and flowers, especially her hybrid irises, where she spent many hours caring for them.

She is survived by her daughter, Yvonne Rauner and husband Robert; daughter-in-law, Lynette Reinke; son, Daryl; grandchildren, Paul and Brian Rauner, Tim, Phillip, and Michael Reinke, and Jordan and Dylan Reinke; and 15 great-grandchildren and two great-great-grandchildren. Other survivors are sisters-in-law, Olga Reinke and Edna Reinke; and many cousins, nieces and nephews.

She is preceded in death by her parents, William and Ida Duensing; husband, Martin; sister, Garnet Koch; son, James; and grandson, Kevin Rauner.

Funeral services were held on June 13, at St. Peter Lutheran Church, Deshler, with the Reverend Brian Francik officiating. Joyce Schmidt was the organist and the congregational hymns were "In the Garden," "How Great Thou Art" and "What A Friend We Have In Jesus."

Casket bearers were Lester Reinke, Robert Reinke, Stanley Reinke, Dennis Schmidt, Jim Rauner and Ken Vogel.

Honorary bearers were Dorothy's grandsons, Tim Reinke, Phillip Reinke, Michael Reinke, Paul Rauner, Brian Rauner, Dylan Rauner and Jordan Reinke.

Burial was in the Deshler City Cemetery.

Memorials have been established to St. Peter Lutheran Church of Deshler or United Leukodystrophy Foundation, in memory of grandson Kevin Rauner.

Price-Urbauer-Ahrendts Funeral Homes of Deshler, Davenport and Hebron were entrusted with these arrangements.

Willard Rieke

Willard W. Rieke, son of Ervina Rieke and Edith (Larkins) Rieke was born January 3, 1921, at Rural Republic County, Kansas, near Chester, and passed away on June 9, 2016, at Thayer County Health Services, Hebron, at the age of 95 years, five months and six days.

He graduated from Chester High School. He was united in marriage to Anita L. Day on March 26, 1942, and to this union were born, Terry and Susan. He served with the United States Army during World War II from September 3, 1943, to December 24, 1945.

He is preceded in death by his parents, Ervina and Edith Rieke; wife, Anita L. Rieke; son, Terry Rieke; brother, Loren; sisters, Velma and Donna.

He is survived by daughter, Susan (Ron) Moxham of Belleville, Kan.; grandchildren, Julie (John) Mues, Angie (Wade) Jensik, Staci

(Brian) McKernan, Randy (Kellie) Rieke, Robyn (John) Schultheiss, Roxann (Gregg) Holliday; great grandchildren, Jackson Mues, Jordyn Mues, Claire Jensik, Emily Jensik, Thomas McKernan, Joseph McKernan, Lukas McKernan, Cole McKernan, Leah Rieke, Sheridan Rieke, Alyson (Schultheiss) Haley, Adam Schultheiss, Sierra Holliday, Camden Holliday, Carson Holliday; daughter-in-law, Karen Rieke-Widhalm of Norfolk; nieces and nephews, other relatives and many friends

Memorial services were held on June 15, at the United Methodist Church, Chester, conducted by Pastor Mark Baldwin.

Inurnment will be in Chester Cemetery, Chester. Military graveside services by the United States Army Honor Guard.

Memorials are directed to the family's choice.

Online condolences and information at www.bachelor-surber.com.

Bachelor-Surber Funeral Home, Chester, is in charge of arrangements.

Area students on honors lists

More than 3,200 students have been recognized for their academic achievements at the University of Nebraska at Omaha (UNO) during the Spring 2016 semester with inclusion on the Chancellor's and/or Dean's List.

Every semester, students are selected for inclusion on the Chancellor's List or Dean's List at UNO due to their high academic performance. For the Spring 2016 semester, 729 were named to the Chancellor's List and 2,560 students were named to the Dean's List.

To qualify for the Chancellor's List, students must earn a grade point average of 4.0 for courses taken at UNO during the semester, provided 12 or more semester hours were completed.

To qualify for the Dean's List, students must earn a GPAS of 3.5 or better for courses taken at UNO during the semester, provided a minimum of 12 semester hours were completed.

McCall Madsen of Hebron was named to the Chancellor's list.

Kyle Dlouhy of Deshler and Thomas Feulner of Hebron were named to the Dean's list.

Loading cars...

Many people on the tour were also interested in the loading of the grain cars for the grain elevator.

Courtesy Photo

Touring Belvidere...

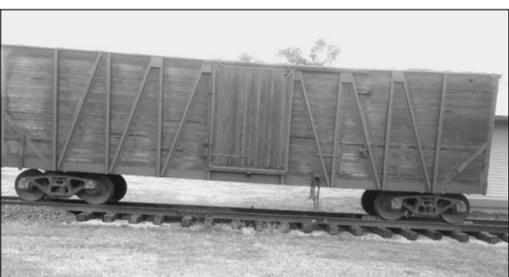

A tour bus of the National Organization of Preserving Depots stopped in Belvidere last week to view the Whistle Stop and the old depot. There were 44 people on the tour. This depot was moved from Alexandria and is the last Union Pacific Depot in the County. Bob Reinke helped coordinate this project.

Courtesy Photo

Minion invasion?...

Belvidere is being invaded by Stuart, Bob and Kevin made by Woman's Club members. No barn quilt makers in this bunch, but perhaps the Minions will be on view for the District 4 workshop being hosted by the local club in July. Soon more will be on display.

Courtesy Photo

Whistle Stop Station...

This is the old wooden boxcar sitting on the track at the Whistle Stop. Visitors on the depot tour commented how old it was since it had the metal straps on the outside. It was moved here with the cooperation of Leonard and Scott Elting and the County.

Chesterfest planning...

The organizers met last Thursday to put the finishing touches on Chesterfest in time for its July 9th return.

JR Photo/Art Whitton

Making improvements...

Road construction began last week on Highway 8 east of Highway 81.

JR Photo/Art Whitton

New construction...

More progress has been made on the CVFD's new ambulance building next to the fire hall.

JR Photo/Art Whitton

Retirement celebration...

The staff at Western National Bank held a party for upcoming retirement of Sue Porter. Sue began working at the bank in 1980 when she and her husband Alan moved to Chester. The bank had been in the Porter family for three generations. Sue worked part-time until 1997 when she began working full time. Sue held many posts while employed by the Chester State Bank and was appointed to serve on its board in 1999. Her favorite aspect of working at the bank over these many years was all of the wonderful people she met.

Davenport Senior Dinners

Exercise Monday, Wednesday and Friday at 9:30 a.m.
Monday, June 20: St. Louis rib, potatoes O'Brien, corn, sliced pears. *Link-O.*

Public Notices

Commissioners Proceedings

June 8, 2016

The Thayer County Board of Commissioners met in open, and public, session in the commissioner's room of the courthouse at 9:09 a.m. on June 8, 2016. Present were Commissioners Dave Bruning, Chris Frye, Dean Krueger and County Clerk, Marie Rauner.

Dave Bruning, chairman of the board, called the meeting to order. Public meeting laws are posted and available on the north wall of the meeting room, in compliance with Nebraska statutes.

The minutes from the previous meeting were mailed to the commissioners for review. Chris Frye moved and Dean Krueger seconded to approve the minutes from the May 25, 2016 meeting. Result of vote: Frye-yes, Krueger-yes, and Bruning-yes. Motion carried.

George Gerdes, Thayer County Road Superintendent, met with the commissioners to discuss ongoing road projects and give a department update.

Don Calahan, Mayor for the Village of Carleton, met briefly with the commissioners to discuss the blacktop south of Carleton. He was advised that the road department will be removing the black top to the bridge and the road will be reverted back to gravel.

Carmen Hinman, director for the Hope Crisis Center, presented the annual report for her agency and requested an annual fund request for \$4,642.00. No action was taken by the board at this time.

William McPherson, emergency management, met to discuss a letter of commitment for the Flood Mitigation Assistance Grant. The letter won't be needed at this time since the City of Deshler will be the applicant and other agencies will be involved for the financing.

Gary Watson, courthouse maintenance, met with the commissioners to seek commitment to add a pergola over the table on the south corner of the courthouse before the landscaping is finished. The renovation committee will review the plan for approval. He also requested approval for a sidewalk from the law enforcement entrance to the street parking. Board members will discuss with the road superintendent the option of having the road department install the sidewalk.

Chris Frye made a motion and Dean Krueger seconded to approve the salary claims being processed by the county clerk. Result of vote: Frye-yes, Krueger-yes, and Bruning-yes. Motion carried.

There being no other business to come before the board the chairman adjourned the meeting at 11:09. The board will convene on June 22, 2016 at 9:00 a.m.
I, the undersigned County Clerk in and for the County of Thayer, hereby certify that all the subjects included in the foregoing proceedings were contained on the agenda for the meeting and kept continually current and were contained on said agenda for at least 24 hours prior to said meeting. The agenda is available for the public in the office of the Thayer County Clerk. A notice of said meeting was published in the Hebron Journal Register and the Deshler Rustler.
These proceedings have been written and available for public inspection within 10 working days and prior to the next convened meeting. The complete text of resolutions and agreements is available in the office of the Thayer County Clerk.
Each commissioner signed the agenda stating a copy was received in the mail. Said agenda is on file in the Thayer County Clerk's office.
Equal Employment Opportunity Statement
Thayer County does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or the provision of services. Commissioner agenda and minutes are available at www.thayercounty.ne.gov

to keep the same. Quotes were presented to update the Opera House main room ceiling and add new lighting. Bentley motioned to hire Krest Contractors to do the ceiling at an estimate of \$16,200 for labor & materials. Seconded by Catlett, all in favor (except Krehnke abstained), the motion carried. Motioned by Catlett to hire Bowman Electric to put in new LED lighting for an estimate of \$4,630, seconded by Hulse. All in favor, motion carried.

New Business; Building Permits: motioned by Catlett to approve Speakman's kitchen addition, seconded by Hogeland. All in favor (Krehnke abstained), the motion carried. Motioned by Bentley to approve Hergott's garage approach, seconded by Hulse. All in favor, the motion carried.

Motioned by Catlett to approve the resolution to accept the Lower Big Blue & Little Blue Hazard Mitigation Plan, seconded by Hulse. All in favor the motion carried. Motioned by Hulse to approve the renewal of the Thayer County Sheriff's contract for 2016-17, seconded by Hogeland. All in favor, the motion carried. Motioned by Catlett to approve the renewal of the Village membership to NeRWA for 2016-17, seconded by Krehnke. All in favor, the motion carried. Motioned by Krehnke to approve Blobaum & Busboom, PC's contract to complete the Village's audit for 2017-19, seconded by Catlett. All in favor, the motion carried. The board discussed the new insurance carrier for the Village and VFD.

No changes to the VFD roster received. No Sheriff's report. Utility Superintendent Houser reported that the Village's State Inspection went well and passed. He discussed what the inspector recommended to store the generator at the Well House. He will be on vacation the week of the 5th of July. He brought up to the board a question about continuing to locate the water & sewer line outside of our obligation. The board does not want to stop doing this. He discussed hiring summer help to paint throughout the town. Motioned by Krehnke to hire the teenager at minimum wage (\$9 per hour), seconded by Catlett. All in favor, the motion carried.

Treasurer Bentley gave her report.

Clerk Krehnke reported on the updated status of dog tags and those residents who have been given notice for not licensing their dog(s). She brought to the board the complaints of a resident for a dog running loose that has a violent demeanor and unlicensed vehicles at a residence. She reported all meters are working excepted the Church meters still needs replaced. She discussed the possible disconnects in town, one of which cannot be shutoff do to not being able to locate the curbstop. The board asked to get a quote on adding a curbstop. She gave the board her schedule changes for the month. The office will not open till after noon on the 21-23 as she will be volunteering at VBS. She will also be gone all day on the 15th to attend water school.

Being no other business a motion was made by Hulse to adjourn at 8:50pm, seconded by Hogeland. All in favor, motion carried.

Public Notices

VILLAGE OF GILEAD REGULAR MEETING JUNE 7, 2016

The Village Board met in public session on June 7, 2016 at 7:00 pm at the Village Hall. Notices were printed on resident statements and published in the Hebron Journal as well as posted at the USPO, Village Hall, and Pioneers Inn. Roll call was taken; board members present were Lyle, Larry, DeWayne, and Mike. Also present was Dave Taladey with SENDD Linda Abelson village clerk. Minutes from the May 2016 meeting were read. There were no corrections to the minutes. The treasurer's report was reviewed. Mike made a motion that the bills be paid as presented. DeWayne seconded, all in favor, motion carried. The bills that were paid are: Salaries \$876.81, Fairbury Light & Water \$2350.68, Hebron Journal \$16.02, LBPWP \$18.15, Garbage South \$175.00, Linton engine \$21.00 and Schmidt's Inc. \$375.00. The board discussed past due utilities and their options of collection on past due accounts. Dave Taladey from SENDD explained the next steps to take on the lagoon project and answered questions the board had. Larry made a motion to authorize the village chairman and Midwest Appraisal to purchase the property needed for the lagoon

project and go to closing based upon the receipt of CDBG funds and loans/grants from the USDA to fund the total purchase. Motion was seconded by DeWayne, all in favor, motion carried. Mike made a motion to authorize the procurement of a project engineer if not already completed under phase 1. Motion seconded by DeWayne, all in favor, motion carried. The purchase of new tables was discussed from a new vendor and the fact that we could get a better deal when purchasing 8 tables instead of the 5 discussed last month. Mike made a motion to go ahead with the new vendor and the purchase of 8 new tables. Motion seconded by DeWayne, all in favor, motion carried. The Village clerk presented the resolution asking the board to approve the lower big blue and little blue hazard mitigation plan. Mike made a motion to allow the village chairman to sign it. Motion seconded by Larry, all in favor, motion carried. The board discussed the need to gravel alleys around town; Lyle presented a quote he had received from McBride. Mike made a motion to allow up to \$1500.00 for purchase of gravel to repairs alleys. Motion seconded by DeWayne, all in favor, motion carried. The Village clerk presented the statement she received from

plumbing. If you are concerned about elevated lead levels in your home's water, you may wish to have your water tested. Flushing your tap for 30 seconds to 2 minutes before using your tap water will clear the line of any lead that may have leached into the water while the line was idle. Additional information is available from the Safe Drinking Water Hotline (800-426-4791) or the Department of Health and Human Services/Division of Public Health/Office of Drinking Water (402-471-2541). The City of Hebron is required to test for the following contaminants: Coliform Bacteria, Antimony, Arsenic, Asbestos, Barium, Beryllium, Cadmium, Chromium, Copper, Cyanide, Fluoride, Lead, Mercury, Nickel, Nitrate, Nitrite, Selenium, Sodium, Thallium, Alachlor, Atrazine, Benzo(a)pyrene, Carbofuran, Chlordane, Dalapon, Di(2-ethylhexyl)adipate, Dibromochloropropane, Dinoseb, Di(2-ethylhexyl)phthalate, Diquat, 2,4-D, Endothal, Endrin, Ethylene dibromide, Glyphosate, Heptachlor, Heptachlor epoxide, Hexachlorobenzene, Hexachlorocyclopentadiene, Lindane, Methoxychlor, Oxamyl (Vydate), Pentachlorophenol, Picloram, Polychlorinated biphenyls, Simazine, Toxaphene, Dioxin, Silvex, Benzene, Carbon Tetrachloride, o-Dichlorobenzene, Para-Dichlorobenzene, 1,2-Dichloroethane, 1,1-Dichloroethylene, Cis-1,2-Dichloroethylene, Trans-1,2-Dichloroethylene, Dichloromethane, 1,2-Dichloropropane, Ethylbenzene, Monochlorobenzene, 1,2,4-Trichlorobenzene, 1,1,1-Trichloroethane, 1,1,2-Trichloroethane, Trichloroethylene, Vinyl Chloride, Styrene, Tetrachloroethylene, Toluene, Xylenes (total), Gross Alpha (minus Uranium & Radium 226), Radium 226 plus Radium 228, Sulfate, Chloroform, Bromodichloromethane, Chlorodibromomethane, Bromoform, Chlorobenzene, m-Dichlorobenzene, 1,1-Dichloropropene, 1,1-Dichloroethane, 1,1,2,2-Tetrachloroethane, 1,2-Dichloropropane, Chloromethane, Bromomethane, 1,2,3-Trichloropropane, 1,1,1,2-Tetrachloroethane, Chloroethane, 2,2-Dichloropropane, o-Chlorotoluene, p-Chlorotoluene, Bromobenzene, 1,3-Dichloropropene, Aldrin, Butachlor, Carbaryl, Dicamba, Dieldrin, 3-Hydroxycarbofuran, Methomyl, Metolachlor, Metribuzin, Propachlor.

NOTICE OF SALE
NOTICE IS HEREBY GIVEN that:
1. The following described real estate:
Lots Nine and Ten (9 & 10), Block Eleven (11), Original Town of Alexandria, Thayer County, Nebraska, shall be sold, by the Chairman and Board of Trustees of the Village of Alexandria, Nebraska pursuant to the terms of this resolution.
2. The above described real estate shall be sold at public auction to be conducted by the Chairman and Board of Trustees at the regular meeting to be held Wednesday, August 10, 2016 at 7:00 p.m.
3. The property shall be sold to the highest bidder on the following terms:
a. The minimum price for commencement of bidding shall be \$1,000.00, with a ten percent (10%) down payment required upon final bid acceptance;
b. The Chairman and Board of Trustees of the Village of Alexandria, Nebraska reserve the right to reject any and all bids and to waive any irregularities in the bidding process;

c. The conveyance of the above described real estate to the successful bidder will be by Quitclaim Deed, as the Village of Alexandria does not warrant title to the property;
d. Any conveyance is subject to the reservation by the Village of Alexandria, Nebraska of all existing municipal easements over, across and under the above described real estate;
e. The use, by any successful purchaser of the above described real estate, must be in conformance with all existing zoning and nuisance regulations;
f. The sale to the successful bidder shall be confirmed by ordinance, subsequent to the acceptance thereof and receipt of the bid amount; and
g. The property is sold "as is." The Village of Alexandria makes no warranty, either expressed or implied as to the condition of the property.
4. Subsequent to the passage of this resolution directing the sale of the above described real estate, notice of the proposed sale and the terms thereof shall be published once each week for three (3) consecutive weeks in *The Hebron Journal-Register*, a legal newspaper published in or of general circulation within the Village of Alexandria, Nebraska.
5. If within thirty (30) days after the third publication of the notice referred to above, a remonstrance against the proposed sale is signed by registered voters of the Village equal in number to thirty percent (30%) of the registered voters of the Village voting at the last regular municipal election held therein and is filed with the Chairman and Board of Trustees of Alexandria, Nebraska, such property shall not then, nor within one year thereafter, be sold. The determination of the sufficiency of any remonstrance and the procedure to be followed shall be conducted in accordance with the provisions of Neb. Rev. Stat. § 17-503.
6. Following (a) passage of this resolution directing a sale; (b) publishing of the notice of proposed sale, and (c) passing of the thirty (30) day right of remonstrance, the property shall then be sold.
Dated this 8th day of June, 2016.

Additional information is available from the Safe Drinking Water Hotline (800-426-4791) or the Department of Health and Human Services/Division of Public Health/Office of Drinking Water (402-471-2541). The City of Hebron is required to test for the following contaminants: Coliform Bacteria, Antimony, Arsenic, Asbestos, Barium, Beryllium, Cadmium, Chromium, Copper, Cyanide, Fluoride, Lead, Mercury, Nickel, Nitrate, Nitrite, Selenium, Sodium, Thallium, Alachlor, Atrazine, Benzo(a)pyrene, Carbofuran, Chlordane, Dalapon, Di(2-ethylhexyl)adipate, Dibromochloropropane, Dinoseb, Di(2-ethylhexyl)phthalate, Diquat, 2,4-D, Endothal, Endrin, Ethylene dibromide, Glyphosate, Heptachlor, Heptachlor epoxide, Hexachlorobenzene, Hexachlorocyclopentadiene, Lindane, Methoxychlor, Oxamyl (Vydate), Pentachlorophenol, Picloram, Polychlorinated biphenyls, Simazine, Toxaphene, Dioxin, Silvex, Benzene, Carbon Tetrachloride, o-Dichlorobenzene, Para-Dichlorobenzene, 1,2-Dichloroethane, 1,1-Dichloroethylene, Cis-1,2-Dichloroethylene, Trans-1,2-Dichloroethylene, Dichloromethane, 1,2-Dichloropropane, Ethylbenzene, Monochlorobenzene, 1,2,4-Trichlorobenzene, 1,1,1-Trichloroethane, 1,1,2-Trichloroethane, Trichloroethylene, Vinyl Chloride, Styrene, Tetrachloroethylene, Toluene, Xylenes (total), Gross Alpha (minus Uranium & Radium 226), Radium 226 plus Radium 228, Sulfate, Chloroform, Bromodichloromethane, Chlorodibromomethane, Bromoform, Chlorobenzene, m-Dichlorobenzene, 1,1-Dichloropropene, 1,1-Dichloroethane, 1,1,2,2-Tetrachloroethane, 1,2-Dichloropropane, Chloromethane, Bromomethane, 1,2,3-Trichloropropane, 1,1,1,2-Tetrachloroethane, Chloroethane, 2,2-Dichloropropane, o-Chlorotoluene, p-Chlorotoluene, Bromobenzene, 1,3-Dichloropropene, Aldrin, Butachlor, Carbaryl, Dicamba, Dieldrin, 3-Hydroxycarbofuran, Methomyl, Metolachlor, Metribuzin, Propachlor.

Contaminants that may be present in source water include:
* Microbial contaminants, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations and wildlife.
* Inorganic contaminants, such as salts and metals, which can be naturally occurring or result from urban storm water runoff, industrial, or domestic wastewater discharges, oil and gas production, mining, or farming.
* Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban storm water runoff, and residential uses.
* Organic chemical contaminants, including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production, and can also come from gas stations, urban storm water runoff, and septic systems.
* Radioactive contaminants, which can be naturally-occurring or be the result of oil and gas production and mining activities.
Drinking Water Health Notes:
Some people may be more vulnerable to contaminants in drinking water than the general population. Immunocompromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by *Cryptosporidium* and other microbial contaminants are available from the Safe Drinking Water Hotline (800-426-4791).
Infants, young children, and pregnant women are typically more vulnerable to lead in drinking water than the general population. It is possible that lead levels at your home may be higher than at other homes in the community as a result of materials used in your home's

plumbing. If you are concerned about elevated lead levels in your home's water, you may wish to have your water tested. Flushing your tap for 30 seconds to 2 minutes before using your tap water will clear the line of any lead that may have leached into the water while the line was idle. Additional information is available from the Safe Drinking Water Hotline (800-426-4791) or the Department of Health and Human Services/Division of Public Health/Office of Drinking Water (402-471-2541). The City of Hebron is required to test for the following contaminants: Coliform Bacteria, Antimony, Arsenic, Asbestos, Barium, Beryllium, Cadmium, Chromium, Copper, Cyanide, Fluoride, Lead, Mercury, Nickel, Nitrate, Nitrite, Selenium, Sodium, Thallium, Alachlor, Atrazine, Benzo(a)pyrene, Carbofuran, Chlordane, Dalapon, Di(2-ethylhexyl)adipate, Dibromochloropropane, Dinoseb, Di(2-ethylhexyl)phthalate, Diquat, 2,4-D, Endothal, Endrin, Ethylene dibromide, Glyphosate, Heptachlor, Heptachlor epoxide, Hexachlorobenzene, Hexachlorocyclopentadiene, Lindane, Methoxychlor, Oxamyl (Vydate), Pentachlorophenol, Picloram, Polychlorinated biphenyls, Simazine, Toxaphene, Dioxin, Silvex, Benzene, Carbon Tetrachloride, o-Dichlorobenzene, Para-Dichlorobenzene, 1,2-Dichloroethane, 1,1-Dichloroethylene, Cis-1,2-Dichloroethylene, Trans-1,2-Dichloroethylene, Dichloromethane, 1,2-Dichloropropane, Ethylbenzene, Monochlorobenzene, 1,2,4-Trichlorobenzene, 1,1,1-Trichloroethane, 1,1,2-Trichloroethane, Trichloroethylene, Vinyl Chloride, Styrene, Tetrachloroethylene, Toluene, Xylenes (total), Gross Alpha (minus Uranium & Radium 226), Radium 226 plus Radium 228, Sulfate, Chloroform, Bromodichloromethane, Chlorodibromomethane, Bromoform, Chlorobenzene, m-Dichlorobenzene, 1,1-Dichloropropene, 1,1-Dichloroethane, 1,1,2,2-Tetrachloroethane, 1,2-Dichloropropane, Chloromethane, Bromomethane, 1,2,3-Trichloropropane, 1,1,1,2-Tetrachloroethane, Chloroethane, 2,2-Dichloropropane, o-Chlorotoluene, p-Chlorotoluene, Bromobenzene, 1,3-Dichloropropene, Aldrin, Butachlor, Carbaryl, Dicamba, Dieldrin, 3-Hydroxycarbofuran, Methomyl, Metolachlor, Metribuzin, Propachlor.

Units in the Table:
ND - Not detectable.
ppm (parts per million) = mg/L (milligrams per liter) - One ppm or one mg/L corresponds to one gallon of water in 1,000,000 gallons of water.
ppb (parts per billion) - One ppb corresponds to one gallon of water in 1,000,000,000 gallons of water.
pCi/L (Picocuries per liter) - Radioactivity concentration unit.
ug/L (micrograms per liter) - Measurement of radioactivity.
RAA (Running Annual Average) - An ongoing annual average calculation of data from the most recent four quarters.
90th Percentile - Represents the highest value found out of 90 percent of the samples taken in a representative group. If the 90th percentile is greater than the action level, it will trigger a treatment or other requirements that a water system must follow.
TT (Treatment Technique) - A required process intended to reduce the level of a contaminant in drinking water.
ZNEZ Wk24-1t

AL (Action Level) - The concentration of a contaminant which, if exceeded, triggers treatment or other requirements which a water system must follow.
MRDL (Maximum Residual Disinfectant Level) - The highest level of a disinfectant allowed in drinking water.
N/A - Not applicable.

Our classifieds are in print and online. Call to place yours today!

Source Water Assessment Availability:
The Nebraska Department of Environmental Quality (NDEQ) has completed the Source Water Assessment. Included in the assessment are a Wellhead Protection Area map, potential contaminant source inventory, vulnerability rating, and source water protection information. To view the Source Water Assessment or for more information please contact the person named on the cover of this report or NDEQ at (402) 471-6988 or go to www.deq.state.ne.us.
In order to ensure that tap water is safe to drink, EPA prescribes regulations which limit the amount of certain contaminants in water provided by public water systems. FDA regulations establish limits for contaminants in bottled water which must provide the same protection for public health.
Sources of Drinking Water:
The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs,

plumbing. If you are concerned about elevated lead levels in your home's water, you may wish to have your water tested. Flushing your tap for 30 seconds to 2 minutes before using your tap water will clear the line of any lead that may have leached into the water while the line was idle. Additional information is available from the Safe Drinking Water Hotline (800-426-4791) or the Department of Health and Human Services/Division of Public Health/Office of Drinking Water (402-471-2541). The City of Hebron is required to test for the following contaminants: Coliform Bacteria, Antimony, Arsenic, Asbestos, Barium, Beryllium, Cadmium, Chromium, Copper, Cyanide, Fluoride, Lead, Mercury, Nickel, Nitrate, Nitrite, Selenium, Sodium, Thallium, Alachlor, Atrazine, Benzo(a)pyrene, Carbofuran, Chlordane, Dalapon, Di(2-ethylhexyl)adipate, Dibromochloropropane, Dinoseb, Di(2-ethylhexyl)phthalate, Diquat, 2,4-D, Endothal, Endrin, Ethylene dibromide, Glyphosate, Heptachlor, Heptachlor epoxide, Hexachlorobenzene, Hexachlorocyclopentadiene, Lindane, Methoxychlor, Oxamyl (Vydate), Pentachlorophenol, Picloram, Polychlorinated biphenyls, Simazine, Toxaphene, Dioxin, Silvex, Benzene, Carbon Tetrachloride, o-Dichlorobenzene, Para-Dichlorobenzene, 1,2-Dichloroethane, 1,1-Dichloroethylene, Cis-1,2-Dichloroethylene, Trans-1,2-Dichloroethylene, Dichloromethane, 1,2-Dichloropropane, Ethylbenzene, Monochlorobenzene, 1,2,4-Trichlorobenzene, 1,1,1-Trichloroethane, 1,1,2-Trichloroethane, Trichloroethylene, Vinyl Chloride, Styrene, Tetrachloroethylene, Toluene, Xylenes (total), Gross Alpha (minus Uranium & Radium 226), Radium 226 plus Radium 228, Sulfate, Chloroform, Bromodichloromethane, Chlorodibromomethane, Bromoform, Chlorobenzene, m-Dichlorobenzene, 1,1-Dichloropropene, 1,1-Dichloroethane, 1,1,2,2-Tetrachloroethane, 1,2-Dichloropropane, Chloromethane, Bromomethane, 1,2,3-Trichloropropane, 1,1,1,2-Tetrachloroethane, Chloroethane, 2,2-Dichloropropane, o-Chlorotoluene, p-Chlorotoluene, Bromobenzene, 1,3-Dichloropropene, Aldrin, Butachlor, Carbaryl, Dicamba, Dieldrin, 3-Hydroxycarbofuran, Methomyl, Metolachlor, Metribuzin, Propachlor.

Scouts tests skills at day camp

Thayer County Cub Scouts went to a day camp at Willard Park hosted by the Cornhusker Council Boy Scouts of America and local Pack 305. The scouts tested their team-building skills, along with operating slingshots, participated in a little science with 2-liter plastic bottles containing dog food for the squirrels in the park and learned safety. After pumping them to create pressure, the bottles took off like rockets. Later, the scouts made bird feeders. Throughout the day, they were able to work on several badge requirements. Thayer is one of eight counties under the Cornhusker Council. Each county held the one-day camp.

Little Blue NRD receives grant from NE Environmental Trust

The Little Blue Natural Resources District will receive \$208,865 from the Nebraska Environmental Trust to help integrate restored wetlands into irrigated agriculture operations. Restored wetlands can provide farm income through grazing and haying, while also providing wildlife habitat.

The "Puddles under the Pivots" grant will complement major funding provided by a Wetlands Reserve Easement Partnership grant from the Natural Resources Conservation Service.

Eligible landowners will enroll lands in a Wetlands Reserve Easement option under the Agriculture Conservation Easement Program. As part of this program, the landowner retains the right to pass a center pivot over the restored wetland.

Fencing and livestock watering equipment, funded by the grant, will allow for grazing in the wetland.

Three of Nebraska's largest pivot manufacturers, Lindsay Corporation, Reinke Manufacturing Corporation, and Valley Irrigation, are also participating in the project through cost-share assistance for center-pivot modifications and through their publicity.

This is the first year of a grant that has potential for second year funding of \$208,865 and third-year funding of \$208,870.

The Little Blue NRD is a core member of the Rainwater Basin Joint Venture, a public-private partnership working to improve and protect wetlands in the Rainwater Basin and habitat in Nebraska's mixed-grass prairies.

The Nebraska Environmental Trust, using revenue from the Nebraska Lottery, has provided more than \$250 million in grants to over 1,900 projects across the state since 1992, and has awarded \$18,799,900 to 118 projects this year.

Workshop teaches judging

The 4-H Poultry Judging clinic taught young students how to evaluate animals and in this case, chicken carcasses. Children learned the interior and exterior qualities of eggs and how to identify the parts of a chicken. Above, Josias and Alerik Gerdes study an egg.

Governor signs Hebron into unique niche

Carleece Kenner, Karin Dominy, Governor Pete Ricketts, John Davis, Sidnee Reinsch, Taryn Tietjen, Jennifer Blair and Jana Tietjen stand in the Warner Chamber at the State Capitol as Hebron was proclaimed Nebraska's Porch Swing Capital June 1.

Chester Fire...

new pumper truck is coming in, thanks to a project spurred by the Kansas Rural Fire Department.

According to a United States Department of Agriculture news release, the Village of Chester is on tap to receive a \$116,000 grant from USDA Rural Development for the ambulance barn and \$2,200 for the village's auditorium sign, which was leveraged with \$12,525 from outside contributions.

"I would like to thank all the people involved in making these projects possible. It was

a long process made easier by the people at the USDA and other government groups," Joe Carbonneau, chairperson of the village board.

The ambulance barn will feature one overhead door and may feature a second door in the future. A meeting room will also be added.

"The large overhead door will make easy access to park the ambulance and space to store equipment, USDA Rural Development Community Program Specialist, Luann Brown. "The barn will strengthen the response

to emergency situations with the easy access in and out of the barn."

On the electric sign, USDA said Chester residents and visitors to the village will be informed of upcoming events.

"Chester is a very supportive community and the leveraged funds for this project speaks well to that," USDA Specialist Mary Sneckenberg said.

Chester Fire has 21 fire fighters and two emergency medical services technicians on staff. Two more EMS technicians volunteer for the department.

JR Photo/Nancy McGill

Two construction workers work on Chester's new ambulance barn. The barn will also feature a meeting room and expected to be completed in early July.

Schreiner to serve as judge for district

Ricky Schreiner was appointed to the First Judicial District by Gov. Pete Ricketts June 8.

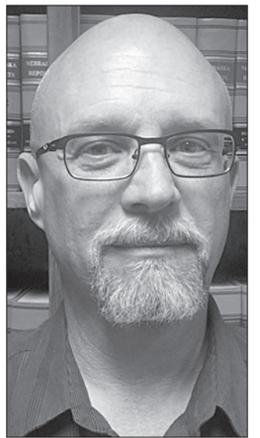

The vacancy was due to the retirement of Judge Paul W. Korslund.

Thayer County is part of the district as well as Clay, Fillmore, Gage, Jefferson, Johnson, Nemaha, Nuckolls, Pawnee, Richardson and Saline counties.

Schreiner, 53, has been the Chief Deputy County Attorney for Gage County since 2007.

His work has included mental health, juvenile court, drug court and prosecution of felony and misdemeanor matters among other areas. Additionally, he is a member of the First Judicial District's "Through the Eyes of the Child" Committee and the Down Syndrome Association for Families of Nebraska.

Previously, he worked in private practice at Fankhauser, Nelsen & Werts, P.C.

in Nebraska City. He also served as a police officer at the Nebraska City Police Department and sheriff's deputy at the Otoe County Sheriff's Department.

Schreiner holds a bachelor of science in criminal justice management from LaSalle University and a juris doctor from Creighton University School of Law.
