Methodist church to host Frankie Valens

Hebron United Methodist Church will host Frankie Valens July 1 at 4 p.m.

A free will offering will be welcome.

Although a nightclub singer in the late 1960's with his signature song, "This Magic Moment," Valens traveled full time with his wife, Phyllis, performing gospel music ministry for seven years.

They came off the road in 1997 to assist churches with their music programs.

As a result, they have resumed their concert ministry on a part-time basis. Rescue missions, the Salvation Army and prisons are additional places they shared their love and message.

Valens also recorded "Smoke Gets In Your Eyes" and "She Cried." He has shared the spotlight with The Byrds, The Platters and The Boxtops.

The family concerts are often described as unique and inspiring. Solos, duets, concert piano numbers, hand-signing and skits are featured.

Parade Grand Marshal announced

This year's Grand Marshal of Hebron's Fourth of July parade will be Lonnie Prah. Prah has welcomed visitors to the World's Largest Covered Porch Swing for years, handing out signature buttons and information on the swing.

The parade is scheduled to begin at 1:30 p.m. Lineup is on South Avenue to Lincoln Avenue as the parade will head west on Lincoln to 4th Street, where it will turn to the south and round Roosevelt Park.

There is no registration for the parade this year and the lineup will be first come, first serve.

Businesses and organizations are encouraged to use signage on their floats because there will not be an announcer.

Early activities include the Hebron Lions Pancake Feed from 7 to 9 a.m.; the 8 a.m. Thayer County Health Services Fun Run; truck show at 8 a.m.; and 10 a.m. Quilts of Valor Presentation at the Majestic Theater.

At 11 a.m., past Mr. and Miss Firecracker winners will be honored, along with the 2017 winners.

The Miss Firecracker contest began in 1991, however, only two names were logged from that time — Amber Moody from 1991 Nicole Norder from 1992.

In 1995, the contest included Mr. Firecracker. The first was Ryan Bulin. In 2016, Owen Hubl took the honor.

Nikki Degenhardt was Miss Firecracker in 1995. Harper Watson won the crown last year.

The contest is sponsored by the Women's Achievement Club. Entries for this year's contest may be submitted at Elaine's Beauty Shop.

Independence Day activities begin on July 1 with machine pitch baseball and Frankie Valens concert at the United Methodist Church.

On July 2, a fireworks show will be given at Hebron Municipal Airport.

The Hebron Volunteer Fire Department Street Dance is July 3 at 8 p.m. with the Caleb Bradley Band.

For a full list of activities, see page 10.

Little Blue Bistro serving twice a day

Thayer County Health Services continues its facility improvements with the Little Blue Bistro, located in the southwest corner of the hospital.

The bistro seats 42 and serves breakfast from 7:30 to 9 a.m. and lunch from 11:30 a.m. to 1 p.m., with an open salad bar.

"It's open to anyone who wants to come in," Nutritional Services Director Jackson Moreno said.

Moreno said the public will be formally welcomed sometime this summer during a grand opening.

On this day, Moreno is offering two types of gouda macaroni and cheese — one with lobster and one without, along with homemade pizzas and steamed vegetables.

Moreno started with the hospital

in February. Most of the construction on the new kitchen, cafeteria and dining area was finished, he said.

They opened in March and Moreno, who has been cooking since he was in high school, began planning menus.

Moreno's time in the kitchen includes the Heritage Care Center in Fairbury, Cornhusker Marriott Hotel in Lincoln, independent catering and a two-year stint with the University of Nebraska-Lincoln Athletic Department.

His experience has taught him he would like to stay away from institutional-style cooking, although he acknowledges people

Big Green spruces up horse barn

The Big Green 4-H club from Deshler stayed busy at the Thayer County Fairgrounds in June. They painted nearly 36 stalls in the 4-H Horse Barn and spent countless hours power washing and scraping aged paint. Now armed with 80 gallons of paint, they hope to finish the community service project this week. The painters are (Front row, left to right) Braxton Peterson, Alex Wright and Riley Farnstrom. (Back) Kayleejo Dunlap, Trevan Anderson, Kaylan Anderson, Makinna Peterson and Jacilyne Peterson. Also helping were Colt, Cooper and Brenton Laaker, Abigail Knigge and Makayla Wright. Club leader is Carrie Anderson.

Sculptures give Hebron character

Leonard Elting believes in aesthetics.

"You have to do something in order to lure people to town. You have to be a little different than the rest," Elting said in his house just east of the first sculpture he brought to Hebron — a buffalo made of sturdy aluminum.

Bighorn sheep on 13th Street and Dove Road.

Nebraska Sandhill Crane.

"It isn't bronze, none of them are bronze. If they were, no one could afford them," Elting said. "I fell in love with the buffalo. People come across from the motel to take pictures."

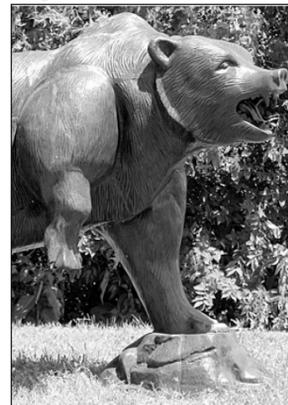

Since the buffalo, Elting has added a number of pieces, including the bighorn sheep on Dove Road and further down, a bear looking down 1st Street.

He thinks they're quite attractive and have the potential to take visitors through town and see what Hebron has to offer.

When Elting started bringing the sculptures, which are ordered through a person in Kansas and made in Mexico, to Hebron, he heard so many compliments, he said he couldn't stop.

"I still have a lion ordered and if I get lucky, it will come," he said. "Hebron just needs some help when it comes to beautifying."

Lincoln has its lightbulbs, bicycles and hearts, he said, and although he thinks the porch swing attraction is a bit worn, he has a couple ideas to revive interest in

it. Replicas of the swing could adorn Lincoln Avenue. Painted with imagination, the replicas could be two seats and promote the Cattleman's Ball as well.

"You might have a judging contest, take the winner and sell it or sell them all for a cancer drive," Elting said.

Instead of replicas, Elting would prefer porch swings people could actually use, either two or four seats.

His ideas are for someone to take up, he said.

It isn't just Hebron Elting likes to beautify. One of his newest pieces is a pig right outside his home.

"I like him," he chuckled. "He's not finished. He needs pink ears and a little red nose — we're going to paint him."

And inside, Elting has a sandhill crane, which is approximately five feet, nine inches tall.

Another piece will be moved. A cougar making its way down a path will eventually take its place at the Nebraska Center for the Education of Children who are Blind or Visually Impaired, where Elting's granddaughter attends. The center's original high school portion was nicknamed the cougars.

An unfinished pig sits in front of Leonard Elting's home.

W. H. Rhodes is learning the harness trade in his father's shop.

Last week S. J. Orendorff disposed of his interest in the Hebron Mercantile Co. to J. R. Elliott.

Richard and Charles Elliott have arrived in Lincoln County, Kan., from San Antonio, Texas, with a herd of nearly 100 ponies. They are expected here next week.

It is now definitely decided that the Denver branch of the C.K. & N. will start from Fairbury, Gilead and Deshler, as well as Hebron, will have to wait until the country east is so filled with roads that they will have to come this way to find room.

Noah Johnson was arrested at the instance of M. G. Leach, of the firm of Steele & Leach, accused of the crime of burglary and theft. Search warrants were issued but no property was found, and after a preliminary examination before J. F. Gates, Esq., defendant was discharged, there not being sufficient evidence to warrant the holding of defendant to district court.

The Hebron Gun Club, composed of 16 members, is rapidly coming to the front as shootists. The officers are O. L. Steele, president; J. M. Bennett, vice-president; G. U. Loeber, secretary and treasurer. Tuesday night of each week is devoted to Peoria blackbird practice shooting and competition for monthly badge occurs the second Tuesday of each month.

Dr. T. D. Bristol is talking of going east to locate, hoping to gain by the change a more lucrative dental and medical business. His many friends are strongly protesting. The community needs just such intelligent, genial, willing, generous, enterprising gentlemen as Dr. Bristol. His absence would be a great loss. We hope all will unite in dissuading him from the proposed change.

Yesterday a picnic party composed of the families of J. F. Gates, E. J. Huse, Mrs. O. M. Boyd and E. M. Correll and County Treasurer John Nightingale and wife, Mrs. W. J. Green and son, Hon. S. J. Alexander, Miss Jessie Bigelow, Miss Eva Benedict, and William Mead, 22 in all, went up the river about four miles, in the steamboat, and had a happy time. The party expressed themselves delights with the ride, the dinner and the social intercourse.

S. J. Orendorff sold his interest in the Hebron Mercantile Company to J. R. Elliot and with his son, Bert, has gone to Pueblo, Colo., where the family will hereafter reside for the benefit of Mr. Orendorff's health, he being troubled with asthma in a severe form. Mrs. Orendorff and the two other children will soon follow.

Eggs, 8 cents a dozen. Butter is 12 1/2 cents a pound. Green peas are worth \$1 per bushel.

The K. P. band took an excursion Monday night on the steamboat and played beautiful music. The band is becoming one of the most proficient in the southern part of the state.

New potatoes are quoted at \$2 per bushel.

W. R. Livesay has bought Flood's interest in the meat market of Church & Flood here and sold half interest in his Belvidere meat market to Church.

Every man who spends his money at the counter of the home merchant contributes to build up the town.

The Alexandria flouring mills are grinding again. It is the intention of the proprietor who lives in the east, to put in roller process machinery soon. J. W. Bliss is manager.

A new addition to Chester has been laid out. The name "Haven Place," has been selected, and the owner, A. A. Fish, will soon have the lots on the market.

H. W. Werner has gone to Lincoln to attend the school of embalming. He intends to devote special attention hereafter to undertaking work.

J. C. Helfrich is manufacturing and selling patent ironing tables, an excellent device to render ironing more comfortable and easy.

Bruning: Vicksburg Post of Strang will hold Memorial services as usual at 11 a.m. Rev. Hawkins will preach the sermon. The old soldiers of this vicinity will attend services at Strang, being the nearest G.A.R. Post...Henry Nippert has just returned from Pottawattamie County, Iowa, where he attended the sickness and burial of his father...Burton Averill has disposed of his property in this place, the residence to Mrs. DeLong and the store to Mr. G. S. Crawford...Amos Yost has bought an 80 acre tract of Sec. 3, T. 4, R. 3, and will build on it soon and will make a dairy farm of it, most of it being swampy land...Dr. Dempster, J. A. Bothwell, L. L. Fowler, C. A. Capron, Jonas Christner and John Daly pumped the hand car to Hebron Monday evening.

Carleton: Mrs. E. P. Quivy, Asst. State Supt. for the Nebraska Children's Home Society, paid our town a visit last week. She presented the word to the German Baptists at their county church a week ago and received very liberal pledges from them. She had with her three little homeless girls from 6 to 12 years of age. Two of them, Edna, 6, and Bessie, 12, are sisters and found homes with Mr. and Mrs. Hinze of Davenport and with Rev. and Mrs. Hiney who live near and labor for the church. This increases the number of children placed by the Carleton local board of this society since its organization Jan 1, 1897, to six.

Balm in Gilead: Mr. Pratt has moved out of his rooms at the rear of the store and will occupy the residence recently vacated by F. Sharp...Mr. and Mrs. Geo. Neeman lost one of their infant boys on Thursday last...C. W. Woltemath finished his spring's farming on Tuesday, and as Mr. Starbuck needs his help in the grain and livestock business, he will not farm this season...Dr. Ammerman is having a good practice and all hands are glad to have a doctor in Gilead...On last Friday, Mr. and Mrs. R. Himes of this place were found to be the happy parents of a lovely baby boy. God's ways are not our ways, so this babe was not given them to keep here below, but was only allowed to suffer earthly griefs and pains for three short days when the Father who gave it took it home again. These young bereaved parents, who have been twice left childless, have the deep sympathy of the whole community.

Chester: The largest and most enthusiastic caucus ever held in Chester was assembled in the A.O.U.W. hall on last Friday night. Dr. Mosshart called the meeting, which was to make arrangements for the holding of an election for postmaster and other business.

Belvidere: John Meinen and family have moved into their new home. It is the finest dwelling in our city and they may justly feel proud of it...Mrs. A. Bruce recently received the sad news of the death of her mother and a sister who resided at Des Moines, Iowa. The news was exceptionally sad for the reason that the death of these loved ones occurred a year ago and Mrs. Bruce was not informed of their death...One hundred five cans of cream were shipped out of this place last week as reported by the three cream stations here.

Mrs. Christy, daughter and son, Grant, came from Lincoln Monday, with the body of the father, I. D. Christy, formerly of this city, but who lately died at his home in Lincoln. The old soldiers assisted at the interment which was in the family lot at Hebron cemetery.

William Bell, an old-time resident of Hebron, was drowned upon his place in Courtland township, Kansas, when he fell into a well.

Adam Werner is repairing the oak paneling under the windows at the courthouse. It seems the woodwork at the time of the building was a "gouge," the wood having been steam dried at the factory instead of air-dried. This is the third time the paneling has been fixed since the building was finished.

John Scoville requests his Journal changed to Diller to

which place the family has moved to run a hotel. After many years residence in this locality the family will be missed by many friends. John says he is going to be a good Presbyterian, a strong prohibitionist and a shouting Republican in Diller. And we're sure that as "mine host" he will be as fat as ever—but we hope no fatter.

Mr. C. Whittaker, of Belvidere, is also an ex-confederate soldier, so Mr. Newman is not "the only."

Thayer County commissioners denied a request to close a public access road June 20 at the regular meeting in Hebron. A hearing was held prior to the judgement, and Bob Werner abstained from the vote stating he regularly used the road in question. Road 5500, between Road S and Road R, is located near Davenport in Thayer County and leads into Fillmore County. Tracy Elting, of Hebron, presented the request. Included in letter form with the request, Elting stated the road had no one living on it, had no gravel, and felt it was "just good for parties and hunters," and those who like to drive muddy or wet roads.

Longtime Hebron resident turns 106: Mabel Holiday didn't move to Hebron until she was 25 years old, when she and husband, Ray, decided to put down roots by opening Holliday's Drug Store. They also purchased a home on Olive Ave., and started a family. The year was 1926, Calvin Coolidge was in office and the nation was at peace although the Great Depression was lurking just beyond the horizon. Mabel lived in Hebron for 34 years, but in comparison to her age, it's just a blip. Last month, on May 6, Mabel turned 106 in a special celebration at her childhood home, where she lived until she was 103, then moved to an assisted living facility.

It was quick work, but Marla Maschmann, Office Administrator at Peace Lutheran Church in Deshler, managed to find 23 volunteers to head south into tornado ravaged Kansas. An impending wheat crop and a need to put cattle to pasture had farmers in storm stricken Greensburg moving through clean-up at an accelerated rate. The group actually worked at Macksville, Kan., Maschmann added, "which is about 35 miles northeast of Greensburg. It wasn't the same tornado that hit Greensburg, but it was one of several that touched down that same night." Maschmann said the group of volunteers helped pick up debris, glass and tree limbs to clear the way for rebuilding. "A second round of storms hit them a couple of days later moving debris piles around," she said. "The work that lies ahead of them is overwhelming."

Durham-Mammen ALA #166 holds meeting

The Durham-Mammen Legion Auxiliary, Unit #166, Bruning, met on June 12, at 7:30 p.m. at the Opera House with nine members present.

President Janelle Bruning called the meeting to order. She read a prayer in the absence of our Chaplain Lola Johnson, followed by the opening ceremony. We all signed a get-well card which will be mailed to Lola.

The minutes of the previous meeting were reviewed. A motion was made, seconded and carried to approve them.

The treasurer Linda Hume gave her report. A motion was made, seconded and carried to approve her report.

Correspondence included a thank you from Jack Birky for the scholarship and a thank you from Phyllis Schoenholz for our help in the "Quilts of Valor" project.

The State Convention will be held in Columbus, June 22-25. At this time no one present is planning to attend.

Vice-president Liz Rinehart thanked everyone who helped put the flags out at the Lutheran and Public Cemeteries before Memorial Day and also those who helped pick them up following the Memorial Day weekend.

Janelle read a list of projects we have completed in the past year. Our unit has been very active in this time.

We discussed holding a soup supper at one of the basketball games in Bruning next winter. Plans are to work with the Carleton Auxiliary on this project. Janelle will check with the school and decided on a date.

We will be making seventeen centerpieces in August, 2018, which will go to the Grand Island Veterans' Home and the Western Nebraska Veterans Home in Scottsbluff.

Liz will check on purchasing extra grave markers for deceased Auxiliary members

and report back at our next meeting.

With no other business to discuss, the meeting was adjourned. Our next meeting will be on August 14, with Kim Ardisson, our Girls' State Representative, giving her report of her week in Lincoln. We will meet at our local cafe and after eating supper together at 6:30 p.m., we will hear her report. Hostesses will be Janelle Bruning and Sue Hinrichs.

At this time, Lillian Lentfer presented the program which included a brief history of how the Gold Star project started. She presented our two Gold Star members in attendance, Pat Headrick and Sue Hinrichs, with a plant in their honor. They appreciated the program and gift very much.

We thank Karen Hinrichs and Audrey Else for the delicious lunch they served.

Health News

Want to feel better, have more energy and even add years to your life? We all know exercise is good for us, but do we know how good? From boosting your mood to improving your libido; exercise has been shown to improve lives.

The health benefits of regular exercise and physical activity are hard to ignore. Everyone benefits from exercise, regardless of age, sex or physical ability. Need more convincing to get moving? The following are ways exercising can lead to a happier, healthier you.

-- Exercise controls weight. Exercise can help prevent excess weight gain or help maintain weight loss. When you engage in physical activity, you burn calories. The more intense the activity, the more calories you burn. Regular trips to the gym are great, but don't worry if you can't find a large chunk of time to exercise every day. To reap the benefits of exercise, just get more active throughout your day.

-- Exercise combats health conditions and diseases. Worried about heart disease? Hoping to prevent high blood pressure? No matter what your current weight, being active boosts high-density lipoprotein (HDL), or "good," cholesterol and decreases unhealthy triglycerides. Regular exercise helps prevent or manage health problems and concerns, including stroke, metabolic syndrome, type 2 diabetes, depression, a number of types of cancer, arthritis and falls.

-- Exercise improves mood. Need an emotional lift? Or need to blow off some steam after a stressful day? A gym session or brisk 30-minute walk can help. Physical activity may leave you feeling happier and more relaxed. You may also feel better about your appearance and yourself when you exercise regularly, which can boost your confidence and improve your self-esteem.

-- Exercise boosts energy.

Winded by grocery shopping or household chores? Regular physical activity can improve your muscle strength and boost your endurance. Exercise helps your cardiovascular system work more efficiently. When your heart and lung health improve, you have more energy for daily chores.

-- Exercise promotes better sleep. Struggling to snooze? Regular physical activity can help you fall asleep faster and deepen your sleep. Just don't exercise too close to bedtime, or you may be too energized to hit the hay.

-- Exercise may put the spark back in your life. Do you feel too tired or too out of shape to enjoy physical intimacy? Regular physical activity can improve energy levels, physical appearance, and may boost your sex life.

-- Exercise can be fun... and social! Exercise and physical activity can be enjoyable. It gives you a chance to unwind, enjoy the outdoors or simply engage in activities that make you happy. Physical activity can also help you connect with family or friends in a fun social setting. So find a physical activity you enjoy, and just do it. Bored? Try something new, or do something with friends. Aim for 150 minutes per week of moderate-intensity exercise, or 75 minutes per week of vigorous exercise.

Thayer County Health Services wants you and your family to be physically active. However, it is important to check with your doctor before starting any new exercise program, especially if you haven't exercised in a while, have chronic health problems, such as heart disease, diabetes or arthritis.

Cards of Thanks

Card of Thanks

We wanted to thank the community for such an amazing turnout for Donovan's benefit in February. We were blown away by the love and support from our small town community and are so grateful for every prayer, well wish and thought extended towards our family.

Special thanks goes to Knights of Columbus, Altar Society, Thayer County Feeders, Deshler Volunteer Fire Department and everyone who contributed to the cause.

A little over a month ago, our family relocated to Louisville, Colo., to be closer to specialized treatments and medical facilities. We were very sad to leave our family and community in Nebraska, however, we feel this is Donovan's best chance at recovery. Please follow along with his updates on his Facebook page: Hope Grows Here for Donovan Yoachim.

Obituaries

Ruth Wall

Ruth M. Wall of Davenport was born May 1, 1932, at Bon Aqua, Tenn., to Lee and Nellie Luther. Of four children, Ruth was the youngest. Due to the death of their mother, all the children were placed in an orphanage. Ruth remained there for five years until the minister of the Church of Christ in Davenport, Clarence Mersch, took Ruth to Nebraska to raise her with his wife Evelyn. Ruth departed this life on August 22, 2017, at the Thayer County Health Services in Hebron, at the age of 85 years.

Ruth was baptized and confirmed at the Church of Christ in Davenport. Ruth went to grades K-12 at Davenport. She excelled in drama and music.

It was at a football game at the age of 14 that Ruth met Leroy Wall. They were later united in marriage on August 21, 1949, at Davenport. The couple celebrated their 65th wedding anniversary. This union was blessed with the birth of four children; sons, Michael and Jerry and daughters, Betty and Patty.

Ruth and Leroy moved to various locations including: Sutton, Edgar (where Leroy worked at the Ammunition Depot near Hastings), Grand Island, Denver, Colo. (where they owned and operated Wall's Lawn Service), and moved back to Davenport in 1993.

Ruth had various jobs throughout her lifetime including: telephone operator, waitress, nurse aide, telephone assembler and bookkeeper. Organizations she belonged to included: VFW, American Legion, and Woman's Club. Some of her favorite activities were square dancing and reading.

She is preceded in death by her parents; husband, Leroy on August 25, 2014; and sons, Jerry and Michael.

Survivors include her daughters, Betty Zimmerman of Henderson, Colo., and Patricia Hanson of Grand Junction, Colo.; 18 grandchildren; 15 great grandchildren; four great great grandchildren; sisters, Delores DeVore, Kerry Mersch and Sue Wenger; nieces, nephews other relatives and a host of friends.

Memorial services were held on June 27, at the Church of Christ in Davenport. Pastor Ron Shields officiated.

Inurnment will be held in the Edgar Cemetery in Edgar.

Condolences may be sent to the family at wsmfh.

com.
Williams Funeral Home of Edgar was in charge of the arrangements.

Steven Dornbierer

Steven Paul Dornbierer was born January 15, 1956, in Orange Township, New Jersey. He passed away June 22, 2017, at his home near Davenport. He had been diagnosed with an aggressive cancer in September, 2016. He was 61 years old.

Steve's parents immigrated to the United States from Switzerland in 1952. Steve grew up working in his father's greenhouses in New Jersey. After high school, he earned an associate's degree in agronomy from SUNY Cobleskill in upstate New York.

His family eventually moved to eastern Pennsylvania and after college he began to farm and feed cattle near his father's greenhouse operation there.

In Pennsylvania, Steve met Penelope Colman, an Australian traveling in the U.S. They were married November 21, 1981, in her hometown of Henty, New South Wales. In 1987 Steve, Penny, and their first two children spent two years working as missionaries in The Gambia, West Africa.

After returning to the U.S., they decided to move west to farm. They relocated to their current property on the Little Blue River between Deshler and Davenport in 1989. In addition to farming, Steve fixed radiators for a time and operated a plumbing business for 11 years. But his passion was farming.

He loved figuring out how things worked, be it engines or irrigation systems, and was happiest when fixing something for someone. He loved growing things and sharing garden produce. Steve's hope and comfort was in the resurrection of Christ and the promise of new life in the Kingdom of God.

Steve is preceded in death by his parents.

He is survived by his wife, Penny; children, Jordan and his wife Aleisa of Sioux Center, Iowa, Danielle (Whigham) and her husband Ehren of Glenwood, Iowa, Becky (Jobman) and her husband Andy of Gothenburg, and Tina of Culver City, Calif.; grandchildren, Gabe, Grace and Ester Whigham, Jack, Henry and William Dornbierer; sister, Helen (Miller) and her husband Bob of New Ringgold, Penn.; as well as nieces, nephews, other family, and many friends.

A celebration of Steve's life was held at Bethel Church, Carleton, on June 27, after a private interment.

Obituaries

William Ortman

William Burdette Ortman of Hebron, the son of Ralph and Estella (Dill) Ortman, was born August 30, 1925, in Belvidere. He departed this life on June 18, 2017, at Blue Valley Lutheran Nursing Home in Hebron, at the age of 91 years.

Bill grew up on a farm in the Belvidere area attending school and graduating from Belvidere High School in 1943. Bill enlisted in the United States Navy on May 31, 1944, serving in WWII, and was honorably discharged April 19, 1946. Bill was a proud veteran continuing to serve many military events including Color Guard and military honor guards for deceased veterans.

After returning home, Bill farmed with his dad on the family farm. Knowing he wanted to marry Joyce Willmore, the couple swiped his dad's 1936 Chevy and traveled to Fort Morgan, Colo., to get married, not telling a soul. This date will always be remembered: May 26, 1948. This union was blessed with the birth of three children.

William Brown

William (Bill) Brown, beloved father, grandfather, and great grandfather, joined his loved ones in heaven on June 17, 2017, in Hebron, at the age of 83 years. He was born March 18, 1934, at Circleville, New York.

Bill leaves behind his daughter, Naomi Tuttle and

son-in-law Michael Tuttle of Alexandria; grandchildren, William Roelfs and wife Terri Roelfs, along with great-grandchildren, Garrett and Cassidy Roelfs of Fairbury; granddaughter, April Roelfs and her fiancé Luke Kling and his great-granddaughter to be Kylee Kling of Fairbury.

Bill served in the USAF and retired after 20 years. He was stationed at Missouri, Illinois, Canada, Korea, Vietnam and the Philippines. He was very proud to be a Veteran and he belonged to the V.F.W. and the American Legion.

Bill enjoyed fishing, to the extent of even making his own wooden fishing bobbers. He started at eight years of age, cutting off his mother's broom handle, then getting spanked with the broom. He has given away his bobbers to almost everyone he has ever met.

Bill was crazy about Christmas. His home was always covered with lights. He was also a great help to Santa Claus. Every year for the last 40 years, he portrayed the "big guy" at nursing homes and other people's homes. In the true spirit of the season, he never charged a fee and provided gifts for young and old out of his own pocket, keeping the spirit of Christmas everlasting.

Bill never met a stranger. He was always ready to help anyone who needed it. He was always ready with a joke.

Gone before him was his wife, Ruby Rose Brown; second wife, Mildred Brown; and lifelong friend, Gertie Courtney.

Gone to Heaven, to the placid waters, Bill can fish forever, tell his fish stories, and meet old friends. Your family will miss you in our lives and the love that you touched us with.

Direct cremation services were chosen. A memorial service in remembrance of Bill will be held at a later date in Milan, Missouri.

Memorials in his honor may be made to the charity of the donor's choice in care of Price Funeral Home, Hebron.

Chesterfest Fireworks...

The event started with a five team co-ed softball tournament on Friday night which ran well into Saturday morning. The next day kicked off with the inaugural Golf Cart / UTV Poker Run. By noon, the vendors at the Art Fair were set up and offering many hands-on activities.

While the art fair was running, a talent show was held in the Chester Auditorium. A good sized crowd was treated to some excellent singing and even participated in an impromptu dance of the "Hokey-Pokey." The talent show participants then took their acts to the main concert stage and began the evenings festivities. A pulled pork dinner cooked by Foote's Cafe kept the crowd well fed as they gathered for the evening concert which featured three bands. Before the last musical set, a great fireworks display was presented by Kleveland Fireworks and the Chester VFD.

Your Guide To A Perfect Wedding

BRIDAL BOUTIQUE

Selecting a comfortable wedding gown

Many brides-to-be visit bridal shops with specific goals in mind regarding the style of their wedding gowns. Some women come equipped with magazine tear-outs or pull up ideas on their mobile phones. Others may have an entire scrapbook filled with various ideas they've been compiling for years.

Much consideration is given to wedding gowns. The cost and silhouette of the dress may garner the bulk of that consideration, but brides might want to spend more time considering comfort.

Depending on the time of day their weddings take place, brides can spend 12 hours or more in their wedding gowns on their wedding day. However, when shopping for their gowns, brides may prioritize beauty over comfort, even though it's entirely possible to find a gown that's both stunning and comfortable. When staff and friends or family who have come along to offer advice start to blush over wedding gowns, brides-to-be may feel pressured to downplay any discomfort they feel.

To make sure brides look flawless and elegant but are still comfortable in their wedding gowns, consider the following tips.

- Know what to highlight and what to cover up. No two body types are the same, and many women feel certain parts of their bodies are their best assets while they want to downplay others. Try on gowns that play up your best features. If you have shapely legs, consider a dramatic gown with a slit to show them off. Certain gowns can enhance the décolleté or show off an hourglass shape. Remember, many gowns can be modified so that you feel secure and confident. Sleeves can be added or fabric placed to cover up any perceived flaws. Confidence and pride are important parts of the comfort factor.
- Get sized correctly. Bridal gown sizes do not coincide with street sizes. Depending on the manufacturer, brides may have to select gowns that are several sizes larger than they would normally wear. This should not be a cause for alarm. Brides should go by their measurements. Attempting to squeeze into a dress that is too small will only lead to discomfort on the wedding day.
- Purchase the right undergarments. Improperly fitting bras, shapewear and other undergarments can lead to discomfort as well. Some seamstresses can sew in supportive cups to remove the need for separate bras. Brides can explore various options to reduce the visibility of certain accoutrements.
- Move around in the gown. Brides should not just stand in front of the mirror and smile when trying on gowns. Put them through their paces. Try sitting, bending and even a little dancing. Make sure the dress is comfortable to move around in.
- Try different options. The gown brides have in mind may not be the one they ultimately go home with. Explore different styles and materials. Choose cooler, breezier fabrics and lightweight gowns, like crêpe, georgette or organza, for summer weddings. Heavier fabrics, such as brocade, may be more comfortable in the winter.

Wedding gowns can be both beautiful and comfortable for those who know how to shop.

Newspapers Top Choice For Local News

People prefer newspapers for their local news over TV and the internet, according to a survey conducted for the National Newspaper Association.

The majority of those who responded, 33 percent, said they preferred newspapers for news about their local community. Thirty percent said they preferred TV (cable/local stations). For community news, local newspapers beat the internet by 3-1, which only received 11 percent of the audience share. Social media came in at just 5 percent, as did radio.

When asked if there were any other sources where respondents got their local news, the majority, 19 percent, said no. Of the others who had picked another main source for local news, the community newspaper came in next at 18 percent.

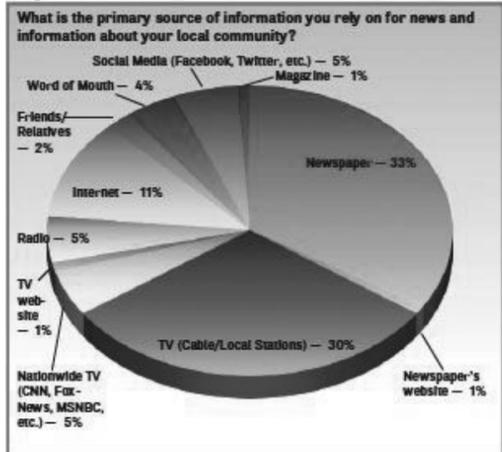

Fifty-six percent of the respondents said they read a print newspaper that covers their community specifically. Four percent read their local paper online only, and 7 percent read it online and in print, bringing the total to 68 percent who read a local paper.

The majority of respondents, 30 percent, have been reading their local newspaper for more than 30 years. The survey highlights the loyalty readers have for their local newspapers. Responses also included:

- Less than 5 years—14%
- More than 5 but less than 10—16%
- More than 10 years but less than 20—22%
- More than 20 years but less than 30—18%

The reason people stick with their local paper is because they want to know about what is going on in their community. Eighty-four percent said they read their local paper for local news, information and obituaries. Only 2 percent read them for state and federal news.

Nearly half, 46 percent, share their newspaper with at least one other person. But the sharing doesn't stop there. Twelve percent share it with at least two people, 10 percent share it with three people, 6 percent share it with at least four people and 8 percent share it with five or more people. That adds up

to 82 percent of local community newspaper readers who share their paper.

The respondents indicated that they are interested in their local communities. More than half, 61 percent, read their local paper for school news somewhat often to very often. Forty-six percent read it for local sports somewhat often to very often. And 60 percent read their local paper for the editorials or letters to the editor somewhat often to very often.

More than half of the respondents, 51 percent, said they read the public notices in their local newspaper somewhat often to very often. Totaling all the respondents showed that 81 percent of the respondents read public notices at least some of the time. Contrast this with the number of people who visit their local government website: Forty-six percent said they never visit their local government site. And just 25 percent said they visit their local government website somewhat often to very often.

The local newspaper is an important part of people's lives, according to the survey. Seventy-five percent of the community newspaper respondents said they look forward to reading their paper. Seventy-nine percent said they rely on it for local news and information. Sixty-seven said it entertains them, and 89 percent said it informs them. The local paper is also important for those who shop locally. Seventy-nine percent said they find their community paper valuable for local shopping and advertising information.

And although political

candidates throw the majority of their ad budgets at TV before elections, it's the local newspaper where people go to learn about those running for office. Forty percent of the respondents said they use the paper to help make up their minds about candidates and elections.

This is probably because the majority of respondents who read their community newspaper said they trust their community newspaper more than any other news source somewhat well to extremely well, 54 percent. Those same respondents said that their paper really understands the things that are for special interest and importance to the people in their area, 76 percent. And 46 percent said their community paper does a better job than other news sources of helping them understand the news somewhat well to extremely well.

For those who read community newspapers, 71 percent said their paper is extremely useful to them personally, from somewhat well to extremely well.

At least 48 percent said they read their community paper somewhat to very often. Only 12 percent said they pay to read the paper's content from its website. Most said they would not be willing to pay for access to news if the paper said it was necessary to charge for internet access to support its newsgathering efforts, 64 percent.

The survey was conducted by Susquehanna Polling and Research based in Harrisburg, PA. From March 6 to April 5, the company contacted 1,000 households across the country.

Davenport ALA 335 meets

The Davenport American Legion Auxiliary met on Monday, June 12, to hold a pot luck supper for their members, guests and to hear reports of the girls that attended Girls State the week prior.

President Sharon Littrel welcomed all to the meeting and led the group in the pledge to the Flag and the common dinner prayer.

Following the evening meal, Deb Albers introduced Caitlyn Beddoe and Skyler Knigge, our representative at Girls State. Both girls reported how much they appreciated their week in learning about county and state government.

This was a week that they will never forget as well as the many friends they made at this time. They were impressed with the speakers during the week and the tour of the State Capital. A special treat was when they visited the National Guard and given tours of equipment used by the military.

They thanked the Auxiliary for electing them to attend the week on campus. Each girls introduced their parents and Deb introduced guest Dona Vorce as a donor in helping with the expense of sending a girl to Girls State.

Following the program President Littrel called the Auxiliary meeting to order. It was reported that there were 11 Senior and one Junior Auxiliary member, three Legionnaires and six guests were in attendance for the meal and to hear the reports of the Girls State Citizens.

Our Memorial Day program was well attended, our speaker was Fred Craigie, Alternate National Executive Committeeman of the American Legion. We were also honored to have a community choir sing this year, led by Russell Schroeder.

Our Blood mobile held in May had a good turn out as we were one over goal.

On June 1 our Auxiliary served a fried chicken evening meal to our volunteer firemen, which was enjoyed by all of the firemen.

Quilts of Valor was discussed and Mark Bergt will be presented a quilt at his open house for his 90th birthday on Saturday, June 17.

President Littrel announced that the Department Convention will be held in Columbus at the Ramada Inn on June 23-25 and she also reminded everyone to fly their Flag on Flag Day

Whistle Stop Station...

Volunteers put up patriotic bunting in Belvidere for the upcoming 4th of July holiday. This weekend is also the train show sponsored by the Spring Creek Model Train store in Deshler, one of the biggest stores between Denver and Chicago. Last year during their show, the Belvidere train watch station had many visitors who had come for the big event. Good conversation by the train buffs can be heard at the "Whistle Stop" from the visitors who come from many states. Pictured are Henry Laber, Carol Aude and Austin Sydow.

By Linda Hudson

This cool weather has been like "Christmas in June!" The humming of those irrigation motors can be heard all over the county as it seems to be dry every place. Not like Portland, Oregon, that gets 45 inches a year.

The Thayer County Museum was a destination for a van full of visitors including state of Florida and Illinois. Two visitors were especially interested in the wooden white country school, as they had attended this very school as it set in the grassy pasture.

Mr. Dux commented on the Big Red Barn and exclaimed, "It is fantastic!" He was amazed at the equipment in it and hoped everyone sometime or another would take time to tour it. Another gentlemen in the group was Harold Goeking, a Professional Tractorologist from Polo, Illinois.

Linda Hudson attended the meeting session with this district's Nebraska representative, Laura Ebke, of Crete on Saturday morning in Deshler. After the meeting, Paulette Hynek gave her a tour of the new Jennifer Reinke Public Library. What a beautiful place and the folks of Deshler should be proud.

The town of Chester was bustling with their Chesterfest this past weekend. It was full with talent, games, music and eats. The towns in the county do a really good job of keeping entertainment alive for all those interested.

Bill Ortman was laid to rest in his hometown of Belvidere this week. Thinking about the article in the LJS awhile back. It was entitled, "Who do we appreciate?" Certainly everyone will remember him for all the years that he served the people. He was in the food business in downtown Hebron with his wife, Joyce, for several years. Then they managed Ortman's Cafe for 37 years. The many times he fixed food for parties. Your guests that came to town and cooking at home was

not an option. Long days, long hours, he was a servant of the people. And usually done with a great sense of humor and a delightful kick in his step. Yes, Bill, you were appreciated! Thank you for your years of service, not only to the county but to your military and the safety of this country.

Has anyone done any more thinking of the time that is coming in August when the moon casts its shadow on the earth? Many towns are doing many things. A town in Oregon where the restaurant is ordering enough food for that day that would ordinarily last a week. Perhaps we should have a big community picnic at the Whistle Stop, eat and share with our friends and neighbors, and make this occasion one to remember. Eat at noon, get ready for darkness at 1 p.m. Somebody here in the neighborhood should be thinking about spearheading this fun and memorable event. Let's do it! Get organized! I will think about "rounding up" all the welding masks. Probably should order some glasses so our retinas won't be damaged. Watch for more plans.

Oh, yes! Ask Bonnie Priefert what it feels like to have a big beautiful flower holder stolen from your daughter's grave. Probably out of state by now. May the darkness of the day stay with the guilty for at least a week!

For those of us that go to the Hebron dentist, be happy to know the healthy twins are here and may they always find a good dentist in their lives.

\$38,000 raised in Relay For Life event to battle cancer

Thayer County Relay For Life held its 15th annual event at the Hebron Fire hall and Roosevelt Park June 25.

Four teams participated in the event and raised \$38,000 to support American Cancer Society's mission of saving lives.

"We are so proud of our Thayer County Community for standing up and taking action for lifesaving change," Co-organizer Molly Trausch

said. Trausch said the cool weather for the day was welcomed and everyone enjoyed their time celebrating those who have been impacted by cancer.

"We would like to sincerely thank our community for its generosity and support," Trausch said.

Volunteers served a hamburger and hotdog meal. Dustin Dana provided music and Hebron Girl Scout

Troop 941 helped out with entertainment. A silent and live auction was coordinated by Cammie Freitag, Marissa Wagenblast and Becky Cahill. Brian Isernhagen was the auctioneer.

A local cancer survivor received a quilt made by Survivor Committee Chairs, Naomi Grupe, Kris Miesner, Marry Miller and Traegen Sieber. Winner of the drawing was Laurie Koester of Deshler.

Bistro...

have allergies and need low sodium foods.

But, he has been able to introduce menu flair with peanut butter thai chicken wraps and the like.

"I'm more than willing to take suggestions. People email me all the time," Moreno said about his flexibility between Italian, Asian and Thai foods, among other cuisine.

On the day Moreno was interviewed for this story, breakfast at the bistro was quiche, and muffins and cinnamon rolls were available.

His new kitchen has a head chef and several cooks. Moreno also works as a

cook. "It's a very unique opportunity, a blank slate," he said. "It's very uncommon to have that kind of freedom."

The bistro is a restaurant offering higher end food and is able to accommodate for luncheon or breakfast meetings.

"If there's a food request, we'd be happy to make that," Moreno said. "We're definitely open to providing service."

The Little Blue Bistro title was voted on by hospital employees. Moreno said they weren't sure what to call it, so they put it to a vote instead.
