Hinrichs Speaks On European Trip To Bruning Woman's Club

Five members of the Bruning Woman's Club and one guest, Sue Hinrichs, met at the Bruning Opera House for its October meeting.

Guest speaker was Ashley Hinrichs, a senior at Bruning-Davenport High School. She told us of her trip to Europe with band members from across the state. Ashley showed us all the souvenirs she bought in the many countries they toured. We each got to have a taste of chocolate from a candy bar she bought in Switzerland.

They first attended a band camp in Fremont in June for three days before flying to their first stop in London.

There were four groups, which consisted of two bands, an orchestra and a choir. The flight overseas took 12 hours. While in London, they watched the queen's birthday parade that is celebrated the first weekend in June. All the royal family was in attendance in their coaches or on horseback. They also toured many places including museums and the Tower of London.

Ashley had her laptop computer and we were able to see all the pictures that she took. They performed a concert in each country during which all wore matching red polo shirts.

Other countries they toured and performed in were France, Switzerland, Austria and Ger-

many. Two-thirds of the group then flew home but Ashley and others went on to Greece. In each country they traveled by bus. Ashley said that the boat tour in Greece was what she enjoyed the most.

The tour was called the Nebraska Ambassadors of Music European Tour - 2011 from June 9-28.

Then lunch was served by Joan Langhorst, which consisted of a delicious apple crisp and fall candy. We all enjoyed Ashley's presentation.

Co-leader Lola opened the business meeting with the reciting of the Club Collect. We discussed the 125th Bruning celebration next year and we may join with the library but no decision was made as to what we will do on that day.

Next month we will be going to YRTC and Lola read the list of baby items we can donate.

The treasurer gave her report that was approved and placed on file.

On November 8 we will be going to Geneva to eat lunch at noon and then visit YRTC and give them the baby items. Olive VanDeWalle is in charge of the program.

Birthday Coffee will be held on November 7 with Olive VanDeWalle and Shirley Aksamit as servers.

FOOTBALL

Titans

The Thayer Central Titans fell to Doniphan-Trumbull Friday night, 15-36, in a game held at Doniphan. The team record drops to 3-4.

In the contest, Tyler Van Cleef led the offense with 80 yards rushing on 17 carries. The team had 129 yards on the ground and 118 yards in the air. Trenton Tietjen passed 11-for-29 on those yards.

"I thought we played very well on both sides of the ball for the first three quarters and then the bottom fell out at the beginning of the fourth," said Thayer Central coach Josh Lanik. "We did a nice job moving the football, but would make a mistake whether it was a missed assignment or penalty that would stall the drive."

Thayer Central scoring came by way of Van Cleef and Tietjen. Van Cleef scored in the third period on a 16-yard run while Tietjen connected with Hergott on a 24-yard pass for a touchdown in the fourth.

"I also thought as a team we tackled much better this week than we have the previous two," Coach Lanik commented. Leading the way in tackles was Michael Feulner with 15,

six as solos. Clayton Hintz had 14 tackles on the night while Jacob Kniep had 13, nine of which were solos.

"This Friday is a must win situation for us," Lanik said. "If we hope to have a chance to make the playoffs, we need to win. Hopefully we can correct the mistakes we made last week and get back on the winning side of things."

The Titans host Wood River in the final contest of the regular season. Kickoff is at 7 p.m.

Class C-2 playoffs begin Thursday, Oct. 27.

Class D-1 playoffs begin Oct. 27.

Eagles

The No. 3 D-1 Bruning-Davenport/Shickley Eagles defeated Friend at home Friday night in a contest some said would be much closer than it was. The Eagles managed to score each quarter while holding the Bulldogs to a single score that came late in the fourth period.

Ryan Tegtmeier led BDS with 105 yards passing and scored twice; once on a 51-yard pass to Grant Norder in the first period, and again on an 11-yard keeper in the second.

Kendrick Holeman led in rushes with 80 yards on 16 carries. He also scored a touchdown in the fourth period on a six-yard scamper. The final score for the Eagles came from Luke Christensen on a 58-yard sprint into the endzone.

The Eagles (6-1) hit the road this Friday as they travel to Diller to face the Griffins in their final game of the regular season. Kickoff is at 7 p.m. The first round of playoffs starts Oct. 27.

VOLLEYBALL

Titans

Thayer Central lifted its record to 14-4 last week as the Lady Titans defeated Superior 25-14, 25-17, 25-18. The contest was held at home.

"We got off to a great start in sets one and two to cruise to the win behind the hitting and serving of Bridgette Baden," Thayer Central coach Kurk Wiedel said. "Game three was aided by Ashley Peterson's serving and the digging of Kinsey Tietjen."

The Lady Titans also held their annual fight against breast cancer night where the athletes' digs during the game helped to raise funds for cancer research. "We had 26 digs to help the cause," the coach said.

Bridgette Baden led the offense with 13 kills and five ace serves while Tarryn Tietjen provided 17 assists. Ashley Peterson provided three ace serves while Kinsey Tietjen led defense with three ace blocks and eight digs.

The Titans head to Lincoln this Saturday to compete in the Lincoln Christian Invite. The Southern Nebraska Conference tournament begins Monday, Oct. 24.

Thayer Central's Kinsey Tietjen (2) hits against Superior last week as the Lady Titans defeated the Wildcats 3-0 at home. Thayer Central held the annual "Dig for Life Pink Out Night" fight against breast cancer where athletes' digs help raise funds. Tietjen led the team with eight digs on the night.

Dragons

Makaleigh Yantzie had 13 kills and four ace serves to lead the attack. Shelby Garland and Taylor Houck both provided six kills while Houck also had three ace serves. Matyson Kleinschmidt also had three ace serves and Ashley Hinrichs provided 15 assists in the game.

The coach also said he felt the overall defensive effort was solid, too, behind the blocking of Houck who had two aces and Yantzie and Garland who each had one ace. Christy Swartzendruber led the back court with 14 digs on the night.

Following the Crossroads Conference, the BDS Eagles host Lawrence-Nelson and Palmer to a triangular, Tuesday, Oct. 25, in their final regular season contests of the year.

The Deshler Dragons fell to Shelton in the first round of the Twin Valley Conference Saturday, 26-28, 16-25, 16-25. The loss ends their contention in the tourney.

Earlier in the week on Tuesday, the team went 1-1 at its own triangular falling to Silver Lake 24-26, 17-28, and winning against Franklin 25-15, 25-12.

On Thursday the Lady Dragons fell to Blue Hill 19-25, 20-25, but won against Harvard 25-16, 19-25, 25-12 at the Harvard triangular.

The team, currently 6-14, will head to Roseland Thursday night to compete in the Silver Lake invite, then head to Red Cloud Tuesday, Oct. 25 for the tourney there.

Titans JVs undefeated

Freshmen move to 7-2

The Thayer Central Freshmen team improved their record to 7-2 with a hard fought battle against the Superior Wildcats.

The Titan team won the first set 25-16 and it appeared like they were going to win the second set easily as they were up 24-8. Keila De La Cruz from Superior served 16 straight points to tie the score.

The Titans finally sided out and thought they needed to score a point but then the Superior coach called a time-out and didn't have a time-out which resulted in the Titans winning 26-24.

"You have to take care of business when you can as you never know with momentum changes what can happen," said Coach Carlece Kenner. "This is just what happened with Thayer Central. The more points that Superior made, the more momentum and mistakes Thayer Central made. We could not get a side out and

panic mode set in."

Earlier, Thayer Central lost to Superior. Top server for the contest was Jean Itzen with 13 points. McCall Madsen did an excellent job passing throughout the contest especially during the long run of Superior, added the coach.

The Thayer Central Junior Varsity team remains unbeaten with one match remaining. The Titans beat Superior 25-16 and 25-16 which improved their record to 10-0.

Rachel Johnson had a stellar night with 12 points on serve and awesome digging and setting, the coach commented. Tashia Mumm also led the team as setter and scored 6 points.

"Both girls play on the right side of the net, Tashia as setter and Rachel as right side hitter," said Coach Kenner. "Both girls led the teams in sets, digs, and serves which helped the team win easily against Superior."

Dragon CC competes at districts

The Deshler Dragons cross country team finished its season last week during the Class D-1 district meet at Branched Oak State Park.

Although no one qualified for the state competition, longtime cross country coach Shannon LeFave said both the senior high school and junior high school runners had a good season. "We improved this year and the ones who are coming back are already looking at next year and what they can accomplish," he said.

LeFave looks to lose Shannon Waite and Mackenzie Mohrmann to graduation this year. Waite ran the district course in 31:48.7 while Mohrmann went 22:15. The final runner for the girls, Christina Hoops, who led the way ran the course in 20:48.2.

For the boys, Craig Meyer finished the course in 23:39.2.

Eagles

The D-1 No. 2 Bruning-Davenport/Shickley Lady Eagles started the Crossroads Conference tourney on a win over Osceola Monday night advancing to play Hampton Tuesday. Details of the conference will be available next week here on the Sports page.

Last week the squad earned wins against High Plains at a home game on Thursday night and at the Dorchester triangular on Tuesday.

In the triangular, BDS defeated Dorchester 25-12, 25-8, and McCool Junction 25-10, 25-9. Makaleigh Yantzie led the attack in both games with eight and seven kills respectively. Shelby Garland had 11 kills and six ace serves over both games and Matyson Kleinschmidt had seven.

Whitney Walters had nine ace serves and 11 assists over the course of the two games while Ashley Hinrichs provided 17 assists throughout the triangular.

Against High Plains, the Lady Eagles collected the win in three straight sets; 25-14, 25-14, 25-5.

"We finished our regular season play of the CRC with 8-1 record after our win against the High Plains Storm," BDS Coach Dan Sorge said. "Our aggressive and pin-point serving kept the Storm from running a consistent offense."

Bruning-Davenport/Shickley volleyball coach Dan Sorge was presented with an award for his 600th win as a high school volleyball coach last week during the High Plains contest in Shickley last week. Coaching the sport for 31 seasons, Sorge's current D-1 No. 2 rated Eagles squad is 22-2 after defeating Osceola at the Crossroads Conference in York Monday night. Middle School Students Enjoy "Fifth" Quarter Event

Courtesy photo

Approximately 30 middle school students enjoyed activities at the Bruning-Davenport TCHCC "fifth" quarter held Oct. 14.

The Bruning-Davenport TCHCC held a "fifth" quarter activity on Friday, Oct. 14. The Bruning-Davenport and Shickley middle school students were invited. About 30 students attended. The activity was led by TCHCC members, Samuel Christensen, Riley Tegtmeier, Brett Holtzen, Sara Hinds, Morgan Lowery, Brice Ardissono and McKenna Schardt.

There were many different stations such as an obstacle course, free throw shooting, walking up and down stairs, throwing a tennis ball through a hoop and playing a Wii game. The kids were split into groups and each group got a turn at every station.

They first did the challenge without any trouble, then they had to put on "beer goggles" and do the challenge. This was to show how drinking can impact your balance and your vision, so that people should not drink and drive. Most of the kids had trouble with this. The most famous quote was probably, "Oh man, I can't see what I'm doing!"

After everyone had gotten a chance to do everything, the group sat down and talked about the challenges and how this relates to real life. Some

of the students said that the goggles screwed up their vision so if you're driving while under the influence you may not be able to see the stop signs or other things you need to see.

When one girl did the obstacle course she started swerving onto the other sides of the cones. They compared that to people going in and out of the lanes and not staying on the right side.

One boy threw a ball and went to catch it and tackled another person because he couldn't see straight. The students said that people could be driving down the road and may not see a pedestrian and hit them and either injure them or kill them.

While playing the Wii game the students found that it was difficult to find and see the buttons on the controller. They thought they were pushing the right buttons but they really were not.

At the very end pizza gift cards were hand out to five of the students who the leaders thought either did the best or gave the best effort. Everyone did a great job though and had a lot of fun and learned some things about drinking and driving.

organization lost about \$8.5 billion in 2010 and expects to lose another \$8 billion in 2011. A federally-mandated pension plan for employees is mostly to blame, although officials are also quick to blame the internet.

"We're the only business in the United States that has this mandate," Nissen said. "But we're also on the wrong side of communications, here. Young people don't want to mail a letter. They want instant communication."

Last month, US Postal Service president and chief marketing/sales officer Paul Vogel said USPS needs to either ask for legislative changes that put the business on a level playing field with the way a normal business operates, or continue to reduce the infrastructure, including plants and post offices, to become more efficient.

Currently, USPS is restricted by law in how it manages its pensions and employee health plans, what products and services it can offer, and how much it can charge customers for those items. Changes Vogel identified to increase efficiency include cutting 120,000 positions, closing 3,600 post offices, relief from

health benefit and retirement payments and elimination of Saturday delivery. Vogel added that if nothing was done, postal rates would have to increase by 20 percent to offset an \$8 billion loss. In 2010, the Postal Regulatory Commission denied a 5.6 percent raise stating current law restricts postal rate increases to no more than the rate of inflation.

At Wednesday's meeting, Byron patrons voiced specific postal needs and what the loss of the local service would mean. Residents were also asked to complete a survey and submit any comments which could be taken to the local post office until mid-November.

In closing, Nissen said he thought it was worth it to the residents to look at how to improve the number of transactions and revenue at the Byron office. "You have a bank, grocery store and head-out route here," he said. "Those are unique and rare situations, but you need to look at ways to increase the revenue because that's what USPS is looking at to close the office."

The USPS will hold a village meeting in Carleton tonight, Oct. 19, at 7 p.m., in the community building.

Red Ribbon Week, October 23-31

Thayer County Healthy Communities Coalition would like to encourage the citizens of Thayer County to celebrate Red Ribbon Week, Oct. 23-31, by wearing red on Friday, Oct. 28. The Red Ribbon Campaign is now the oldest and largest drug prevention program in the nation reaching millions of young people.

Red Ribbon Week is an ideal way for people and communities to unite and take a visible stand against drugs. Students throughout the county will be learning about the harmful effects of drugs and alcohol and making pledges to say no to drugs. They will also celebrate their commitment to being drug free with dress up days such as "Turn your Back on Drugs" and wear their clothes backwards for the day.

The Red Ribbon Campaign was started when drug traffickers in Mexico City murdered DEA agent Kiki Camarena in 1985. This began the continuing tradition of displaying red ribbons as a symbol of

intolerance towards the use of drugs. The mission of the Red Ribbon Campaign is to present a unified and visible commitment towards the creation of a drug-free America.

Red Ribbon week is a great opportunity to visit with your children about your expectations as a parent. Take the time to sit down, start the conversation about drugs, and ask your child their thoughts.

If you don't know where to begin, look to the news—an athlete, actress, or even someone you may know that abuses alcohol or drugs can be a starting point. Listen to your child and let them know you are there for them.

The National Family Partnership is the national sponsor of the Red Ribbon Campaign and their goal is to help citizens across the nation come together to keep children, families, and communities safe, healthy and drug-free through parent training, networking, and sponsoring the Red Ribbon Campaign.
