The Thayer County Walking Coalition has been selected to receive the first grant from the Kenneth & Glenn Korff Endowment of the Hebron Community Foundation Fund (HCFF). This \$15,000 grant will be used towards the construction of a public walking trail in Hebron.

The Thayer County Walking Coalition would like to continue to develop the walking/biking trail in Hebron. The proposed phase 1 plan is to complete a portion of the trail from the 4th street canal bridge to the Little Blue River bridge. This will start to provide ac-

cess to their ultimate goal of connection of the current trail to the Korff Wellness Center, Blue Valley Lutheran Homes and the Assisted Living.

Members of the HCFF executive board presented the coalition with a check at their committee meeting on September 19.

Board chairman, Christy Farnstrom said “It’s exciting to finally be able to award a grant to such a deserving community project. Members of the Foundation’s Fund Advisory Committee have been working hard for a good part of the year towards this very outcome. We

look forward to funding more exciting projects in Hebron as we move forward.”

This grant was funded by the Kenneth & Glenn Korff Endowment of the Hebron Community Foundation Fund, an affiliate of the Nebraska Community Foundation.

Titans run in pack to finish first

The Thayer Central boys topped out at their home cross country meet Sept. 22 for the Randall Smith Invite on the Hebron County Club golf course.

The Titans had 27 points to second place Fillmore Central’s 42 points.

Fairbury took third with 54 points and was followed by Hastings St. Cecelia, 66; Johnson County Central, 82; Centennial, 94; Wilber, 105; South Central, 125; and Deshler, 181.

Aubrey Fangmeier hit a fifth place in 17:57.2. Dylan Fischer was sixth (18:03.5); Damian Stewart, seventh (18:29.4); and Keegan Casey, ninth (18:35.0). Titan runners who came in later were Collin Fink, Evan Fuglestad, Isaac Friesen, Malik Pflugsten and Gabe Elting.

“The boys did a great job of competing. The top four runners were separated by about 40 seconds and all four finished in the top nine,” Coach Andy Long said. “Running in

this type of pack will lead to a lot of success for them.”

The girls placed fifth with 73 points. Taelyn Virus was the first Titan in for the girls, finishing in 15th place in 23:50.8. She was followed by Kylie Pachta, who was 19th; Cambrie Cottam, 22nd; Mackenzie Johnson, 24th; Sophia Shope, 31st; and Cienna Friesen, 40th.

“I was proud of how the girls competed today, especially how they finished the last mile of the race,” Long said.

Letter to the Editor

Dear Editor:

Nebraska...never far behind...always on my mind.

When I began going to Bullhead City, Ariz., for the winters in 2007, there were many people in the R.V. parks there who told me of their trips coming down from the Dakotas, Minnesota and Wisconsin, and other places up north and driving on Highway 81.

For 25 years or more some had traveled the route and knew well Ortman's Cafe and had stayed in the little R.V. park in Bruning. I even encountered a native Thayer countian there, Marilyn Johnson (nee Magnus) from Carleton.

In 2015, my winter spot changed to Mesa, Ariz. The first Sunday there, I attended a very large Lutheran church. The pastor, in his sermon, mentioned his first parish in Syracuse, Neb. In conversation after the service, he said he was born and raised in Hebron. So, that's how I met Pastor Larry Kassebaum.

Someone told me of another, smaller church just around the corner from where I was staying. So the next week found me at St. Peter's Lutheran. Included in their bulletin for get well prayers was the name Donovan Bowman, my first cousin. He'd had surgery and was in an assisted living facility. His wife, Margaret, had been the secretary at the church for over 20 years.

My brother, Gary Bowman, and his wife, Judy, came down from Englewood, Colo., for a few days and we made reservations for a boat ride on Saguaro Lake. While standing in line

to get the tickets, we struck up a conversation with two couples in front of us. They said they were from Wisner. We, of course, divulged our Bruning roots and one of the men asked “Do you know Frank Bruning?” And his wife chimed in “and Mary?” Naturally, we told them Frank is a cousin, a distant one, but kin nevertheless.

2016 brought a surprise at St. Peter's. I still can't believe this one. The church was having their annual rummage sale and I'd volunteered to help price the items brought in. Boxes kept arriving so it seemed like a good idea to go in on an extra day to try to stay ahead. About 10 a.m., a cup of coffee sounded good, so I went to the coffee pot near the secretary's office. While I was pouring a cup, a lady came around the corner and introduced herself as Kathleen Moss from Lincoln. She was in Mesa visiting her sister-in-law who was a member of the church. Kathleen had dropped in to use the church's wi-fi.

I told her of my living in Lincoln at one time, but my roots were in Bruning/Hebron. “Oh,” she said, “my family is from Bruning. My great-great grandmother is Margaretha, the sister to the five Bruning boys.”

“And she married a Danekas,” I replied. “How did you know that?” she asked. “Because I keep up on family history--and your great-great grandma was the sister to Herman Bruning, my great-great grandpa,” I said.

Can you imagine that? A

gal from Lincoln, visiting a sister-in-law in Mesa, and a “snowbird” from Colorado meeting at a little church in Ariz. at the coffee pot, and their grandparents, twice removed, are brother and sister. What are the odds?

After listening to this story after church the next Sunday, a woman by the name of Ella Gray said she'd lived in Auburn and worked at the Bruning Air Base during WWII.

My brother, Gary, is retired, but volunteers for a committee on the City Council of Englewood, Colo. Last month, at an appreciation dinner, he walked up to two fellows he knows and heard one of them mention having been born in Hebron. The grandpa of this man was Norm Miller, who taught my dad, Carl Bowman, the electrical trade after dad came home from the war and the man himself is Steve Yates, Councilman-at-Large. His mom, Jeanie, and I played together as kids and I have gone with Carol Uphoff Wassenaar a couple of times to visit Jeanie in Elizabeth, Colo.

One last thing. While changing planes in Oakland, Calif., last month, I struck up a conversation with a former sportscaster who had been with ESPN for ten year. The name Nebraska came up (funny how that always happens) and he said the Nebraska Huskers are the nicest, most sportsman-like fans he's ever run across.

HEBRON CITY COUNCIL PROCEEDINGS SEPTEMBER 7, 2016

Hebron City Council met on Wednesday, September 7, 2016 at 6:30 p.m., which started at the City Swimming Pool and then convened at the City Hall. Mayor Shane Day presided and the proceedings were recorded by City Clerk Marcy Welch. Upon roll call, the following Councilmembers were present: Douglas Huber, Larry Fangmeier, Timothy Pickering, Kurk Wiedel, Robert Dodes. Also present: City Administrator Chris Fangmeier, City Attorney, Joseph Murray. Absent: Councilmember Jay Bauer.

Notice of this meeting was given in advance by posting. Notice of this meeting was simultaneously sent to the Mayor and Council and a copy of their acknowledgement of receipt of notice is attached to these minutes. Availability of the agenda was communicated in the advance notice and in the notice to the Mayor and Council of this meeting. All proceedings hereafter shown were taken while the convened meeting was open to the attendance of the public.

SWIMMING POOL ISSUES

Bonnie Kassebaum met with the Council and Mayor at the City Swimming Pool to visually look at the problems with the pool. Bonnie took the Council around the pool, starting with the Bathroom.

1. The metal around the doorways are starting to rust at the bottoms and someone could get cut on it. The floors need redone. They get slippery in some areas and water stands in some areas. Mayor Shane Day stated that the Sheriff's Office just redid their floor and put some type of epoxy product on it and it worked great.

2. Bonnie explained that the caulking around the pool is all starting to pull away from edge and this will need to be redone. Wall is starting to lean a little bit.

3. Bonnie explained that the jets in the sides of the walls have not worked for a long time and that they get away with the circulation of the pool by having the slide and that they have to have the lifeguards clean those out every so often and also the drains at the bottom of the pool have covers over them that the lifeguards have to go down and clean every so often as the vacuum doesn't get them as clean as they should be. Bonnie also explained that the paint on the bottom of the pool needs to be redone, as it gets painted every year and it starts to peel. Bonnie reported that if we would sandblast the whole thing and start from scratch it would be better, however she explained that this needs to be done now and not at the beginning of the summer as they would never get the paint and caulking to dry if they started at the beginning of summer do all these things, and they would never be able to open.

4. Bonnie showed them the lifeguard stands and reported that the boards on the stands need to be replaced, as they are going to break sometime when the lifeguards stand on them.

5. Bonnie showed the Chlorine System as the distributor that she is using for her chlorine informed her that her machine is obsolete and that he will no longer be able to get parts for it. Bonnie handed out a sheet with the new chlorine tank prices on it. We can get one that is a one tank system or a two tank system and have a spare, in case anything happens, we have a spare. The difference between the one tank and two tank system was \$700.00. Bonnie explained that if we get the one tank system and it breaks down we are sunk, so would probably be better to go with the two tank system. Bonnie also explained that these are the original tanks from when the pool was built. Councilmember Wiedel asked Bonnie when the pool was built. Bonnie responded with Jim Kenner was 8 years old when it was built, so from that they figured it was built in approximately 1932 years ago and was remodeled in 1974. Bonnie explained that we lose approximately 1-2" of water every night out of the pool so she has to have water constantly running into the pool from a hose. Councilmembers asked if the pool had to be handicap assessable? Bonnie said that she has gotten away with it, as her lifeguards have carried a wheelchair down to stairs in the shallow end, and if someone asked about it, she would probably have to look into something.

6. Bonnie discussed the candy area along the filter room, as she reported that she would like to make it bigger. She reported that this year she seen a bigger problem with people not having anywhere to sit with kids and get out of the sun and have a snack. Bonnie also reported that she has asked for shade in the baby pool area and has not gotten it. The Council discussed maybe moving the shaded shelter from existing area to baby pool area and extending the shelter area in the pool area all the way to the fence.

7. Bonnie reported that she was broke into again this year, and explained that she talked to Chris about getting a safe that was bolted down to the floor so they can't get into it anymore. Mayor Shane Day wondered why they couldn't drop off the money every night in the City Hall drop box. Bonnie explained that would work for daily deposits, however, when you have change for the candy, it doesn't work to have all the money at the City Hall especially on weekends or days City Hall is not open.

ANNOUNCEMENT -- OPEN MEETINGS LAW
Mayor Shane Day informed the public of the location of the posted information concerning the Open Meetings Law.

APPROVE MINUTES-AUGUST 8TH MEETING
Councilmember Wiedel made the motion second by Fangmeier to approve the Minutes from August 8, 2016.

AYES: Wiedel, Fangmeier, Huber, Pickering, Dodes

NAYS: None Absent: Bauer Motion carried

NUISANCE HEARING-JERRY LOONTJER-JEFFERSON AVENUE BETWEEN 7TH & 8TH ST.
City Attorney, Joseph Murray reported that he had sent a letter of Nuisance Hearing to Jerry Loontjer who was present and wasn't sure what the problem was with the property. He had cleaned up the area and next week would be bringing in a skidster to get rid of the bigger stuff. Jerry explained that the trash if from the neighbors who lived next to the property and have since moved. Mayor Shane Day reported that on a Saturday he drove by the property and it had trash all over. Jerry Loontjer reported that was the neighbors trash. Councilmember Huber reported that we table this item till next month and let City Administrator, Chris Fangmeier take care of it. Joe reported we will table till next month with no more notices.

AYES: Huber, Pickering, Fangmeier, Wiedel, Dodes

NAYS: None Absent: Bauer Motion carried

NUISANCE HEARING-ROD PHELPS- 226 S. 5TH ST.
City Administrator Chris Fangmeier, reported that Mr. Phelps stopped in office and wanted him to go look at the property as he had done a lot of clean-up and wanted to make sure he was okay. Chris reported that he had made great improvement. Councilmember Wiedel reported that we have been on this for 5+ years.

Councilmember Wiedel made a motion second by Huber to table this for 30 days.

AYES: Wiedel, Huber, Fangmeier, Pickering, Dodes

NAYS: None Absent: Bauer Motion carried

NUISANCE UPDATE-133 S. 7TH ST.
City Attorney Joseph Murray, reported that he has sent a letter August 5, 2016 to Mrs. Evander requesting her to respond within ten (10) days and he has had no response. Councilmember Wiedel reported that she owns property in Davenport, Denver and so not sure what her intentions are with this property, but we have been more than cooperative with her.

Councilmember made a motion second by Dodes to put this address on Nuisance list next month.

AYES: Wiedel, Dodes, Huber, Fangmeier, Pickering

NAYS: None Absent: Bauer Motion carried

PAY APPLICATION FOR FINANCIAL PROJECTS-CDBG
Councilmember Dodes reported that when we started this Housing Project with SENDD we had a goal of 8 properties and we will have done 10 properties by the end of October 2016, and will only be sending back \$2,476.75 of the funds given. Dodes proposed that we should do this project again and start filling out the application for 2017. Dodes reported that they did sign a waiver on one property to use up the funds, or we would have been sending back a lot more, and his understanding is the more you send back, the less you get the next year. Dodes reported that he had a listing of the addresses but no names as they can't give names as they don't want the committee to be bias to who they will help or not help. When the project is done, they can give us the name of the property owner. Council agreed that it was a pretty good return on the money that we spent. Dodes reported that a lot of the houses have been fixed in the interior, so it's hard to see the improvement from the outside.

Councilmember Dodes made the motion second by Wiedel to approve and pay the final bills as they come in for the CDBG Housing Projects.

AYES: Dodes, Wiedel, Huber, Fangmeier, Pickering

NAYS: None Absent: Bauer Motion carried

PROPERTY MAINTENANCE-RIVERSIDE MOTEL
Sam from the Riverside Motel was present and reported that he was having a problem with the East entrance to his motel, as it collects water in it. Wanted to see how to fix it, as he was under the understanding that he could not build or make improvements within ten (10) feet of his property. City Administrator Chris Fangmeier, reported that the City did go down and make a drainage ditch next to his property going South. Councilmember Huber stated that this is his business and if he needs to fix the driveway up to the street, that is his business and we will not have a problem with that and the City can't deny him that. Councilmember Wiedel stated asked Chris if we could go down and mow, trim, and spray around the bridge railing on the motel side, like we do on the other side of the road. It would look nicer and we can do this for them. Sam also stated that he has a problem with snakes, he had 7 of them on his property. Mayor Day, stated that we can't control the snakes, as he is along the river, that's just part of owning property by the river and he would have to deal with this himself. Sam wanted to know if we could spray for the snakes. Shane advised that we can spray for mosquitos but that was it.

Sam wanted to know who the cable company was in town, as he had someone bring a big spool of cable and left it on his property. Told him that this is something he will have to take up with the people that left it. Chris informed Sam that it could be the company boring under the street and all the way to Fairbury, and if they have an easement on his property, he would have to check into that.

Councilmember Wiedel advised to table this item till next month, and we can have a chance to go look at it. Councilmember Huber stated that they could all go look at it on their own time before the meeting.

DOWNTOWN LIGHTING AND SIGNS
Councilmember Wiedel reported that he was working with Jana Tietjen on the streetlights

and signage. Jana reported that they have looked into the Internally Illuminated Billboard Sign North of town and this sign would cost \$30,000.00 for a new sign and if we just replace sign using original framework it will only cost \$13,800.00. Jana also gave a copy of what the visitors committee would like to put up and the prices. They would like 9-Freestanding Flat Panel Directional Signs for \$10,091.65; 1- 4' X 25' Mesh Banner \$371.25; 6-Double Sided Hard Panel 2' X 4' Banner \$576.00; 6- Framing Brackets for 2' X 4' Panels \$1,852.20; and 4- 4' X 8' double sided Metal Sign \$1,800.00 all the signs including the Internally Illuminated Billboard would total \$28,491.10. Signs on the edge of town need to be replaced. Jana also proposed that we need to "brand" our community with our new logo, and we should maybe look into putting signs up directing people to the porch swing and other attractions in town. Jana reported we have no signs to direct people to the businesses, schools, the track, and porch swing, etc. Jana also suggested that we should put up a new banner on Lincoln Avenue with our Logo. Councilmember Wiedel reported that he believes there is foundation money out there to be used for this sort of thing. Kurk also reported that when we covered the porch swing, we asked Lori Werner to come up with funds and we would match them. I believe that if the Visitor Committee would come up with funds and then the City could match some of those funds.

Councilmember Wiedel made a motion second by Huber the Visitor Committee do the last four (4) items on the list and the City will do the top two (2).

AYES: Wiedel, Huber, Fangmeier, Pickering, Dodes

NAYS: None Absent: Bauer Motion carried

Jana reported that she formed a Revitalization Committee to work on different projects. One of the projects they are working on are new streetlights. They have looked at streetlights that they can connect the banners too on the side, the majority of the people asked liked the Pole with the downward lighting and they would use the Acorn lighting so they would match the ones that we already have in the park. Pricing is approximately \$4,000.00 per pole and light. Custom made to our specifications would cost \$5,000.00. Councilmember Dodes suggested that we stay away from custom made items, as they are usually more money. Councilmember Wiedel questioned with the new lighting would it illuminate the downtown area enough with the problems that we are having? Jana reported that they were thinking of leaving the corner lights and maybe sandblasting the poles and repainting them and we would put the other poles downtown on the streets. Councilmember Huber reported that he has a problem spending \$5,000.00 on each streetlight when we have just looked at the pool and all the things that need done with it. Councilmember Wiedel reported that there is a grant that will help with this but they want us to start the projects and then they will help finish them. If we would do the corners and get them started that would start our part of it.

No action taken on this agenda item at this time.

WILLARD PARK MASTER PLAN
Councilmember Wiedel reported that he has nothing to report on this.

No Action Taken at this time on this agenda item.

ECONOMIC DEVELOPMENT PROGRAM
City Attorney Joseph Murray, explained that we have some good ideas to help the businesses, but we can't do this without a LB840 passed. Joe explained that he has looked at Geneva and Superior's policies on this and they are all set up using Sales Tax Money and not Property Tax. Joe reported to get a committee together and use Geneva and Superior as guides and ask questions and then set horizon to the sales tax but use the property tax relief to offset sales tax and relieve property tax. Joe explained that we will have to have things in order, this will have to benefit the businesses. This may take a year or two to get the information in order before going in affect. Councilmembers Pickering and Wiedel will start working on this.

NUISANCE ABATEMENT PROCEDURE
City Attorney Joseph Murray, reported that we need to maybe change our procedure. We would only be changing what we put in it. If we have those people that don't sign at post office for letter we can chose to hand deliver, publish in paper or post on property. This notice can be delivered by anyone, doesn't have to be law enforcement.

This item was tabled till October meeting.

DILAPIDATED PROPERTIES
Councilmember Wiedel reported that the house to the north of Winn's house. 535 Jefferson Avenue, Kurk explained that this house has a structure that is non livable.

Councilmember Wiedel also reported that 227 S. 4th Street-Corning's believe Merle Hartley owns has weeds, trash, front porch full of trash, car parts everywhere, dirt piles in yard. City Attorney Joseph Murray, reported that he will send letters to these two (2) owners.

4TH STREET BRIDGE PROPOSAL
City Administrator Chris Fangmeier, reported that the 4th Street Bridge is going to be a project for next Spring. Chris reported that he has gotten a proposal from Husker Steel and the estimate for them to do was \$137,963.00. Chris reported that he would like to see what JEO would price this job at. Husker Steel has an engineer who works for them. Chris requested that we wait to see what the proposal is from JEO before doing

anything with this. Council agreed. No formal action taken at this time on this agenda item.

CAMERAS FOR DOWNTOWN AND POOL
Mayor Shane Day, reported that the pool got broken into again and also various businesses were also broken into or tried to break into them. Shane reported that he thinks we should put cameras downtown and at the pool. The council asked Sheriff David Lee where he thinks we need cameras, to help him and guys. David reported that if we were to do this right we would want to put in 20-25 cameras, and be careful where we put them. David reported that his deputies can't always be where they are needed at all times, and that cameras would be helpful. David reported that Electronic Contracting put up the cameras at the courthouse and sheriff's office, and Ray Wright has upgraded some of the cameras, so we might check with him to see if he would give us a quote. David also expressed that you don't have to buy the top of the line to get good cameras, but you do want to check around as you can get cameras that won't show anything at all in the dark and others will show lots of details. David reported that Deshler has 4 security cameras and it cost approximately \$15,000.00. Nelson had Sysco put their cameras in and they can monitor them at any time. Councilmember Wiedel suggested that we get a bid and have them come in and give us a demonstration on them, so we know what we are getting. No immediate action taken at this time on this agenda item.

APPOINT ENGINEER FOR AIRPORT
Dan Werner, County Attorney was present and reported that the airport is City owned and the City needs to Appoint and Engineer for the Airport, as they are going to have some issues come up that they will need to have this in place. Dan explained that the Airport has some hazards that could cause the airport to be closed. Trees need to be taken out. Dan explained that zoning areas are 3 miles around airport, and within a certain area, nothing grows, this is a licensing issue. This requires agency to enforce the ordinances. Kirkham-Michael was hired at \$125-\$150.00 per hour to be the zoning agent. Dan also explained that someone is coming out from the state to look over issues, so they know exactly what they will need to do. Joseph Murray reported that we will need to put this on next month's agenda and we will deal with

BUDGET HEARING-CONSIDERATION OF 2016-2017 BUDGET
Brian Blobaum from Blobaum and Busboom was present and reported on the Budget for 2016-2017. Brian reported that budget is to set overall expenditure budget and set property tax. Brian reported Property tax is set at \$278,894 in the General Fund, which requires a levy rate of 44.0057 cents per \$100 valuation. Last year, the tax was set at \$17,052 and the levy rate was 3 cents. The maximum safety bond levy rate allowable is 5 cents. Actual scheduled payments for the coming year on these bonds total \$11,605. These bonds may be prepaid since they have been outstanding over 5 years. This is the last levy needed to pay off the remaining safety bonds. The total net property tax increase for all funds is budgeted at 5.57%, compared to last year's 2.66% increase. New property growth will absorb 4.57%, leaving a 1.00% increase on prior existing properties. Cash funds are 4.6 million and last year they were 4.4 million.

SPECIAL BUDGET HEARING-RESOLUTION TO CHANGE PROPERTY TAX REQUEST
Open Special Budget hearing within regular Budget hearing.

Councilmember Fangmeier made a motion second by Hubert to approve setting the tax levy.

AYES: Fangmeier, Huber, Pickering, Wiedel, Dodes

NAYS: None Absent: Bauer Motion carried

Councilmember Huber made a motion second by Fangmeier to pass the Resolution 2016-06

RESOLUTION #2016-06
WHEREAS, Nebraska Revised Statute 77-1601.02 provides that the property tax request for the prior year shall be the property tax request for the current year for purposes of the levy set by the County Board of Equalization unless the Governing Body of the City of Hebron, passes by a majority vote a resolution or ordinance setting the tax request at a different amount; and

WHEREAS, a special public hearing was held as required by law to hear and consider comments concerning the property tax request; and

WHEREAS, it is in the best interests of the City of Hebron that the property tax request for the current year be a different amount than the property tax request for the prior year.

NOW, THEREFORE, the Governing Body of the City of Hebron by a majority vote, resolves that:

GENERAL DISCUSSION
Phil Prater was present and Thanked the Sheriff's Office for the dog issue that they had earlier. Was reported that the dog was euthanized yesterday. Was asked by public citizen if a resident would get in trouble if they shoot a dog in city limits. Was advised that this would not be the best thing to do.

ADJOURNMENT
Councilmember Huber made a motion second by Pickering to Adjourn. Meeting adjourned.

Mayor
I, the undersigned, City Clerk, for the City of Hebron, Nebraska, hereby certify that the foregoing is a true and correct copy of proceedings had and done by the Mayor and Council; that all of the subjects included in the foregoing proceedings were contained in the agenda for the meeting, kept continually current and available for public inspection at the office of the City Clerk; that such subjects were contained in said agenda for a least twenty-four hours prior to said meeting; that at least one copy of all reproducible material discussed at the meeting was available at the meeting for examination and copying by members of the public; that the minutes were in written form and available for public inspection within ten working days and prior to the next convened meeting of said body; that all news media requesting notification of the time and place of said meeting were provided advance notification of the time and place of said meeting and the subjects to be discussed at said meeting.

VILLAGE OF DAVENPORT SEPTEMBER 12, 2016

The Board of Trustees of the Village of Davenport, Nebraska, met in regular and special session on Monday, September 12, 2016, 5:00 p.m. in the Conference Room of the Fire Hall.

Notice of the meeting was given in advance thereof as shown by the certificate of posting notice attached to these minutes. Notice of the meeting was conveyed to all Board members and a copy of their acknowledgment of receipt of notice and the agenda are also attached to the minutes. The agenda was on file in the office of the Village Clerk and available for public inspection. All proceedings hereafter shown were taken while the convened meeting was in special and regular session and open to public attendance.

The Budget and Special Hearings were called to order by Chairman, Trustee Trapp, with the regular meeting convening immediately after. Chairman Trapp noted the Open Meeting Laws were available on the east wall. Answering roll call were Crosier, Littrel, Seifert and Trapp. Manes was absent for the entire meeting. Also present were Brian Blobaum, Donovan Knigge, Terry Enghauser, Dixie Heinrichs, Robin Crosier, Chris Pavelka, Jay Nelson, Mr. and Mrs. Garry Grone and Village employees Ficken and Vorce.

Trapp, seconded by Seifert, moved to adopt the budget as prepared, published and presented. Roll call vote: AYES: Crosier, Littrel, Seifert, Trapp. ABSENT: Manes. No Trustee voted NAY. Motion carried.

Seifert, seconded by Trapp, moved to adopt the following resolution: WHEREAS, Nebraska Revised Statute 77-1601.02 provides that the property tax request for the prior year shall be the property tax request for the current year for purposes of the levy set by the County Board of Equalization unless the Governing Body of the Village of Davenport, passes by a majority vote a resolution or ordinance setting the tax request at a different amount; and WHEREAS, a special public

hearing was held as required by law to hear and consider comments concerning the property tax request; and WHEREAS, it is in the best interests of the Village of Davenport that the property tax request for the current year be a different amount than the property tax request for the prior year. NOW, THEREFORE, the Governing Body of the Village of Davenport by a majority vote, resolves that:

1) The 2016-2017 General Fund property tax request be set at \$68544.00. 2) A copy of this resolution be certified and forwarded to the County Clerk prior to October 13, 2016. Roll Call Vote: AYES: Crosier, Littrel, Seifert, Trapp. ABSENT: Manes. No Trustee voted NAY. Motion carried.

The Budget Hearing and Special Hearing to adopt a tax request different from prior year were declared adjourned and the regular meeting was then called to order at 5:12 p.m.

Minutes of the August regular meeting were declared approved as printed, there being no additions or corrections, and reading aloud being dispensed with, as copies of the minutes were distributed to the trustees along with their notices.

The treasurer's report was given. Seifert, seconded by Trapp, moved that the report be accepted. Roll call vote: AYES: Crosier, Littrel, Seifert, Trapp. Motion carried.

Claims for August expenses were presented and audited. Trapp, seconded by Littrel, moved that the claims be paid. Roll call vote: AYES: Crosier, Littrel, Seifert, Trapp. The chairman declared the motion carried and ordered payment of the following claims. Wages, less withholding, \$4734.21; Trustee fees, less withholding, \$720.31; Blobaum & Busboom, budget prep, \$620.00; Ficken, labor, \$194.00; BusinessWorld, supplies, \$266.29; Burton Enterprises, service, \$23.00; Capital Guardian Trust, 2% employer match, \$68.25, 2% employee match, \$68.25; Cornerstone, FICA, \$1439.57, sales tax, \$2563.69; CPS, fuel, \$264.41; Werner, fee, \$75.00; Davenport Building Supply, supplies, \$83.97; Davenport Public Library, lease, \$900.00; Miller, incentive, \$30.00; Hebron Journal, publish, \$41.67; Murray, fees, \$275.00; Linton's, repairs, \$17.97; Matheson Tri Gas, supplies, \$71.60; Midland Telecom, repairs, \$110.00; NE Dept of Ag, kennel fee, \$175.00; NE Dept of Revenue, waste fee, \$25.00; NE PHE Lab., testing, \$15.00; Norris, trans charges, \$1523.61; NPPD, power purchase, \$23712.35; Rizzo Elect. labor, \$250.00; Source Gas, service, \$115.36; Thayer Co Health Serv., shop, \$150.75; Verizon, service, \$133.28; Village, postage, \$37.56; Windstream, service, \$187.86.

August patrol reports were available. Correspondence reviewed: letter from Legion Auxiliary confirming they would no longer be serving the November Fireman's Appreciation Supper. Noted that there was a dog in the kennel—owners unknown. Noted that street grading has been appreciated. The work of the SOS event was acknowledged and special thanks are due for this effort.

Chris Pavelka stated that in three months the debris in the yard would be cleaned up and will look into having the house painted. This nuisance property will be looked at again at that time. Porch has been removed on Grone property and roof repairs need to be taken

care of—continue to monitor this property. Since there was no response from Evanders, a letter will be sent detailing work to be done and time frame.

Trapp, seconded by Crosier, moved to approve the Seifert, CPS and Follmer building permits as recommended by County zoning. Roll call vote: AYES: Crosier, Littrel, Trapp. ABSTAIN: Seifert. Motion carried.

Seifert, seconded by Littrel, moved to purchase ten LED street lights. Roll call vote: AYES: Crosier, Littrel, Seifert, Trapp. Motion carried.

Seifert, seconded by Crosier, moved to approve the Library contract at \$900.00 per month. Roll call vote: AYES: Crosier, Seifert, Trapp. ABSTAIN: Littrel. Motion carried.

Seifert, seconded by Crosier, moved to approve Unite's fiber optic cable installation with the stipulation they are responsible for any damages incurred.

Roll call vote: AYES: Crosier, Littrel, Seifert, Trapp. Motion carried.

Trapp, seconded by Littrel, moved to accept the \$2300.00 bid (given to Seifert) for the tractor. Roll call vote: AYES: Crosier, Littrel, Trapp. Motion carried. ABSTAIN: Seifert. Motion carried. Jamon Harms will pick up the old street lights.

No action taken regarding rock/gravel for Viaero tower road.

Seifert, seconded by Crosier, moved that the Village pay for 20 extra guests (retired and spouses from VFD) for the annual Appreciation Supper in November. Roll call vote: AYES: Crosier, Seifert. ABSTAIN: Littrel, Trapp. Motion carried. Seifert, seconded by Crosier, moved that Jason Follmer be the designated VFD volunteer to serve as Certification Administrator for the Volunteer Emergency Responders Incentive Act. Roll call vote: AYES: Crosier, Seifert. ABSTAIN: Littrel, Trapp. Motion carried.

Consensus of the Board that they cannot mark off a "no parking zone" on Maple Street.

Seifert, seconded by Littrel moved to pay the SENDD dues of \$275.00. Roll call votes: AYES: Crosier, Littrel, Seifert, Trapp. Motion carried.

An ad asking for an individual willing to learn the clerk duties will be placed in the County paper.

Clean up days will be September 16 and 17.

Maintenance will purchase a new chain saw—Ficken will reimburse the Village \$40.00 for the old saw.

Littrel, seconded by Trapp, moved to go into executive session at 6:00 p.m. To discuss personnel hiring. Trapp, seconded by Seifert, moved to resume regular session at 6:25 p.m. No official action taken during executive session. Jay Nelson was offered the advertised maintenance position. Mr. Nelson will consider the position.

There being no further business to come before the Board, the meeting adjourned at 6:40 p.m.

NOXIOUS WEEDS MUST BE CONTROLLED

YOU ARE REQUIRED TO CONTROL NOXIOUS WEEDS ON YOUR PROPERTY

THE NOXIOUS WEEDS ARE: Musk Thistle, Plumeless Thistle, Canada Thistle, Leafy Spurge, Knapweed (spotted and diffuse), Purple Loosestrife, Saltcedar, Phragmites, Knotweed (Japanese and Giant), and Sericea Lespedeza. **NOTICE IS HEREBY GIVEN THIS 28th DAY OF September, 2016,** pursuant to the Noxious Weed Control Act, section 2-955, subsection 1(a), to every person who owns or controls land in Thayer County, Nebraska, that noxious weeds being grown or growing on such land shall be controlled at such frequency as to prevent establishment, provide eradication, or reduce further propagation or dissemination of such weeds.

Upon failure to observe this notice, the County Weed Superintendent is required to:

- Proceed pursuant to the law and issue legal notice to the landowner of property infested with noxious weeds and giving such landowner 15 days to control the noxious weed infestation. Conviction for noncompliance may result in a \$100 per day fine to the landowner, with a maximum fine of \$1,500; or
- Should more immediate control be required, proceed pursuant to the law and have the weeds controlled by such method as he/she finds necessary, the expense of which shall constitute a lien and be entered as a tax against the land, and be collected as other real estate taxes are collected, or by other means as provided by law.

Also the public is notified that noxious weed seed and propagative parts may be disseminated through the movement of machinery and equipment, trucks, grain and seed, hay, straw, nursery stock, fencing materials, sod, manure, and soil as well as articles of similar nature. Methods of treatment have been prescribed by the Director of Agriculture and may be obtained from the county weed control authority.

By Order of Thayer County Weed Control Authority

Wessels, Reinke partner to educate and inspire

Wessels Living History Farm of York announces a partnership with Reinke Manufacturing Company, Inc. of Deshler to expand operations and celebrate agricultural history.

Reinke will match up to \$100,000 in donations to Wessels for an expansion to its current machine building located at the Farm. The estimated 4,000 sq. ft. structure will house many of Wessels' farm machinery exhibits that are currently in storage awaiting a permanent, protected display space.

In addition, Reinke will provide a single tower display from its 1968 Reinke Pivot System #2. This display will be stationed outside of the new structure. The company will also include an interior display dedicated to the history of the organization and its founder, Richard Reinke.

Additional display space to showcase the history and progression of other agriculture industry leaders will be available. The added space will also allow the museum to accept donations of farm equipment from other individuals and organizations.

"The Reinke expansion project creates a unique opportunity for the Farm," said Wessels Board President Russell Heine. "Having access to a piece of technology, a piece of history, which literally changed the face of agriculture, is incredible, and we cannot wait to share it with our guests."

"We recognize the obliga-

tion and opportunity that we have to educate our community about agriculture and to encourage and excite the next generation of farmers," said Reinke President Chris Roth. "Wessels Living History Farm is committed to showcasing the authentic history of Nebraska agriculture. We are honored to be a part of this history and are fortunate to be able to partner with such a dedicated organization."

The York Community Foundation recently showed its support by responding to Wessels' grant request for \$50,000. This Foundation, which manages the estate of Dave Wessels, will give \$50,000 to the expansion project, following the completion of the initial \$50,000 being raised. Additional community grants are under review.

Wessels Living History Farm is currently in its eleventh year. Wessels was built upon the vision of Dave Wessels, a York area farmer, whose dream was to share the history of agriculture with future generations.

The Farm is known for its live demonstrations and hands-on activities and intends to include as many interactive and experiential exhibits as possible throughout the expansion project.

Reinke is the largest privately owned irrigation company in the world. Since 1954, Reinke has been a forerunner in the advancement of agricultural education and technology.

The company is heavily

involved in agriculture education and advancement through partnerships and outreach across the country. For educational resources and more information about Wessels Living History Farm, visit www.livinghistoryfarm.org. To learn more about Reinke, visit www.reinke.com.

For more about this project and how to get involved, contact Russell Heine, Wessels Living History Farm Board President. Phone: 402-366-9748.

Cornhusker minion...

Greeting the visitors coming to town for the Fall Festival was the Cornhusker Minion created by Tegan Hergott. This Minion has stalks of corn for his "spikes" threads of hair. He seems to be very happy since this weekend win placing the Huskers 15th in the ratings and the Husker volleyball team winning again and still No. 1 in the nation!

Belvidere

By Linda Hudson

The 43rd Fall Festival (formerly known as Arts and Crafts) at the Thayer County Museum is now in the records. Hurrah for the first historians for creating this affair! Demonstrations, arts, everything that is part of the county is still being celebrated.

Wilma Bonilla had a large display of baked and canned goods at the festival.

Once again Mike Thieme, well known car enthusiast in the area, was responsible for bringing a very successful show to the event.

TK Hergott and grandmother Ronda was again present with all their jelly making. Sales were good as they only had five jars left at the end of the afternoon. Everyone wanted to try the cantaloupe jelly.

The Belvidere Firemen participated by serving coffee and rolls at the festival. They are trying to raise money for a grant they can receive. Good news is that the department is growing in much needed members. They will be having training sessions as soon as the TV/DVD arrives.

Gary Kimbrough spent days setting up his model train display at the Museum's Big Red Barn. It is truly a great hobby for this train lover.

Jeff and Marie Williamson visited his parents, Kent and Jackie Williamson, and enjoyed the festivities at the Museum.

Emily Schmitz's (Else) family returned to her hometown to enjoy many of the activities. She reported how much she enjoyed everything.

Donna Widler of Bruning was the name drawn as the winner of the Woman's Club Nebraska Products Bucket at the club's booth. The club appreciated everyone who visited their booth at the festival and also for the contributors.

The Baysinger Brothers pumpkins were once again a hit for shoppers. They prob-

ably were the busiest as they hauled away small wagons full of everything in gourds and pumpkins that you could imagine. It certainly attracts many, young and old alike, to the affair. Even pumpkins appear at places near to the museum that no one knows who was responsible. Kudosto whoever was responsible.

Carol Aude, Linda Telecky, Gail Gilliam, and Wilma Bonilla had lunch with their oldest sister, Faye Vance, at Courtyard Terrace in Hebron, for her birthday on September 21.

Jacque Justa of Stevens Point, Wisc., spent the week with her sister-in-law, Linda Hudson. They visited several friends in Belvidere, Hebron, and Bruning. In Lincoln, they toured Angie Barrett's Yarn Shop, KPS and met Jacque's long time friend, Linda Schutz, for lunch. They also visited Kay Traudt in the afternoon.

LaDonna Avers is hospitalized at Clarkson hospital in Omaha. She will again be having surgery as she fell and broke more bones in her leg.

Bill, Gina, and girls attended the Ak-Sar-Ben livestock show and rodeo in Omaha this past weekend. TaraLee showed a purple ribbon Angus heifer and was fifth in the Premiere Exhibitor Contest. JessaLynn won a purple in Showmanship. This was the first time she was able to compete at Ak-Sar-Ben.

Last week in September is bringing on harvest in full swing. Happy Harvest to all and everyone be safe on the roads with all the grain harvesting equipment and deer.

Carleton ALA #329 meets

The American Legion Auxiliary met on Tuesday, Sept. 20, at 1:30, for their regular meeting. President Heinrichs called the meeting to order. The colors were advanced, opening prayer was given and the members joined in reciting the Pledge of Allegiance and the Preamble. The roll call was taken showing nine members present.

The secretary's minutes were read and approved. The treasurer's report was read and approved. The treasurer's report was read and approved.

Nancy read communications which included a thank you note from the Playground Equipment project thank us for the donation we had sent, and also a letter from Vicki Fleming, sec./treas. of the Thayer County ALA. She also read the district newsletter from Debra Albers, our Dist. 11 president.

Marion reported that the dues are due now and would appreciate it if everyone could get their dues sent in soon.

Under new business, a motion was made and seconded to pay the following dues; District 11 per capita dues and the county dues. Motion carried. Also under the same motion and seconded, we will send a monetary amount to Gift Shop Assessment and the Veterans Home Assessment, Gifts for Yanks Who Gave, Child Welfare Foundation, Children of Warriors and Vocational Technical Scholarship. Motion carried. Also a motion was made to order Pledge of Allegiance Comic books for the third graders in the Bruning/Davenport and Thayer Central school districts. Motion carried. Lucinda will take care of this again this year.

Nancy asked for volunteers to make cookies for County Government Day. They are Rosalie, Nancy L. and Carol. It is in November at the county courthouse.

Having no further business, a prayer for peace was given and Melany retired the colors. The meeting was adjourned. Rosalie served lunch.

Belvidere Woman's Club to meet

Belvidere Woman's Club will meet on October 4, at 7 p.m., at the Community Center.

The program will be celebrating Wildlife Conversation. Matt Taylor of the Nebraska Games and Parks will be the guest speaker. Linda Hudson will have the Thought for the Day. Roll call will be answered by telling of an encounter with an animal.

District 4 NFWC convention will be on October 4. Please consider going with Linda so the Belvidere Club can be represented. Let Linda know if you can go.

Remember to bring those spare dimes to the meeting so we can start filling our bottle. We are now in competition with another club so it should be interesting.
