## Big Boy leaving Cheyenne...

The completion of the Transcontinental Railroad May 10, 1869, is recognized as one of our country's biggest accomplishments. A ceremony being held at Ogden, Utah, will feature the Living Legen No. 844 and Big Boy No. 4014. Local train buff, Lance Johnson, will be attending the festivities.

# Belvidere

By Linda Hudson

Here we are! Already living the second week of May. The countdown is on. In just a few days schools across the county will be once again be turning out a fresh group of eighteen year olds for the world to securely wrap its arms around and lead these futuristic looking young adults into unknown paths. Not only do we celebrate them, but on Sunday we honor our mothers. You know the ones who help keep the world going but the ones who we wish we could just pick up the phone and hear their voice once again!

We just finished a weekend that ended in controversy as everyone knows the first Saturday in May is always the traditional Kentucky Derby. Never before in its 145 year history has the outcome been overturned. But this day in 2019 it happened. The stewards took the objection raised by another rider and upheld it, thus taking the roses from Maximum Security and awarded them to Country House. Almost like those questioning Tiger Woods being awarded the Medal of Honor by the White House.

In the case of the horse race, just be glad you weren't one of the stewards who had to make the decision which dropped the first winning horse to 17th of 19 horses. Would be fun to attend Churchill Downs if nothing else but to wear one of those beautiful hats which many women wear.

Speaking of races some of our own participated in the Lincoln Marathon this past weekend. Joni Schmidt of Lincoln placed 4th in the women's race with a time of 3:13.40. She is the daughter of Jackie and Kent Williamson. Joni started her racing career after graduating from Hebron High School and attending Cloud County Community College. She is 42 and has three children. She is employed at Bryan Hospital.

Friends and relatives attended the confirmation services for Jessa Lynn Hudson at the Bruning Trinity Lutheran Church last Sunday. A celebration dinner

was hosted by her parents, Bill and Gina Hudson, at the Belvidere Community Center.

The rains finally came for our newly planted grass in various plots around town. Let's hope for a dry weekend as many graduation parties are slated for outside areas. And as we all know, Nebraskans are gamblers as the weather can turn upon us in the hour.

Also hoping for beautiful weather the weekend of the 18th. It brings something new to our county. It is the Lazy Horse Gravel Grind. Jackie Williamson and Linda Hudson traveled to the Lazy Horse Winery near Ohio on Sunday afternoon to represent the Museum and Belvidere at 3 p.m. meeting. Instead of a run, this will be a bicycle ride located right here in our area. There will be over 150 riders on two routes.

Registration for this event closed sometime ago as entries came from several states and many from our state's largest cities, Lincoln and Omaha. Riders will be in the area from 10 a.m to 1 p.m. for the 50 k distance and 1 p.m. to 3 p.m.

There will be two routes, one being 66 miles. The idea is to bring new people to our area, talk to them, make them feel welcome and expose them to the sights and sounds of gravel roads and rural life. It will be a time to showcase our town, visit our many parks, museum, Toad's and Whistle Stop Area. It is hoped that visitors to the area will come greet the riders in the town's where they stop for food, rest rooms and general entertainment. The Belvidere Woman's Club will be serving walking tacos and pie at the Whistle Stop Area. Everyone in the area is invited to attend. Honestly, Belvidere IS for everyone. Come enjoy a leisurely day and best of all meet new people.

Toad's will also be open all day as well as your County Museum. All of this takes place on Saturday, May 18. Sit for awhile and watch the trains. Circle the day...May 18. Meet new friends.

The Belvidere Whistle Stop Station or Train Watching Area has their Representative attending the upcoming 150th celebration of the Transcontinental Railroad, May 9-10 at Ogden, Utah. Local train buff, Lance Johnson has traveled to take in the celebration of the driving of the Golden Spike. Union Pacific has made it easy for you to know the location of their steam locomotives when they are moving. You can track the steam giants via the UP Steam Twitter page at <http://twitter.com/upsteam>. You can find both the map and Twitter feed, along with steam schedule information at [upsteam.com](http://upsteam.com).

The completion of the Transcontinental Railroad May 10, 1869, is recognized as one of our country's biggest accomplishments. It has been compared to the Apollo moon landing in terms of vision, dedication, innovation and collaboration needed to connect the country with a ribbon of rail. The May 9 ceremony will feature the Living Legend No. 844 and Big Boy No. 4014. The two will meet, recreating the historic image. The Big Boy is one of eight 4000 class steam locomotives still in existence. It is hoped Lance will come back with many pictures. You can also watch via Union Pacific Facebook page. <http://www.facebook.com/UnionPacific>.

Interesting news is that the baby boy born today in England is the first of the royal family that could be declared an American citizen. Wonder what the name will be?

Two More Things:  
1. Am wondering if another tariff on China set to take place soon is a good thing?  
2. Sure glad that Americans don't refuse to take the polio vaccine. Remember those scary days of the Iron Lung? The number of measles cases has risen to 764.

## Belvidere Woman's Club

Belvidere Woman's Club members, once again it is time to beautify our village.

The traditional May party has revolved into work plus good times. It is important that all come to help us do our annual work of planting flowers. Along with your working hands, try to bring a few flowers to plant.

The fun of working together, but then it will be party time after the planting and cleaning of beds are done. Meet downtown at 4:30 on Thursday, May 16th.

The group will then celebrate another great year of Woman's Club at Toad's after the work is done.

The donation of volunteering to help the club with planting is welcome to able-bodied people who do not belong to the club.

Much to get ready for—Gravel Grind Event and Memorial Weekend. All help is needed and will be much appreciated. If you are reading this and think it is aimed at YOU, you might just be right. The only way to survive in these small villages is to work together!
