Tidbits

Memorial Day services on tap

Memorial Day services in **Hebron** will feature guest speaker, Major General (Ret) Charles Barr with the service beginning at 10 a.m. May 28.

Barr spent three years in the 2nd Armored Calvary Regiment stationed in Bamberg, Germany, and in 1978, he became an army transportation corps officer and served in logistics with the 1st Infantry Division Support Command at Fort Riley, Kan.

In **Davenport**, services are scheduled for May 28 at 10 a.m. at the Davenport school gymnasium with featured speaker, Deb Albers, past department president of American Legion Auxiliary of Nebraska.

Special music is the Heinrichs Family Singers.

A community choir will be directed by Russel Schroeder.

On May 26 at 8 a.m., **Belvidere** will raise the flags at the cemetery. They will be removed at 5:30 p.m. on May 28. Volunteers are needed. The ceremony is May 27 at 9 a.m. at the church with Kim Dunker leading the service.

In **Carleton**, a service is scheduled for May 28 at 2 p.m. with Major General Charles Barr.

Can Care-A-Van coming June 12

Blue Valley Community Action will hold the "Stock My Backpack Program" June 8 from 9 a.m. to 2 p.m., while welcoming food for the 10/11 News Can Care-A-Van.

Not only will funds be raised from Can Care-A-Van to purchase food for the BVCA pantry, a portion of funds will be used for school supplies and shoes because children are required to have at least one pair of new shoes for physical education.

Blue Valley Community Action anticipates approximately 50 children will need supplies for school in the fall. Cost per backpack is estimated at $35 to $40.

Families may "adopt" children as well. Contact 402-768-6704 for more information.

Can Care-A-Van accepts personal hygiene items and non-perishable foods. Blue Valley requests no outdated items.

The goal for food this year is 6,000 pounds.

Election spotters at local precincts

By Nancy McGill
Hebron Journal-Register
hebronjrnews@windstream.net

Hebron's south and Bruning's precincts had unidentified visitors on election day last week.

In Hebron, a male spotter said he was checking for ADA compliance at the poll site and if the ballot machine designed for disabled voters was in working order.

He showed no credentials, but did introduce himself as a disabled voter, election commissioner, Marie Rauner said.

Another spotter went to the Bruning-Belvidere precinct at the opera house in Bruning. He asked basic voter questions and if there were provisionals for non-partisan voters.

"I have no idea who he was representing," Rauner said. "We're always told there can be spotters in the area, but we've never had any."

Laura Strimple, communications director for the Nebraska Secretary of State's office said there are a variety of organizations, like Civic Nebraska, that periodically check polling places.

"They are pretty good about following the rules and not interfering with the election process," she said.

Steve Smith of Civic Nebraska said election observers wear laminated badges and introduce themselves to commissioners and poll workers. The organization has monitored poll locations since 2012.

Rauner had another slight issue on election day. Petitioners were at both Hebron precincts gathering signatures for expanding the Medicaid and Medicare program.

"I heard later they went downtown for signatures," she said.

Rauner said the petitioners were told to leave the 200-foot legal boundary around the precincts.

"They were catching signatures right outside the door and they had to be told to step back," she said.

Rauner hasn't heard anything from the secretary of state's office.

Primary election day in Thayer County saw a 32 percent voter turnout and higher than the state's 25 percent average.

Speaking of which, Rauner had 543 votes county-wide to Megan Hinrichs' 367 for another four years as the Thayer County Clerk. Rauner will not be contested in the November election.

In Hebron, LB840 passed 345 to 68 for one-third of the city's sales tax to be used for economic development.

Deshler's new mayor is Mike Finke, who received 85 votes. candidate Julie Deepe had 62 of the votes and candidate Arlis Hohl, 27.

Additionally, Dist. 32 Sen. Laura Ebke was contested by two candidates for the Nebraska Legislature and one of them, Tom Brandt, received 536 votes in the county to Ebke's 343. Both move onto the November election.

Gov. Pete Ricketts maintained 705 votes while challenger Krystal Gabel had 183.

On the national level, republican congressman, Adrian Smith had three running against him. Kirk Penner, who campaigned in Hebron, secured 221 votes in comparison to Aaron Kowalski's 55 votes and Laary Lee Scott Bolinger's 8. Smith had 630 people vote for him.

The deadline for incumbents to file for villages and Class II schools is July 15. New filers have until Aug. 1.

Additional results may be found at electionresults.sos.ne.gov.

Members of Thayer Central FFA, Logan Luehring, Kourtlyn Kugel, Cameron Hissong, Keith Hergott, Reata Elting, Takaylynn Hergott, Cassie Hergott and Kinsley Kugel, stand in the TC Greenhouse that opened last week on school grounds after local ag producers nominated the school for a $25,000 Monsanto America's Farmers Grow Rural Education grant. Hebron Rotary donated $3,000 to finish the purchase of the greenhouse. A plant sale was held following the greenhouse opening ceremony.

TC Greenhouse benefit of grant

Thayer Central held a grand opening May 16 for the TC Greenhouse. An FFA plant sale was held following a brief presentation on the 24 by 48 by 8-foot building with a 24-foot by 36-inch evaporator pad cooling system.

The greenhouse was financed by a $25,000 grant from Monsanto and $3,000 from the Hebron Rotary Club.

"The heating and cooling system is set up like a thermostat in your home," ag instructor, Rachel Eickmann explained.

In addition to the funds, sweat equity helped raise the structure. Rick Gillham, Kent Cottam and Hugh Clark built it. Students poured concrete. Kyle Timmerman installed the heating and cooling.

Local producers recommended Thayer Central receive the Monsanto grant. Superintendent Drew Harris recognized several people during the presentation.

But first, Harris recognized the FFA program, which is now in its third year.

"I am so proud of what our students, advisor and chapter have accomplished in that time," he said. "The program has seen two major additions in the last year."

The other addition was the purchase of the future FFA lot north of the practice football field. Thayer Central is hoping to sell the house on the lot at its June 15 auction.

"We hope to make improvements to that site in the coming year," Harris said.

He went on to thank the donors who made the greenhouse possible and the producers.

"Let's give our farmers a big hand," he said.

He commended the school board of directors for their willingness to bring ag education to Thayer Central and to grow the program.

Researching and writing the grant was Amy Harris, who previously drew two $10,000 Monsanto grants for math and science classroom projects.

Hugh Clark and technology director Wade Vernon were added to the list of contributors.

Vernon added a weather reporting station on the west end of the greenhouse.

Eickmann said to access the weather at the greenhouse, people can log onto Ambient Weather for real time information.

Harris ended the presentation by thanking Eickmann, who was instrumental in spearheading a better learning opportunity for students.

Archery range preparing to open

A city-owned vacant lot on 4th Street between Holdrege and Park Avenue is being prepared for open range archery through enthusiastic volunteers who took an idea from Thayer Central high school students and brought it to life.

Focus groups of seniors and sophomores were asked about what Hebron could do for its youth. Their answers were compiled and the data showed Hebron youth were after more attractions. Archery was named more than once.

Michael Logsdon's children are under age 10, but they already know how to handle a bow.

"Some youth archery can start around four or five," he said. They start by learning about the bow, safety and technique.

Logsdon was one of the volunteers at the range a couple of weeks ago setting up the target frames after Matt Taylor dragged them from a space near the river using a four-wheeler.

Buchannan Tietjen was helping Logsdon set the frames, which are staggered for yard distance. Chris Fangmeier, the city administrator, mowed. More volunteers were expected that evening.

"It started with sitting around a table and coming up with a vision. We thought about who it was going to be for and a timeline," Logsdon said. "We're finally here."

Taylor, a game warden in the state game and parks commission's southeast district, said the range is more of a community project that isn't limited to those preparing to hunt.

"It's for everyone and a really good idea to get more kids outdoors," he said. "I like to shoot. It's fun for everyone.' He thinks the range is in a good location.

Buchannan Tietjen, Michael Logsdon and Matt Taylor set the target frames for the city's new archery range on 4th Street south of Holdrege Street.

Its backdrop across 4th Street is an open space with the walking trail. Shooters will face east, away from 4th Street, to fire their arrows.

Grant funds from the Little Blue Natural Resources District ($8,600 for picnic tables and river access), Rocky Mountain Elks Foundation ($750 for targets) and National Wild Turkey Federation ($1,000 for targets and the carport shelter). The range will feature 3D targets, and a 20 x 28 cement pad and 18 x 26 carport for spectators to sit in the shade.

Two grills were donated by Nebraska Game and Parks.

"We've received a lot of donations," Jana Tietjen said. "We've had a great supportive group of people."

The city pitched in approximately $7,000 of sales city tax that was earmarked by the city council last year.

"We're hoping to host tournaments and bring people to town," city administrator Chris Fangmeier said. "It's a lifelong sport. You learn when you're younger and you can do it for the rest of your life."

The range falls under the city's park system.

Married: March 1st, Miss Minnie Eider and Mr. John Beckler, all of Thayer county...March 3d, Miss Lizzie Moody and Mr. Charles Eldridge, all of Thayer county. They will settle in Fairbury.

L. B. King, of Fairbury, has leased with contract for purchase, the G. L. Hart farm, near the southeast corner of Hebron, and contemplates starting a nursery on same.

The Misses Rice, formerly from Burlington, Vt., recently from St. Joseph, Mo., have rented the Huse building opposite Masonic Hall and will at once open a millinery store.

The Lincoln Machine Works have ordered a carload of rods cut to be used with the patent tank fastener patented and molded by H. S. Moore, of Belvidere. This indicates a big business being done by the Belvidere foundry.

Dr. Austin Matthews, recently a practitioner in the dental profession, at Lincoln, Neb., and a son of District Court Clerk A. W. Matthews, of Fairbury, has located in Hebron for the practice of dentistry, and with his wife will soon become permanent residents.

John G. Deshler, of Columbus, Ohio, writes to J. M. Bennett that he strongly favors the prospect plan proposed by the editor of the Journal. In view of the fact that Mr. Deshler is one of the largest property owners in Thayer county and would have perhaps the largest prospecting tax to pay, we deem his approval an important endorsement.

At a regular meeting of the town board, Wed. night, A. P. Hazard, clerk, was appointed to take the census of the Town of Hebron to ascertain if the population was sufficient to entitle it to become a city of the second class, and to report next Monday night.

The Davenport Telegraph is authority for the statement that the St. Joe and G.I. road will pass into the hands of the U.P. March 1st. It will be known as the Hasting & Grand Island branch of the U.P.

To go or not to go, that is the question, whether it is better to fight in malarial swamps for Cuba's freedom, or freeze in Klondike's snow slides for wealth untold! Selah.

C. J. Deming, who has made a specialty of fine popcorn for several years, contemplates planting peanuts this season. Mr. Deming believes in diversifying crops, then placing only the very best on the market. He is thus enabled to hold his customers year after year thereby creating a sure market.

State Journal: Mr. and Mrs. M. T. Cleary of Hubbell, Neb., have been spending a couple of days in Lincoln. Mr. Cleary planned to leave last evening for the Pacific coast to secure the benefit of a change of climate. Mrs. Cleary returned to Hubbell, where she will remain during the summer with her children, after which she will join her husband and reside in some other state. Mrs. Cleary has been a prolific writer for the periodical press during the last fourteen years, but has not been known because she has used different pen names. Her latest book, the Nebraska novel, "Like a Gallant Lady," bears her own name, and is making her well known both in the east and in the west. She has visited Lincoln but a few times during her residence in the state and has been comparatively unknown here in consequence. It will hardly be possible for her to escape lionizing when she visits this city in the future.

Benjamin F. Hendershot and Theo Dimmick were married at the Methodist parsonage in Hebron on Thursday, March 31st.

Henry von Lindern celebrated his 87th birthday on Tuesday, April 24, at the home of his daughter, Mrs. August Geertz, near Alexandria. Henry is one of the early pioneers of Nebraska. He came from Germany to New York in 1865 and in 1874 came to Nebraska which then abounded with Indians, buffalo and grasshoppers. He came to Thayer County, locating north of Carleton in 1881. He moved three miles north of Bruning in 1884.

Manager Schwenzen of Bruning Cheese Factory moved his equipment into the Thobald building last week and the building is being remodeled to conform with requirements of a model factory. Mr. Schwenzen hopes to be able to turn out his first product some time next week. Truck drivers for the milk routes are now planning their routes and every indication points to the success of Bruning's new enterprise. The manager states that he can insure a price of 55 cents for butterfat to start with and if the milk supply is adequate he will be able to do even better.

Camp Thayer's rollicking sing-four-some climaxed a well-filled winter season of entertaining by copping first prize in the Amateur Contest at Geneva on March 24. The camp quartet was backed by the Willy Meat Market of Geneva, who has as its manager, Jim Willy, a brother of the foursome's popular second tenor, Don Willy. This group, which includes Gordon Spease, first tenor; Don Willy, second tenor; Kenneth Rischling, baritone and Loren Lyons, bass, has appeared at several functions over the county during the past few weeks.

Camp Thayer and the Soil Conservation Service are issuing a hearty welcome to all their friends and acquaintances who made them a visit on Sunday, April 3, on which day they celebrated the fifth birthday of the organizing of the Civilian Conservation Corps.

Park duty

Thayer Central students hopped a couple buses last week to donate their time at Roosevelt Park before the park re-opened with new equipment and a floor of soft, rubber matting. The equipment was an ongoing project of the City of Hebron Parks, community organizations, individual donors and volunteers over the past year.

Sun safety to prevent skin cancer

Health News
Thayer County Health Services

Summer can be a great time to take advantage of outdoor activities, but it is also important to remember to practice preventive medicine to protect yourself and your loved ones. Skin cancer is the most common form of cancer in the United States. One in five Americans will develop skin cancer during their lifetime and it is one of the few cancers where the cause is known.

Ultraviolet (UV) rays are an invisible kind of radiation that comes from the sun and indoor tanning devices. Too much exposure to UV rays causes sunburns and can increase your chances of getting skin cancer. How often someone gets sunburned is used in determining someone's risk for developing skin cancer.

Each year, there are more than a million cases of skin cancer diagnosed in the United States. Approximately 7,600 deaths annually can be attributed to melanoma. At this rate, one person dies of melanoma every hour. Skin cancer can be caused by excess exposure to UV rays from the sun, tanning beds or sunlamps. Skin cancer treatment costs Americans about $1.7 billion each year. Here are some ways you can help protect yourself and your family from excess exposure to the sun:

· Try to avoid being in the sun during peak times of 10 a.m. to 4 p.m.

· If you are going to be outside for a long time, try to seek out shade when possible.

· Wear sunglasses with a high UV protection.

· Remember to protect your skin on cloudy or overcast days; you can still get sunburned.

· Apply sunscreen to dry skin 20-30 minutes before going out in the sun.

·Remember to reapply sunscreen every few hours.

·Throw away expired sunscreen .

Natural sunlight isn't the only significant source of UV exposure for teens. Approximately ten percent of young people surveyed said that they had used tanning beds in the previous year. This form of UV exposure is not associated with playing sports or other outdoor activities, but is practiced solely for cosmetic reasons. Teenagers are intentionally putting their health at risk. There seems to be a popular misconception among young people that indoor tanning is 'safer' than exposure to outdoor sunlight.

In order to prevent skin cancer, the AAD recommends adopting a comprehensive sun protection program that includes wearing a broad-spectrum sunscreen with Sun Protection Factor (SPF) of at least 15, and reapplying sunscreen every two hours when outdoors, even on cloudy days, wearing protective clothing such as a wide-brimmed hat, long-sleeved shirts and sunglasses, avoiding the sun between 10 a.m. and 4 p.m. when ultraviolet rays are strongest, and seeking shade whenever possible.

Treatment for skin cancer depends on several factors including: the stage of the cancer, type of cancer, size and location, and the patient's general health. Depending on these factors, treatment may include surgery, radiation therapy, chemotherapy, and/or photodynamic therapy.

If you have an area of the skin or changes in a mole you are concerned about, make an appointment with your healthcare provider. You can also stop by the Medical tent at the 2018 Cattlemen's Ball where you can get information on preventing and identifying skin cancer.

Thayer County Quilt Guild meets

The Thayer County Quilt Guild met on May 17, at the Courtyard Terrace in Hebron. Eighteen members and two guests attended and enjoyed a delicious potluck meal. Our guest speaker for the evening was Sandi Griepenstroh of Lone Tree Designs, a quilt shop in Central City. Sandi gave us examples of the importance of using color and value and encouraged us to think outside the box.

Another highlight of the evening was the revealing of the Candy Bar Challenge. Members who participated revealed their type of candy bar and presented their quilted item. It was fun to see the many ideas and variety of quilted items.

As we don't meet over the summer, our next meeting will be August 16, 2018. Our guest speaker for the evening will be Diane Harris of Bladen, Nebraska giving a program entitled "Let's Play Drezz Up." We are also looking forward to a Mini Quilt Auction coming up in September. Come join us! All are welcome!

Obituaries

Kenneth Schroeder

Kenneth Eugene Schroeder of Deshler, the son of Rudolph and Ida (Heimsoth) Schroeder, was born April 7, 1928, at home near Deshler. He departed this life on May 20, 2018, at Parkview Haven Nursing Home in Deshler, at the age of 90 years.

The Lord blessed the life of Ken Schroeder, first by creating it on April 7, 1928, then by sustaining it for 90 years, and finally by bringing him to his Eternal Home on May 20, 2018.

Ken was born at home near Deshler, and experienced the miracle of baptism on April 15, 1928, at Bethlehem Lutheran Church in Kiowa. He was born into a Christian family, attended a rural Lutheran Elementary School, known as the school at Kiowa. He attended Deshler High School for three years and completed his senior year at Concordia High School in Seward in 1946.

In July of 1946, he enlisted in the United States Navy and was stationed at the Naval Training Center in San Diego, Calif., for two years where he was a member of the football and track teams, as well as serving in the Seaman Guards.

After being honorably discharged in 1948, Ken worked for a year while recuperating from a knee injury suffered in the service.

In the fall of 1949, he entered the University of Nebraska as a walk on and became a varsity member of the football team. After graduating, Ken accepted a position at Plattsmouth High School as football and track coach and teaching Biology. This was followed by a four-year coaching career at Concordia Teachers College in Seward.

In 1950, he met his future wife, Norma. They were married August 17, 1952. This union was blessed with the birth of five children.

In 1960, Ken and his young family moved back to the farm near Deshler to fulfill his ultimate dream of bringing up his family with the life style and work ethic of farm life. They also did custom-harvesting for 30 years.

Ken's first love was sports. He also loved music, singing in choir, quartets, a community chorus and barbershop chorus.

He was a member of St. Peter Lutheran Church in Deshler and served on the Boards of Education of the Nebraska District, Lutheran Church, St. Peter Lutheran School and the Deshler Public School. He also served as Chairman of St. Peter Lutheran and Trinity Lutheran Congregations, and was a past member of the Lutheran Laymen's League and the Deshler Lions Club.

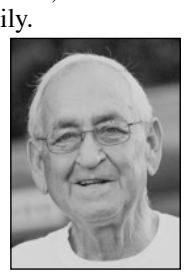
Donovan Krupicka

Donovan Dean Krupicka of Milligan, the son of Lester and Wilma (Stych) Krupicka, was born January 31, 1945, in Fairbury. He departed this life on May 14, 2018, at his son's house at rural Ohiowa, surrounded by his family.



He was baptized and confirmed at the United Methodist Church in Friend, and later became a Catholic, joining the Hebron Sacred Heart Catholic Church in 2017.

Don grew up in the Tobias area and attended school, graduating with the class of 1963. After graduation, he entered the United States Navy August 3, 1963. He served three tours on the USS Kitty Hawk and the USS Intrepid during the Vietnam War and was honorably discharged July 28, 1967.

Don married Kathy Shea January 9, 1967, at the United Methodist Church in Friend. This union was blessed with the birth of five children.

After returning from the Navy, Don worked in Friend as a mechanic, and then in Lincoln as a mechanic at ADM before moving to Ohiowa to farm in 1968. Don enjoyed being out in God's great creation, raising crops, cattle and pigs. Farming was Don's life; he always worked hard and handed on his valuable traits to his sons. He also passed on his orneriness, love of playing pranks and sense of fun to his kids and grandkids.

Don was involved in his community. He was a member of the United Methodist Church in Ohiowa, and served as a board member of the church, the Ohiowa Co-op and school board. He was especially proud to be a member and past commander of the Ohiowa American Legion Club Post #193.

In 1998, Don and Kathy purchased the restaurant and bar in Carleton, naming it Champs. They enjoyed meeting and making new friends as a new venture in their lives. Many still claim Don to be the best bartender ever.

Buying and restoring tractors was a hobby of Don's. He loved going to sales, finding just the right collector item, and bringing it home, no matter how bad it looked. He would start on it, and then, of course, would round up Greg and the boys to help with restoration in the garage on the farm.

Don enjoyed spending time with his family, especially the grandchildren, attending all of their events and being their best supporter, even when he was fighting cancer.

He is preceded in death by his parents; in-laws, Duane and Virginia Vavra and Jack Shea; brothers, Bob and Larry Krupicka; sister-in-law, Terry Shea; and granddaughter, Morgan Krupicka.

He is survived by his wife, Kathy of Milligan; sons, Jeff Krupicka and wife Katie of Carleton, Greg Krupicka of Ohiowa, and Eric Krupicka and wife Jenny of Hebron; daughters, Kelly Mumm and husband Curt, and Michaela Krupicka, all of Hebron; brother, Ron Krupicka and wife Carol of Carleton; sisters-in-law, Laura Krupicka of Carleton and Bonnie Krupicka of Beatrice; brother-in-law, Delfs Linder of Lincoln; sisters-in-law, Kim Stefonick and husband Jeff of Aurora, Colo., and Christie Vavra of Wellington, New Zealand; grandchildren, Patrick Mumm of Belvidere, Kieffer Mumm and wife Brianna of Lincoln, Trev Mumm and special friend Kalli Schroeder of Lincoln, Connor Mumm of Hebron, Lynlee Sealey and husband Jamey of Davenport, Kaitlyn Krupicka and special friend Will Mick of Fairfield, T.J. Krupicka of Sedan, Collin Krupicka and special friend Kassi Hartley of Belvidere, Caleb Krupicka of Ohiowa, Christian, Jaxon and Cooper Krupicka of Hebron; Kaizley Krupicka of Hebron; great-grandchildren, Natalie and Cambrie Linscomb of Davenport; and numerous nieces, nephews, cousins, and friends.

Mass of the Christian Burial was held May 17, at Sacred Heart Catholic Church in Hebron. Officiant was Father Rudy Oborny. Acolyte was Leland Weber; reader, Roger Retzlaff; altar boys, Lukas and Gavin Kroll; organist, Julie Kriesel; cantor, Carlece Kenner. Congregational hymns were "How Great Thou Art," "In The Garden" and "The Old Rugged Cross." Songs at the cemetery were "Anchors Aweigh" and "The Dance."

Burial was in the Ohiowa Cemetery.

Memorials are directed in care of family.

Condolences may be left at www.krollfh.com.

Landowners in Big Sandy Watershed eligible for water quality funding

The USDA Natural Resources Conservation Service is working with landowners in the Big Sandy watershed to protect water quality. Funds are available to landowners within this watershed through the Water Quality Initiative to install conservation practices that improve water quality. Landowners interested in applying for conservation practice funds should visit their local NRCS office by June 15.

This Initiative provides eligible landowners financial assistance to install conservation practices like cover crops, terraces, irrigation water management and buffer strips to reduce soil erosion and improve water quality in the Big Sandy Watershed located in portions of Thayer and Fillmore counties.

The targeted watershed was identified with help from the Little Blue Natural Resources District and the Nebraska Department of Environmental Quality. According to NRCS, targeting this watershed through the Water Quality Initiative will strengthen the overall effort to improve water quality in impaired streams in Nebraska.

District Conservationist Janet Valasek said, "The conservation practices available through this initiative work to improve soil health and prevent erosion, keeping soil out of streams and improving water quality."

Interested landowners and operators should check with the local NRCS office to see if their farm or ranch is in the area eligible to receive Water Quality Initiative funding.

Free Food for Seniors

The Commodity Supplemental Food Program (CSFP) distribution clinic will be held in Hebron at 135 North 4th Street on Thursday, May 31. An appointment is suggested.

CSFP provides nutritious foods to seniors who are age 60 or greater who live in Nebraska and are under the program income guidelines.

Foods given through CSFP include canned fruits and vegetables; bottled juice; one percent liquid and nonfat dry milk; hot and cold cereals; canned meat; peanut butter and dried beans; cheese; pasta or rice.

To schedule an appointment or obtain information on how to qualify for CSFP, please call Blue Valley Community Action at 402-729-2278 or 402-768-6704.

The Cattlemen's Ball of Nebraska is a 501(c)(3) charity whose mission is to raise money for cancer research. Ninety percent of the profits benefit the Fred & Pamela Buffett Cancer Center in Omaha, with 10% donated back to local communities' health and wellness programs.

2018 Cattlemen's Ball Host Family
Randy and Becky Hergott
The 2018 Cattlemen's Ball will be hosted by the beautiful Hergott Farm near Hebron, Nebraska.
Randy and Becky Hergott, along with their 5 sons and their families, are honored to be hosting the 2018 Cattlemen's Ball. Their inspiration comes from the knowing that the Cattlemen's Ball benefits the Buffett Cancer Center today and into the future. The Hergott family has farmed and raised livestock in the area since the 1870's. Just as their roots run deep, so does their commitment to the cure for cancer.

2018 Cattlemen's Ball Co-Hosts
Rob and Natalie Marsh
Rob and Natalie Marsh are honored to be Co-Hosts for the 2018 Cattlemen's Ball of Nebraska. As life-long residents, the Marsh's have seen firsthand the effect of cancer on family and friends. The Marsh family raises Red Angus and Red Balancer cows just east of the 2018 Ball site and are raising the family's 7th generation of operators, their four daughters.

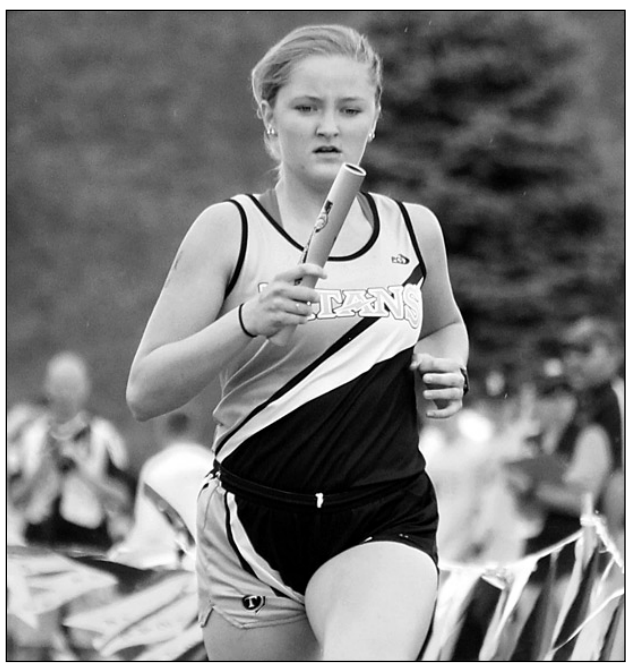
Zach Koss finished seventh in the 800 run in 2:03.68. He was the first leg of the 3200 relay and set the pace for the path to a Titan victory in 8:13.03.



Kylie Pachta was the second runner for the Titan girls' 3200 relay team.

Two Titans qualify for state golf

Senior Max Madsen and Sophomore Jackson Feulner qualified for the state golf tournament in Kearney May 22-23.

Madsen had a good opportunity to qualify, Coach Trey Strong said. He made it to the state meet last year.

"His expectation was to do that again this year," Strong said. Madsen placed ninth last year in the state competition.

His qualifying score for this year was 81 for sixth place in the district meet at Woodland Hills.

Madsen's expectation is higher because he is a senior, Strong said.

Strong said Feulner needed a good round to qualify and turns out, he had one and was rewarded.

"We've improved all year and gotten better," Strong said. The team, not seen as a state contender, shot its best at districts all year and tied for seventh out of 13 teams.

Feulner golfed an 86 and tied for 10th place, along with four other golfers. A scorecard playoff was held, working from the 18th hole moving backward.

Feulner tied for 10th, but lost in the playoff and did not receive a medal, however, he qualified for state.

"It would not surprise me if he places at state. I've told him that all year," Strong said.

He, nor his qualifiers had ever played the Kearney Country Club course. They were headed up Monday for a practice round. Tuesday tee time was scheduled for 10 a.m.

The Titan third, fourth and fifth golfers, Bailey Kiburz, Carter Miller and Logan Wiedel, respectively, had similar scoring averages on the season.

Strong said they "improved dramatically," and dropped between 10 and 15 shots this season.

"They fought hard at districts," he said.

Their average before improvement was 115.

"Overall, scores are coming down. Part of that is just getting comfortable playing tournament golf," Strong said. "I look forward to having them back. I'm hoping four or five will come back."

NOTICE OF PUBLIC HEARING

The Little Blue Natural Resources District will hold a public hearing at the Davenport Community Center, 100 South Linden Ave., Davenport, NE on Tuesday, May 29, 2018 from 6:30 p.m. to 9:00 pm. The purpose of the hearing is to provide information and receive testimony on proposed amendments to Groundwater Management Rules and Regulations. Key changes proposed include:

• Water Quantity - establish new groundwater quantity trigger of one foot (1') below 2016 spring water levels

• Establishment of allocation protocol for agricultural producers – the allocation would be sixty inches (60") over a five-year allocation period, with a one-time five-inch (5") account balance per certified irrigate acre granted at the beginning of the first allocation period.

• Carry-over of unused allocation up to eight inches (8") allowed

• A combining of allocations could occur when tracts are under the same ownership, adjacent and are served by a joint common irrigation system

• Suspension of allocation would occur when water levels rise to three feet (3') above the allocation trigger level.

• Water quality – one level of management eliminated and controls are made more uniform across sub-areas

• No fall fertilization of sandy lands

• Soil sampling is required district-wide; one sample required per 80 acres of corn, sorghum or forage sorghum cropland.

The hearing will also consider Rules and Regulations for Enforcement of the Groundwater Management and Protection Act – Irrigation Runoff Controls. Said rules describe the procedural requirements for filing a claim for improper irrigation runoff and the process to remedy such violations according to state law.

This will be an open format public hearing with opportunities to learn more about the proposed controls and ask questions, and provide oral or written testimony. A copy of the complete proposed Rules and Regulations is available from the Little Blue NRD at 1 (402) 364-2145, on the District's website at www.littlebluenrd.org, or by visiting the office located in Davenport, NE. Handicapped individuals requiring physical or sensory accommodations to participate in the hearing should notify the District Office at least two days in advance of the hearing.

Carleton American Legion and Auxiliary celebrated birthday

The Carleton American Legion and Legion Auxiliary celebrated their Birthday at the Carleton Community Club.

The program was a special citation for Matthew Wachtel for getting his Eagle Scout. He was given the Citizenship Award by the Carleton Legion Commander Shawn Winans.

We also awarded four Legion members Quilts of Valor for the service that they gave to our Armed Services. The members that were awarded quilts were Donald Disney, Bill McPherson, Stan Smith and Jerry Wachtel. The Quilts were given out by Jody Krupicka and Georgia Schropfer.

The meal was catered by Sidelines Sports Bar and Grill out of Carleton.

Belvidere

By Linda Hudson

Say it isn't so! Tell me I haven't been in the hospital for 11 days and still not sure I am "swingin" out of here too soon! Over these times I have seen the lilacs bloom, pictures of Hawaiian lava pouring, a "little rain," graduations parties, a royal wedding, big white Cattlemen's tent blowing in the breeze, blood donors, come and go, and a friend receive pints of blood while his wife stands smiling at his side. Another friend getting an X-ray while his wife sits patiently for him.

How is it that life snakes along and with one little rough spot waiting for you to make one bad mistake! Then down you go and you struggle while you lay there, hoping someone will eventually see you lying there under a cloudy sky and a few drops of rain. By the way, as a joke, I have always told everyone that passes by my yard to take a good look as you might actually see a moving body among the grass and rocks.

But there weren't too many vehicles traveling on the usual busy road. Finally, a boy with young ears heard my plea and followed my instructions, as "go get those young men who promised they would pick up the Belvidere residents in their fancy red-white vehicle." And of course I chided in that it was an intentional feat!

Of course busy weeks on the agenda and here I am! You only need something like this to know your fellow friends and relatives are the good folks you always thought they were! What I said a few weeks ago about sitting in the home sipping on a can of Ensure has come back to haunt me. Only not in the home but our beautiful Thayer County Hospital. I think they have probably treated a few cracked pelvises!

Now the track season is gone everyone is off to club team games trying to improve their skills for next season. And there is always the league baseball and softball games. One disappointment is the fact that Nebraska is hosting Big Ten Baseball Championship this year and didn't even make the tournament.

A good article in the Hastings Tribune explains how Shickley and Bruning-Davenport are teammates on the court, field and track but are competitors everywhere else, including speech. The schools formed a co-operative in 2010-2011 for sports. Speech is separate. They have to compete against each other in this.

Russ and Bonnie Priefert returned home from Lincoln on Wednesday after Russ' surgery.

It will be an aMMMazing Memorial Sunday, May 27, 2018. The annual Belvidere Memorial Day service will be held Sunday morning at 9:00 a.m., with Kim Dunker leading the service. Coffee and rolls at the community center following the service. Ila Currey on the organ and Linda Dudgeon on the piano will provide the anthems for the service. Two Quilts of Valor will be presented and Leah Priefert will lead the Memorial Service with song as she honors all veterans present. Jim Dunker will present the Quilt of Valor quilts! Everyone is invited to attend Memorial Weekend to honor our veterans and loved ones will soon be here. Know all you folks are sincere with all of your tributes. What a great county we live in! May we never lose sight of the fact.

Davenport ALA Unit #335 holds meeting

The May meeting of the Davenport American Legion Auxiliary Unit 335 was held on May 7. The meeting was called to order by Deb Albers – pro tempore. The meeting was opened with a prayer by Sherry Burger. The members then recited the Pledge to the Flag, followed by the singing of the Star Spangled Banner, reciting the Auxiliary Preamble, and observing a moment of silence in honor of our veterans and P.O.W.'s.

The minutes of the April meeting were read and approved.

The treasurer, Chris Fehr, presented her report There were no bills to be presented at this time. The treasurer's report was placed on file.

There was no correspondence to be read, so committee reports followed.

Blood Mobile: Deb has been working to make calls to donate blood with a goal of 65 donations for the day. Cornerstone Bank has donated toward the cost of food along with cups, and napkins. Deb will set up a work schedule to help with check-in and food. She is also looking for members to donate cookies.

Legislative: The Committee chairman, Dorothy Boss reported that the Legislature has adjourned for this session. She also mentioned that State and local elections will be next week and encouraged members to help get out the vote.

Girl's State: Deb reported that she will be working at Girl's State as a Senior Counselor and will be there on June 2. Sera Johnson, Davenport's Girl's State Representative, will be invited to give her report about Girl's State at the June meeting.

Memorial Day: Deb is working on her presentation. She is still looking for information to use. Sherry reported that everything is in place to have a Community Choir once again. Posters for the event have been posted, and also it has been advertised on Facebook. Marla Maschmann will be printing the programs again, and as Poppy Chairman will also have poppies available on that day.

Communication: Deb read the call to Convention which will be June 21-24 at the Ramada Inn in Kearney, NE. Each Unit is able to send two delegates to convention. Members are encouraged to consider attending this important and informational event.

Old Business: Quilts of Valor is a wonderful program which recognizes Veterans. The Davenport Auxiliary has presented a number of Quilts of Valor in the past, and are hoping to continue to present them to the area Veterans .

New Business: Plans were made to organize the Firemen's Supper which is served yearly by the Auxiliary in June.

Dates to Remember: June 11 Meeting – Carry In Supper and Girl's State Presentation.

The meeting was adjourned by Deb Albers.

Archery

Work on access to the river will begin soon, Tietjen said.

Businesses and Norris Public Power District also contributed to the targets, skids and tin for the tops of the targets. Volunteers put the targets together and made the bow racks.

Tietjen said 4H kids are anxious to chip in and will get their chance when it comes time to paint the non-adhesive, layered fiber board that won't damage arrows.

She said the range will be used by 4H for practices.

"We're hoping to have fun with different archery clubs in the area and host some practices," she said. "I foresee a couple of fundraising shoots for maintenance."

As for the name of the archery range, organizers are thinking of a contest.

"We put a lot of thought into it. Since they (high school students) were really the ones who sparked this, we thought it would be a fun contest," Tietjen said.

Students at Thayer Central already participate in indoor archery through National Archery in the Schools, a program that introduces archery into physical education to teach life skills, such as patience and discipline. The NASP website describes archery as a sport for everyone, regardless of size or athletic ability.

"I'm interested to see how many people will use it," Taylor said.

Game and Parks Commission to Revise State Endangered and Threatened Species List

State endangered and threatened listings help conserve native fish, wildlife and plant species in Nebraska. The Commission will hold public hearings, each with a quorum of Commissioners present, to gather testimony on the proposed state listing of six species and the de-listing of the North American River Otter. After all hearings are completed, any regulation changes for the listings and de-listing will be brought to the Commissioners who may take action during a scheduled and noticed Commission Meeting.

Detailed information for each species, including peer-reviewed proposals, estimated current range maps, outlines of potential impacts, and scheduled public hearings is available at: https://OutdoorNebraska.gov/ListingAction.
